THE STATE FAIR. Cumnock Coal. More Flour Mills. The Escaped Convicts.

RALEIGH, August 16.—Preparations for the State Fair here in October are very active. All indications are that it will be a notably good one from an agricultural point of view. This is a wonderfully prosperous year and the people are in the humor for such things as fairs and other gatherings.

The Cumnock coal mines during July sold 3,000 tons of coal, most of it to the Seaboard Air Line. This month it will sell more. There is a notably large increase in the number of rolling flouring mills in this State. These are using every bushel of wheat grown in the State.

Senator Butler announces that during the remainder of the year he will personally edit his paper here. The names of the five negro convicts who escaped on Thursday are, John Hillburton, life prisoner; John Johnson, ten years; John Richardson, one year; Yache Simmons, one year; Rufus Gibson, seven years. Hillburton and Johnson were recaptured by two young white men and returned to the penitentiary.

The guard who let these men escape was dismissed. They got away either by the grossest kind of negligence or by criminal carelessness. A female hospital attendant saw them walking across the grounds about 11 p. m. The wonder is that under the present management convicts do not get away by scores. The authorities of the prison will have trouble after September 1st, when the last of the veteran employes leaves.
