### PENITENTIARY LEASE.

#### Question Under Discussion by the Board of Directors.

Chamber of Commerce Officers. Marble Industry Very Active. Tale Industry. Threat to Repeal Charter. Low Price Cotton Discourages Farmers.

**JOURNAL BUREAU**  
RALEIGH, N. C., September, 22.)  
The board of penitentiary directors met again last night to discuss the advisability of leasing the penitentiary. The offer of the syndicate of North Carolinians was refused, and the offer of the syndicate represented by Mr. John H. Winder was considered. Governor Russell approved of the offer with several amendments. He said the control and custody of the convicts must remain with the State agents. That the superintendent and board of directors must look after the regulations of the management of the convicts and appoint the guards etc. That the contractors shall pay the salaries of superintendent and clerk. The building etc., to be kept in order by the contractor. A bond with good security to be given. These and other amendments of like nature were laid before the board in a letter from the Governor. A committee of three was appointed. A. Y. Sigman, W. H. Chadbourne and Wheeler Martin to frame these amendments which are ready for the board today. Chairman Dockery says he hesitates for fear of inhuman treatment of convicts. That he proposes to protect all radicals both in stripes as well as out of stripes. The matter of disposing of the Castle Hayne farm was left to a committee consisting of Superintendent Smith and Mr. Chadbourne. The board had plenty before it for its days work.

Dr. Kirby Smith is to resign as physician to the criminal insane and Dr. McGeachy who was one of the assistant physicians at the insane asylum will probably be appointed.

Mr. B. R. Harding for so long the Master Machinist of the S. A. L. shops here died suddenly of heart disease at Clinton. He left here Monday in his usual health and was taken sick on the train.

The Raleigh Chamber of Commerce last night elected new officers. R. B. Raney, president. Messrs. J. C. Drewry, L. D. Howell and W. H. Williamson the three vice presidents. Mr. Frank Ward, Treasurer. Mr. George Allen, Secretary and Mr. Ghas Pearson, assistant Secretary.

There was quite a fire yesterday afternoon out near the cotton mills. The fact that it was out of the city limits made it hard to fight as hose had to be laid so far and direct pressure called for to get water.

J. Y. Hamrick, Labor Commissioner returned today from the Western part of the State. He says there is much activity in the marble district in Cherokee county, where there are 50 square miles of marble. It is shipped to Georgia and Tennessee, and passed off as marble from these States. Some of it was used in the new library at Washington. There are 1,000 men mining in the tale district in Cherokee, Swain, Macon and Clay. There are many in the cornumid districts—and a large number in the mica mines, and copper mines. He now goes east to get facts as to the trucking industry.

Senator Butler's paper says the State will repeal the charter of the Southern's new line from Mocksville to Mooresville. Senator Butler in his paper says that Congressman Skinner has deserted his party and betrayed his people by supporting a gold bug for the U. S. Senate, etc.

The prices of cotton are so low that it is said the farmers scarcely care whether they pick the crop or not. It seems impossible to get the families of the officers of the penitentiary out. It is a disgrace, the entire middle of affairs out there.

### THE NORTH CAROLINA LEASE.

#### The Hearing Concludes in New York Goes to Baltimore.

New York, September 21.—The hearing in the case of Governor and Attorney General of North Carolina against the Southern Railway was concluded here today before Special Master Kerr-Crieger, appointed by the United States Court to take testimony.  
Colonel F. W. Huidekoper, president of the Chicago, St. Louis and Peoria, railroad, formerly receiver for the Richmond and Danville railroad, which was succeeded by the Southern railway, and E. Francis Hyde, second vice-president of the Central Trust Company, holders of the mortgages, testified today as to the value of the lease. Both declared that they knew of no fraud or illegality in connection with the lease. The next hearing will be held in Baltimore tomorrow.

J. Pierpont Morgan was subpoenaed as a witness yesterday. It was said that he was in control of the Southern railroad. Mr. Morgan was excused on the statement that he knew of no details regarding the lease of the North Carolina railroad.
