WAKE COUNTY.

List of Valuations and Taxable Property.

Much Trading Done in Raleigh on Sunday. Nitze Gets an Appointment. Refused an Injunction. Industrial Delegates for Omaha.

JOURNAL BUREAU, RALEIGH, N. C., July 27. There left here yesterday for the county officers convention at Morehead, Commissioner Otho Wilson, Deputy Sheriff Rivers and Register of Deeds Rogers. Mr. Rogers carried with him a concise statement of the tax list of Wake county. The number of white polls is 4,530, an increase over '96 of 340. Colored polls, 3,031 an increase of 398. Acres of land outside of Raleigh township are 513,147, the total valuation of which is \$2,631,903. The solvent credits of the county are \$210,085, a decrease of \$6,291 from '96; shares in incorporated companies \$224,788, increase of \$50,315; shares of bank stocks, \$247,800, and gross increases \$113,798. The aggregate value of real and personal property owned by whites \$9,295,812, and by the colored is \$510,592. Real estate in Raleigh township is \$3,199,836. There are 352 bicycles in the county valued at \$8,512 at an average valuation of \$24 each.

In one of the churches here on Sunday there was quite a strong talk made on the fact that there was so much selling and buying carried on here on Sunday. It was stated that almost anything could be bought here on God's day. A vigorous attack was made on the board of aldermen, because an amendment to the city ordinances, prohibiting the sale of any thing except necessary medicines on Sunday was defeated.

The city health officer says that, for the first time in 10 years, there has been no death from typhoid fever in the city this year.

Governor Russell has appointed Hon. H. B. C. Nitze assistant State geologist, as the representative from this State at the International Geological Congress which will be held at St. Petersburg, Russia.

Judge Robinson refused to grant Marcus Smith an injunction restraining the Secretary of State from carrying out the contract with Alfred Williams & Co. for the sale of the Supreme court reports.

The Hick estate of this city runs several hundred acres of land in the Klondyke gold district of Alaska.

The following delegates have been appointed to attend the Gulf and Interstate Transportation convention at Omaha Sept 2nd: R. J. Reynolds, Winston; Moses Cone, Greensboro; M. J. Corbett, Wilmington; H. E. Fries, Salem; S. Otho Wilson, Raleigh.

The R. R. commission issues the following circulars:

CIRCULAR NO. 67.
Tariff of the Western Union Telegraph Company:—From and after the first day of September, 1897, the Western Union Telegraph Company shall not charge or collect more than fifteen cents for transmitting any message of ten body words or under, exclusive of date, address and signature, between any two points within the limits of this State on its lines, nor more than one cent for each additional word.

CIRCULAR NO. 68.
Tariff of Miscellaneous Telegraph Companies:—Telegraph Companies other than the Western Union Telegraph Company shall be allowed to charge and collect twenty cents for a message of ten body words or under, exclusive of date, address and signature, between any two points within the limits of this State, on their respective lines, and not more than one cent for each additional word. Effective September 1st, 1897.

CIRCULAR NO. 69.
Joint Telegraph Rates:—Whenever a message is sent over two or more telegraph lines owned, controlled and operated by separate and distinct corporations or individuals, the joint rate shall not exceed thirty cents for such message of ten body words or less, exclusive of date, address of signature, between any two points within the limits of this State, nor more than one cent for each additional word. Effective September 1st, 1897.

CIRCULAR NO. 70.
The State Treasurer today has issued a call for statements from all the State Banks as to their condition up to July 25.

The annual meeting of the farmers State Alliance will be held at Hillsboro Aug. 10th. The organ of the State Alliance ridicules the county officers convention.

It is said that the objection to the public school special tax is increasing rapidly.

The State Preman's Tournament at Fayetteville will be well attended.

Weekly Crop Bulletin

The week ending July 26th was very wet; the ground has been thoroughly soaked nearly everywhere. The rainfall averaged over 2 inches for the week, with amounts varying from 1 to 5 inches. While the rainfall in some sections was excessive, with minor damage to low land crops by standing water and overflowing streams, and some injury to corn by high winds, the seasons on the whole have been very beneficial, and crops have made excellent progress. Cotton is holding its fruit very well; tobacco and corn have improved. Sweet potatoes are very fine and digging has commenced; rice is heading nicely. Fair weather, with more sunshine, is now needed.

EASTERN DISTRICT.—The reports of correspondents in the eastern district are very favorable. Showers occurred throughout the week, and the ground is thoroughly soaked. Some excessive rains occurred, washing land, and there was too much rain for low lands, but the damage is insignificant. The temperature was about normal, with less than the usual amount of sunshine. Crops are doing very well indeed. Cotton improved rapidly; continues to bloom.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and tracing the system from the malarial poison. Headache, indigestion, Constipation, Diarrhea yield to Electric Bitters. 50c and \$1.00 per bottle at E. S. Duffy's Drug Store.
