### AGAINST CIVIL SERVICE LAW.

Republican Conference on the Question, Linney of North Carolina Comes Out Strong.

Special to Journal. WASHINGTON, December 11.—A conference was held today by Republican Congressmen to discuss a modification of the Civil Service law. There were seventy-two members present at the meeting.

The meeting was not a party caucus but only informal, as many of the Republican leaders would not participate if they were to be bound by the caucus action made to pledge the majority to the repeal of the law.

The speech of Representative Linney in the House in favor of repealing the law was the frankest declaration of the spoilsman's desire that has yet been made. The fear of defeat at the next election unless the voters have the inducement of the offices he frankly acknowledged to be the basis of his opposition. There was no concealment of the purpose to make the offices the rewards of party fealty, and he argued that in no other way could a party organization be maintained. It was a significant circumstance that Mr. Linney was very carefully listened to by the Republican majority and frequently applauded.

### Hawaiian Protest.

WASHINGTON, Dec. 26.—The delegation of native Hawaiians who have been in Washington for the past few days called at the State Department today and had an interview with Secretary Sherman.

The delegation presented to the Secretary a memorial, represented to be in behalf of 20,000 native Hawaiians, protesting against annexation, or at least soliciting a secret plebiscite of the Hawaiian population before such a course was determined upon by the government of the United States. Secretary Sherman said he would lay the petition before the Senate, which body now had the annexation treaty before it.

### White Men to Rule.

BATON ROUGE, La., Dec. 10.—The Democratic State Convention, which is in session here for the purpose of nominating thirty-six delegates at large to the coming State constitutional convention, has adopted the following resolutions:

"First—To the faithful observance of all the limitations imposed upon the authority of the convention by the act of the Legislature ordering its convocation.

"Second—To the adoption of a constitution which shall have for its sole object the well-being of the people of Louisiana, of all classes and conditions.

"Third—To such a qualification of the suffrage as shall forever hereafter guarantee that the government of Louisiana shall be entrusted to her intelligent white citizens.

"Conscious of the perfect justice of our cause we submit this declaration of principles and purposes to the considerate judgment of our fellow citizens, fully confident of complete success at the polls."

### Prominent Telephone Man Dead.

Special to Journal. WASHINGTON, Dec. 11.—Mr. Gardner G. Hubbard, widely known in telephone matters, died this morning at 3 o'clock. He was president of the National Geographic Society, and was greatly interested in scientific and geographic work.

### Forty Below at Klondike.

VICTORIA, B. C., Dec. 10.—Five or six, and perhaps seven men have been recently lost in White Horse Rapids, Lewis river, in the Klondike region, according to John Hepburn, who has arrived here from that locality. A boat which had contained the men was found below the rapids one morning, but there was no trace of the former occupants. They must all have been drowned.

At Tagli House the weather a few weeks ago was bitterly cold. The thermometer registered 42 degrees below zero. People were making their way along the route at the head of Lake Bennett. Among the gold seekers was a woman, who was pulling her sled alone, and she was making fair time.

#### A Flag Returned. Complimentary to Dr. Kilgo, Colonists for Rowan County. S. A. L. and C. F. & Y. V. Rail Roads, The Spanish Swindle.

JOURNAL BUREAU, RALEIGH, N. C., Dec. 11.

The return of the State flag of the 4th N. C. infantry, captured at Sharpsburg by the 5th New Hampshire regiment, will be quite a pleasing incident. Gen. Bryan Grimes was first Major and then Lieutenant colonel of the 4th.

Chief Clerk Sims of the Auditor's office says that the return of unlisted taxables made by Cabarrus county is by far the most complete of all yet received. Double tax on all unlisted property was levied and collected there, while in nearly all other counties it was remitted.

The board of agriculture will meet in regular semi-annual session next Tuesday.

The annual communication of the Grand Lodge of Masons will be held at the Oxford Orphan Asylum the second Tuesday in January. It is held there in order to give the members of the order an opportunity to see plainly in how admirable a way that noble charity is conducted.

Rev. Dr. John G. Kilgo is the chairman of the delegation from the North Carolina Methodist Conference to the general conference, because he was given the largest vote on the first ballot. Members of the Conference say they regard this as an endorsement of his position on the educational question. They also say that it is a marked compliment, as generally only old members are sent as delegates and particularly as chairman of a delegation.

State labor commissioner Hamrick left today for Dare and Craven counties to procure information to enable him to complete the chapter on fish and fisheries, the only one in his annual report which is incomplete.

Superintendent Logan D. Howell of the Raleigh public schools will publish a paper in their interest.

C. C. Faugor of the Populist State committee has been to Washington to aid E. C. Duncan in securing the coveted prize of the revenue collectorship of this district.

The news that the Atlantic Coast Line will build a line between New Berne and Kinston will attract general attention.

Among today's arrivals were Thomas Evans, Wilmington; Marshall L. Mott, Wilkesboro; George S. Ferguson, Wayneville.

For the large Pennsylvania colony which will settle in Rowan county 3,000 acres have been purchased and 2,000 more will be secured.

The S. A. L. people think they have scored a point on the Southern in securing the Cape Fear and Yadkin Valley road; putting the case in this way—the Southern wanted the road sold in 3 divisions and to secure the one from Bennettsville to Greensboro; while the S. A. L. desired the system in its entirety. If sold in sections would have knocked out Wilmington and Mt. Airy and injured Fayetteville.

The mother of Cyrus B. Watson, Esq., is dangerously sick at her home in Kernersville. She is 83 years of age.

The Spanish Swindlers, who write letters saying that a great fortune goes with an orphan school girl now at Toledo in Spain, is being worked on Salem man. It was tried on Mr. William H. Walker of the revenue department here. It is one of the shrewdest swindles of the day. To Mr. Walker a "certified copy" of the will was sent with formidable seals and signature. The New York Herald exposed the whole swindle last spring.

Mr. Sol C. Well, late of Wilmington, who is here, is the guest of Gov. Russell. The new collector's force in the Western revenue district is watching the registered distillers so closely that nearly all are closing. There are complaints of harshness.

The term of the Federal court here ended today, and an adjourned term begins January 8. Wynne, the young negro, who robbed the mails at Powellsville, gets a year's imprisonment, and a Person county mail robber gets the same sentence.

R. A. Cobb of the Populist State committee makes the astounding declaration that upon a straight vote with no side issues, his party can poll 60,000 votes in this State.

Three weeks ago a white man named West, who says he is from Richmond, was put on the chain gang at Salisbury, swore he would not work and tried to escape. He was shot by three guards. He now makes threats that he will use the town for heavy damages.

The National bank of Wilmington lends the North Carolina railroad \$10,000 at 4 per cent, with which to pay a debt bearing 6 per cent due Gen. Robert F. Hoke.

### CASTORIA

It is the best medicine for all ailments.

### ANOTHER DISPUTE ENDED.

China Secures Peace by Granting Large Concessions to Germany.

Special to Journal. New York, Dec. 11.—The difficulty between Germany and China has been settled. As China has complied with her demands, Germany will vacate Kiao-Chiau in a few days.

In return Germany will be given a harbor for a coaling station in the Sam-Suh Inlet, over against the Island of Formosa and will also receive considerable territory.

### IS IT A TRIFLE?

#### THAT COMMON TROUBLE ACID DYSPEPSIA, OR SOUR STOMACH.

Now Recognized as a Cause of Nervous Disease.

Acid dyspepsia, commonly called heart-burn or sour stomach, is a form of indigestion resulting from fermentation of the food. The stomach being too weak to promptly digest it, the food remains until fermentation begins, filling the stomach with gas, and a bitter, sour, burning taste in the mouth is often present. This condition soon becomes chronic and being an every day occurrence is given but little attention. Because dyspepsia is not immediately fatal, many people do nothing for the trouble.

Within a recent period a remedy has been discovered prepared solely to cure dyspepsia and stomach troubles. It is known as Stuart's Dyspepsia Tablets and is now becoming rapidly used and prescribed as a radical cure for every form of dyspepsia.

Stuart's Dyspepsia Tablets have been placed before the public and are sold by druggists everywhere at 50 cents per package. It is prepared by the Stuart Co., Marshall, Mich., and while it promptly and effectually restores a vigorous digestion, at the same time is perfectly harmless and will not injure the most delicate stomach, but on the contrary by giving perfect digestion strengthens the stomach, improves the appetite and makes life worth living.

Weldon, N. C., December 10.—R. R. Browning & Son, one of the largest mercantile firms of Littleton, have assigned liabilities, about \$4,000, with assets more than \$20,000. Failure to collect forced the firm to the wall.

Washington, December 10.—Silver men are much pleased with the proposition to put Senator Daniel on the Finance Committee. The Senator should be assigned to this important committee, would have to resign from one of his other committees. It is understood that he will get off of the Judiciary Committee, where he has been regarded as one of the ablest and most useful members.
