### A GREAT LOSS.

Fucker's Great Dry Goods House Closes. Trustees Appointed. FROM RALEIGH PRESS-VISITOR.

Messrs. James Boylan, Theodore W. Dobbin and William Doylan, composing

the firm of W. H. & R. S. Tucker and Company by mutual consent have agreed to dissolve their copartnership. On account of the magnitude of the business it was deemed best to turn everything over to three disinterested parties, with power to wind up the affairs of the concern by selling the stock, paying the debts, and distributing the surplus among the partners.

For this purpose the firm filed in the court house a deed of trust, to Ernest Haywood, Wm. B. Snow, and Wm. R. Tucker with power to wind up said business. For more than three quarters of a cen tury this establishment has been one of the most prominent in the business fabric of the State, and its customers come from all portions of the State. It gives employment to more than fifty people and it is to be hoped that some arrangements will be made whereby its operations will be resumed. It is with sincere regret that the people of Raleigh learn of this dissolution, for a cessation of said business would be a calamity to Raleigh and greatly damage the business interest of the State.
