THE COTTON MARKETS. NEW YORK, May 28, COTTON closed 7.11 August.

J. E. LATHAM Macy & Pendleton have the following

o say in their cotton letter: NEW YORK, May 27, p. m.

New England cotton mills appear nartial, but got a bill through Congress, equally urgent as their Southern brethren in regard to the curtailment of pro duction of cotton cloths under the presa law without his signature, restoring ent conditions. When large numbers of we are doing. We keep Dry Stove, him as above stated. The order for his mills cannot earn 1 per cent, there is Range and Fireplace WOOD, ready reinstatement was delayed until now, urgent need of either reduction of prices out, under large sheds and never of both labor and capital from planter to Those who are in favor of prompt and consumer in order to secure foreign export basis, or else that nature producing wards Cuba are not at all pleased with cotton in more abundance and law stimhe situation. They had supposed, not from anything that President Mc Linky ulating and protecting the market should furnish temporary relief. We think that both suggestions have weight and that simself said, but from remarks made by hose who were credited with being in the latter has more immediate likelihood in confidence, that immediate action

was cautemplated, but they have this of being a correct forecast of the next week learned from various sources that month. Every report we get from the mothing is likely to be done for some South indicates a large crop and elaboratime. In fact, that the President will the of statistics and reports only connot definitely decide what he will at tempt to do until after his friend, Mr. Calhoun, returns from Cubs and tells from the output to do until after his friend, Mr. Calhoun, returns from Cubs and tells from present and past justified in what he found out there, and Mr. South Indicates a large crop and elabora-Calhoun is not expected back until well into the month of June. There is nothing left for those who are impatient ex-

Favorable to Greece. LONDON .- The correspondent of the

Fimes at Athens says: "The dispatches which the government has received from the representatives of Greece abroad all indicate that are all sold, Only 12c pound. the peace negotiations have taken a turn more favorable to Greece. Turkey's proposal to occupy Thessaly no longer receives any consideration, owing to Engand's attitude, while the proposal to abolish the enpitulations in the case of Greek subjects in Turkey is rejected and the suggested extradition treaty is ap-

parently set aside. "The powers have fixed £6,000,000 as the highest limit of indemnity, and will allow only such a strategic alteration of the frontier as with not involve the subjection of any inhabited district to Turkish rule. Germany's demand for an in ternational control of Greek finances has not been favorably received, as the gov ernment hopes to raise a loan abroad on the guarantee of England Russia and France, at low interest, to pay the Indemnity, conceding certain revenues but not accepting the principle of foreign

control." The daily Mail's correspondent at Constantinople says: "The Porte has replied to the note of the powers and consents to negotiate for peace provided the Greek

commanders first sign an armistRe. "As soon as this is done the govern ment will negotiate as to the peace conditions with the ambassadors and the treaty will be signed by the Turkish and

Hellenic plenipotentiaries in Thessaly " The correspondent of the Times at Salonica, telegraphing Wednesday,

"I have just arrived here, after passing through Larissa, Elassons and Sorovitch. en route. There is a steady forward movement of reinforcements along all the roads. The force under Edham Pasha's command must now be close of
