FEDERAL COURT MEETS

Next Monday at Raleigh, Judge
Purnell Presiding.

Cycle and Pleasure Club Ban. G. A.
B. Memorial Day Day Observance.
Don't Like Like New Electric
Lights. Talk of Doctor
Grison's Return.

JOURNAL BUREAU,
RALEIGH, N. C., May 21.
On Monday the 24th the May term of
Federal court will meet here with the
new Judge T. R. Purnell presiding. It
will be a two weeks term. There are 4
civil and 123 criminal cases to be tried.
Many jail cases will probably be brought
over from other counties where there
was no court held, because of the delay
in appointing a judge.

The Raleigh Cycle and Pleasure club
made their first run of the season on
Wednesday. There are about 40 mem-
bers ladies and gentlemen, and they go
every two weeks to some point in the
country have lunch and return by moon-
light.

Miss Nannie Branch Jones who is the
sponsor for the N. C. Confederate Veter-
an's Association at their reunion in
Nashville in June, will be the guest of
Hon. J. B. O'Bryan while there. No
one could have the cause of Confederacy
more to her heart than has Miss Jones.

The big Baptist Tabernacle Sunday
school will this year go to Richmond on
their annual picnic. They will go via
the Southern and Atlantic Coast Lan-
guage roads. This is probably the biggest
Sunday School in the South. By far the
largest in the State.

The G. A. B. Memorial Day will be
observed here on Saturday the 29th. The
30th coming on Sunday necessitates this
change.

Judge Thomas R. Sutton, the new
Judge of the Eastern Criminal Court is
here.

Mr. Clarence Young of New York rep-
resented the largest, long-distance tele-
phone company in the world was before
the railroad commission this week
there is a "kick" in the way the electric
company are putting up the new light
poles in the middle of the streets as has
been done here-to-fore they are put on
poles on the side walks and are often ob-
scured by the trees. It is hoped this ar-
rangement will be changed.

A complaint has been filed with the
railroad commission by the colored
people here in regard to the accommoda-
tions furnished them at the Union Depot
here.

Superintendent Crawford of the Wil-
liamson technical school in Pennsylvania
is to deliver the annual address at the
Agricultural and Mechanical College here
the first week in June.

Out at the training stable at the Fair
grounds here there are 20 horses in train-
ing, most of them are from this section.

It is said the small grain crop in the
State this season is the best in several
years.

It is said that Dr. Eugene Grison
who at one time was Superintendent of
the Insane Asylum here, is going to re-
turn to this State, and it is asked if the
net of the vacancies in the number of
physicians, allowed at the asylum has
anything to do with his proposed re-
turn. It is to be earnestly hoped he
will never be put there in any capacity
again.

ARMISTICE CONCLUDED.

Turks and Greeks Agree to Suspend
Hostilities for Seventeen Days
Greek Terms of Peace.

CONSTANTINOPLE.—The armistice is
formally concluded for seventeen days
between the Turkish and Greek troops
on the frontiers of Epirus and Thessaly.

The armistice is general and includes
the land and sea forces of both combats-
ants.

Although it is not definitely decided,
it is thought the peace negotiations will
be conducted between Turkey and
Greece direct and that, afterward, fol-
lowing the precedent of the treaty of St.
Stefano, the terms will be submitted to
a European conference, which will
probably meet in Paris.

M. Sali, the Greek premier, in the
course of an interview today said: "The
indemnity which Greece will pay to
Turkey will be in proportion to the re-
sources of Greece and her financial po-
sition. The cession of territory is out of
the question. Greece cannot accept a
mediation of the strategic frontier,
which would render easy the routing of
Greek territory by armed bands and
which would tempt Greece to maintain
a permanent army in order to prevent
such incursions."

The Turkish forces, in pursuing the
Greek troops retreating from Domokos,
were so harassing attacks were the
most small tramping when the Tur-
kish demand for an armistice had been agreed
upon.

The most dramatic incident for the
conquest of Virginia will be conducted
at Roanoke on Wednesday, the 11th of
August next. The time and place were
chosen at the meeting of the Democratic
State Convention at Richmond.

WASHINGTON NEWS.

Senate Resolution of Belligerency
Has Great Approval.

A Great Majority for the Cuban
Cause. Senator Mason's Oratory.
Another Sugar Investigation.
Alaska Boundary Commission.
Slow Movement of Official
News.

JOURNAL BUREAU,
WASHINGTON, D. C., May 21.
The announcement of the vote in the
Senate for Cuban recognition was received
with tumultuous applause, which drew
from Senator Hawley an emphatic re-
sponse against "mob demonstration." The
resolution as passed is as follows:
"Resolved, That a condition of public
war exists between the government of
Spain and the Government proclaimed
and for sometime maintained by force of
arms by the people of Cuba, and the
United States of America shall maintain
a strict neutrality between the contend-
ing parties, according to each all the
rights of belligerents in the ports and
territory of the United States."

An analysis of the vote shows that the
affirmative was cast by eighteen Republi-
cans, nineteen Democrats and four
populists, and the negative by twelve
Republicans and two Democrats, pass-
ing the resolution by the decisive vote of
11 to 14.

Whether the Cuban speech made by
Senator "Bully" Mason was "exuberant
oratory," as Senator Hoar called it, or
was intended to frighten Mr. McKinley,
into bestowing more official favors upon
Mr. Mason's friends, as others have
said, is largely a matter of opinion and
prejudice, but if the crowd that filled the
Senate galleries while Mr. Mason was
talking was a fairly representative one,
he almost constant applause indicates
that the most extreme views advanced
were the most popular. Referring to
Senator Wellington's expressed fear of
war, Mr. Mason said: "Afraid of
Europe? Why Mr. President, if we did
not have a ship in the world and if every
ship we had sunk into the middle of the
sea, there is no nation in the world,
such as Spain, that would ever dare
strike our colors or invade American
soil."

The concluding words of the
speech were: "Mr. President, no one
wants war, but if to keep our promise
with Cuba and protect her means war,
let it come. If to protest against the
ruefulness of women and children mean-
var, let it come. If to defend the honest
laughters of brave patriots means an in-
vitation to Spain and war, in the name of
God, let it come, and come quickly, for
I tell you, whether we speak or not the
civilization of the Nazarene is upon us; lib-
erty shall prevail and the island of Cuba
under the providence of God, shall be
free."

It looks like there would have to be
another sugar scandal investigation by
the Senate. Charges have been made
that are quite as serious as those which
resulted in the last investigation, the
only tangible result of which up to this
time is the imprisonment of broker
Chapman in the Washington jail, where
he is living like a lord and making a
fortune out of the sugar business.

Senators Forsaker, Clark and Turpie
have been designated by the Senate
committee on Foreign Relations to make
a full investigation of the Alaskan bound-
ary treaty, which has been held up be-
cause of the claim that the treaty is re-
drawn as to give Great Britain territory
that this country has no intention of
surrendering. No limit was set as to the
time the sub-committee should take to
make the investigation, but the impres-
sion is that their report will not be made
at this session of Congress.

The Senate passed a number of bills
this week, including several providing
for public buildings, but none of them
will be voted upon by the House until
the regular session, next winter.

Deputy Secretary Sherman was
officially notified by Secretary Sherman
that the Senate had rejected the arbitra-
tion treaty, but the Justice had heard
something about the rejection but he
received that official communication.

THE COTTON MARKETS.

May 21.
The Liverpool advices were again un-
favorable today. The spot sales report-
ed there were only 6,000 bales. This
discouraged the "Bonga" and consid-
erably "letting out" was the result. An-
gust closed at 7 1/4 which is the lowest
price touched in several weeks.

The general situation is unchanged, and
the seasonal position grows stronger
each day.

United States Senator Joseph H. Earle
of South Carolina who was elected last
January, died at his residence in Green-
ville at 3:35 o'clock. He had been ill for
several weeks, but hopes were entertain-
ed of his recovery. Bright's disease was
the cause.

The President has finally decided to
go to the Nashville Exposition next
month. He has fixed upon the 12th as
the date and will doubtless be accompa-
nied by some members of his Cabinet.
He will travel over the Southern Road
via Asheville, Chattanooga and Knox-
ville.

The Southern Hotel at Meriden, Miss.,
one of the finest blocks of its kind in the
South, was damaged \$150,000 by fire.
The hotel was filled with guests, and a
panic ensued, but so far as is known, no
lives are lost.

The Third National Bank and the Na-
tional City Bank, of New York city, were
consolidated, and as soon as matters can
be arranged the Third National will pas-
sant of existence, and all its business will
be transferred to the National City Bank.

Fire was discovered in the roof of the
new Capitol at Albany, N. Y. The
flames were directly in front of the
rooms of the State Civil Service Com-
mission, where a temporary board room
had been constructed. The flames were
finally subdued, having been confined to
the place where it originated.

A whole block was reduced to ashes,
140 families were rendered homeless, and
a big factory was destroyed by fire at
Hoboken, N. J., fire also broke out in
the big dry docks at the foot of Seven-
teenth street. The docks were badly
damaged. Six canal boats and an oil
