## REPENT YE.

Evangelist Fife Promises Pardon  
on an Unrepentant Town.

Says it Was Revealed to Him. Musical  
Attractions for Raleigh.  
Wake Co. Jail a Favorite.  
Presbyterian Publishing  
Company of Charlotte.

JOURNAL BY MAIL,  
RALEIGH, N. C., Nov. 29th, '97.  
Evangelist Fife tells the people of Lexington that God has revealed to him that unless the people of that place get on their knees and repent in sack cloth and ashes, a plague would be sent on that place within 90 days. There are some people who will think the coming of Mr. Fife equal to any plague that could be sent.

Chapters No. 7 and No. 9 of St. Mary's school guild have looked to appear here Dec. 22nd Clara Schumann Lady Orchestra. There are 17 artists in the orchestra and those who have heard it say that the troupe is a fine one. They appear in Greek costumes which are very attractive. It is the first "Ladies Orchestra" ever here.

The Raleigh Musical Association has been organized here with Mrs. A. W. Knox, president, Mr. John Simpson, vice-president, and Mr. C. P. Wharton secretary and treasurer. They will meet monthly. A chorus class will be formed which will meet weekly.

The tramp who killed engineer Bumgardner is named Lambert and his home is at Arden near Asheville. The \$400 reward offered for him will probably find him.

The mayor of Rockingham, W. N. Everett, writes a pretty strong letter to the press showing how the pardoning power is abused as far as the case where John Evans who was convicted of assault is concerned. According to this letter there is no doubt of his guilt, and yet others are as much convinced of his innocence. It is a fearful responsibility and one that any governor would undoubtedly be glad to have shifted to a Board of Pardoners.

The brick work for the Hospital at the Agricultural and Mechanical College is about completed, and the building will be ready for use early in January.

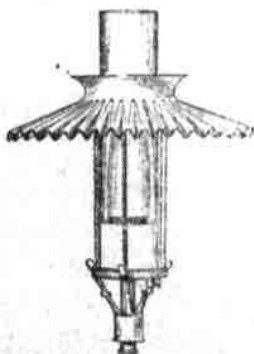

Mrs. Margaret Little, the widow of the late Mr. George Little of Raleigh, died here yesterday in the 86th year of her age. Mr. Chas. M. Busbee yesterday spoke to the Y. M. C. A. of Charlotte and at night he spoke to the Brotherhood of St. Andrew.

At Chapel Hill there were Memorial services held in memory of the late David Watson Worth who died in Wilmington last week.

The monthly meeting of the Monday evening club will be held at Judge W. A. Montgomery's this evening. Mrs. A. W. Knox will entertain the whist club and Miss Sophia Busbee will entertain the euchre club.

The Ladies Memorial Association have selected General Thos. L. Clingman as

## TAX NOTICE.

If City Taxes are not paid on or before the 30th day of November 1897, I shall proceed to advertise and sell the property.

Payment on or before the date mentioned will save all parties the costs.

J. L. HARTSFIELD,  
City Tax Collector.

the subject for the memorial address May 10th, 1898.

Dean Hart yesterday preached three fine sermons, one at Christ Church, one at St. Mary's school and one at the church of the Good Shepherd. Dr. Pittenger has started a mission in Cary about 8 miles from here. He preached there last night. Dr. Pittenger is rector of the church of the Good Shepherd.

Miss Sadie Tucker and Mr. Wm. Williamson will be married Wednesday December 1st, at 9 o'clock.

Wake county jail seems to be considered quite a safe one, for so often prisoners are brought here from other counties to prevent lynching. Now Barnes from Nash county who was convicted of "assault with intent" is here by order of Judge Timberlake. He was sentenced to 7 years and he appealed to the Supreme court. His bond was fixed at \$2,000. He will stay here until the bond is made up. It is reported that the Park Hotel goes back into the hands of "The Page Lumber company," as the purchaser last summer has failed in his contract. A live hotel man at the Park would make a success, but it must be one who has had experience with large hotels.

The successor to Collector Simmons will be named very soon, and the general impression is that it will be Duncan of Carteret.

Mr. Chas. Broadway Rouse has had 2,000 copies printed of the address of Rev. James B. Averitt at the laying of the corner stone of the Central shaft at Winchester, Va.

W. S. Barnes, ex-secretary of the farmers alliance is making Raleigh a big egg market, the biggest in the South it is said.

At the State museum today there arrived 10 boxes containing the collection of gems made by the late Mr. Stevenson of Statesville, Ga. agricultural department got the collection for \$450. It is next to the largest collection made of N. C. gems.

The Secretary of State grants a charter to the North Carolina Presbyterian Publishing Company of Charlotte. Capital not to exceed \$50,000. Term thirty years.

John S. Patrick was here yesterday and reports things as more prosperous than ever at Southern Pines and Pinehurst.

Marshal O. J. Carroll does not think that John B. Hussey in his charges against him can cause him to lose his place before his term expires January 15th.

## Latest News Items.

San Francisco, Nov. 28.—The committee of native Hawaiians that is going to Washington to protest against the annexation of the islands to the United States, has arrived here. It consists of two full-blooded and two half-blooded Hawaiians.

Vienna, Nov. 28.—The members of the Austrian ministry today, tendered their resignation to Emperor Francis Joseph, who accepted them and entrusted Baron Gautsch, who holds the portfolio of public instruction in the retiring ministry, with the task of forming a new cabinet.

Washington, Nov. 28.—Startling disclosures are expected in the proceedings of the court-martial which is to try Capt. O. M. Carter, Corps of Engineers, upon charges of malfeasance or gross carelessness, involving an unnecessary expenditure of nearly \$1,500,000 on river and harbor improvements at Savannah.

New York, Nov. 28.—Thomas Estrada Palma, the Cuban delegate in this city, speaking on the terms of the autonomy decrees, said: "With Cuba it is as it has been since the war began and will be until it ends—Independence or death."

Washington, November 28.—A startling story of cannibalism comes from the wilds of the Congo Free State, in Africa, in which two Washingtonians furnished the repast of the natives. Although the killing took place last December the facts regarding it have just come to light in the form of a private letter received in this city.

Paris, November 28.—The Figaro has caused a sensation today in connection with the Dreyfus affair by publishing several letters purporting to have been written by Count Ferdinand Walsin Esterhazy, who has been accused by M. Scheurer-Kestner, one of the vice-presidents of the Senate, of being the author of the unsigned letter which led to the condemnation of Captain Dreyfus on the charge of selling military secrets to Germany.

## WANTS UNITY.

President Hopes to Find Republicans of One Mind.

Then Several Favorite Bills May be Passed. Big Orders of Ammunition by Government. Secretary Ling's Peaceable Recommendations.

JOURNAL BUREAU.  
WASHINGTON, D. C., Nov. 29.

"Many men of many minds," just about fits the condition of the Representatives and Senators now pouring into Washington by every train. Upon whether these many minds can be got together or at least a majority of them, will depend whether this session of Congress will be productive of important legislation, aside from the regular appropriation bills, which, important as they are disposing of somewhere in the neighborhood of a billion dollars, are always regarded as matter of course legislation. A few Senators and Representatives are expressing flat-footed opinions as to what will or will not be done, but the most of them, knowing how largely the matter will be determined by circumstances, are keeping quiet and trying to find out what their colleagues think. President McKinley is paying especial attention to Republican Senators, as he has an idea that if he can get them to act as a unit, enough other votes can be secured to pass several measures he wants. The House will, of course, do whatever he wishes.

While it may be true that the administration desires peace and expects peace with Spain and all the rest of the world, it has been doing a number of things of late which indicate both the desire and the intention to be prepared for war in case it should come. One of these things was the placing of a contract for war material, in the shape of the latest improved armor-piercing ammunition, and light calibre guns, such as can be used with advantage upon auxiliary cruisers. This contract, which is the largest placed by the Government since the close of the civil war, was marked "urgent," and the delivery of the material will be rushed. When this contract, and others which preceded it, have all been filled, every gun in the U. S. Navy will have about five hundred rounds of ammunition of the very highest grade, which naval officers say is more than any Navy in Europe has, and will be prepared for any emergency.

Secretary Long's annual report is an unusually peaceable sort of a document to emanate from the head of the Navy Department, and indicates no expectation on his part of war. He recommends that Congress restrict the additions to the Navy to be provided for at this session, to one battleship for the Pacific coast and a few torpedo boats and torpedo boat destroyers, and says that the policy of his department will be to gradually take war ships out of commission and put them into reserve, in order to reduce running expenses.

## What it Means.

When we advertise that we will guarantee Dr. King's New Discovery, Electric Bitters, Bucken's Arnica Salve, or Dr. King's New Life Pills, it means that we are authorized by the proprietors to sell these remedies on a positive guarantee, that if purchaser is not satisfied with results, we will refund the purchase price. These medicines have been sold on this guarantee for many years and there could be no more conclusive evidence of their great merit. Ask about them and give them a trial. Sold at F. S. Duffy's Drug Store.
