### IS IT POSSIBLE

That A. & N. C. Railroad May  
Go in Lease?

Southern Officials Still Badgered on  
Pass Question. Fence on Capital  
Square Coming Down.  
No Alarm From Small  
Pox. Fell 45 Feet.

JOURNAL BUREAU,  
RALEIGH, N. C. Jan. 18, '93. f  
Col. Andrews, H. W. Miller, J. B. Munson and Mr. Potts, all of the Southern Railway were yesterday notified to appear before the R. R. commission on January 25 to show cause why they should not be "punished" for contempt. Mr. Miller, Mr. Munson, Mr. Potts and Mr. S. Otto Wilson today went to Durham to appear before Judge Robinson in answer to a summons, to testify in a case against the Southern Railroad before the Durham county Superior court as regards tree passes.

Warden Russell at the penitentiary has notified Mayor Russ that he can get convicts whenever he is ready for them to do the paving around Capital square. The State and city are to bear together the cost of this paving. Belgium block will be used except around near the Supreme court building. Phosphate rock will be used there, so as to deaden the sound and not disturb the court.

The execution of John Evans of Rockingham is to take place on the 26th unless some other evidence comes up in his favor.

It is said that Senator Pritchard will not consider the appointment as a successor to Judge Dick as the U. S. District Judge. The resignation of Judge Dick was received yesterday by President McKinley.

Raleigh is not at all alarmed about small pox at Wilmington. If it spreads there compulsory examination may be required here, but even that will hardly be. There is no quarantine against Wilmington from here.

Yesterday Mr. Lonnie Lumsden and Mr. Robert Little while working on a scaffold 45 feet high struck a weak plank and fell to the ground. Neither of them were seriously hurt, though scratched up and bruised.

Several capitalists are contemplating the building of a big bonded warehouse here.

Rumor has it that there is a probability that the Railroad Lease case may be taken out of court. In the proposed compromise the lease of the Atlantic and North Carolina Railroad is contemplated.

The Southern Bell Telephone company has filed objections as to the order of the R. R. Commission reducing rate of rental of telephone instruments. Among some things they say that the present board of R. R. Commission is not a legal one.

Sheriff Jones will today send deputies out to collect taxes due, and after Feb. 1st he will garnish.

The survey of the proposed railroad from Raleigh to Lillington began this morning.

The heavy iron fence around the Capital is being taken down. It was put there in 1853. In some places it rises six or seven feet above the street level. It is on a heavy granite curbing.

There was a slight snowfall here last night, but a sheet set in and swept it away.

The farmers in this State are being warned against the "limbless cotton," as a complete fraud.

The bond of L. A. Bristol for \$11,000 as permanent receiver of the Piedmont Bank at Morganton was today filed in the Wake county Superior court clerk's office.

### THE TROUBLES OF CUBA.

Blanco May Resign. Insurgents Kill-  
ing Autonomists. Havana Quiet.  
Special to Journal.

KEY WEST, Jan. 18.—It is stated at Havana that Captain General Blanco may soon resign. Spain is dissatisfied with his policy in dealing with the troubles in Cuba.

Several emissaries of autonomy have been caught by the Insurgents and executed as traitors.

At the last reports the situation in Havana is unchanged but quiet.

### CATARRH OF THE STOMACH.

A Pleasant Niple, But Safe Effective  
Cure For It.

Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure on the heart and lungs and difficult breathing, headache, feeble appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue, and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, to a roughly digested before it has a time to ferment and irritate the delicate mucous surfaces of the stomach.

To secure a prompt and healthy digestion is the one necessary thing to do, and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlanston the safest and best treatment is to use after each meal a tablet, composed of Disastase, Aseptic Pepsin, a little Nux. Golden Seal and fruit acids.

These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets, and, not being a patent medicine, can be used with perfect safety and assurance that health, appetite and thorough digestion will follow their regular use after meals.

Mr. N. J. Booher of 2710 Dearborn St., Chicago, Ill., writes: "Catarrh is a local condition resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom, passing backward into the throat, reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of stomach without cure, but today I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling."

I have found flesh, appetite and sound rest from their use. Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, catarrh of stomach, biliousness, sour stomach, heartburn and bloating after meals.

Send for little book, mailed free, on stomach troubles, by addressing Stuart Co., Marshall, Mich. The tablets can be found at drug stores.

Special to Journal.  
Washington, Jan. 18.—The Senate Finance Committee has reported favorably the resolution providing for bond payments in silver as well as in gold.

### COTTON MILL QUESTION.

Shutting Down in New England  
States. Congress Will Investigate  
the Matter.

Special to Journal.  
Washington, January 18.—Congress will investigate the strike now beginning among the New England spinners, especially at New Bedford.

Representatives in Congress from Southern States resent the statements made that the Southern cotton mills are ruining those North in the manufacturing of goods. They contend that other reasons can be given.

The cotton mills at Biddeford, Maine, have shut down. There are none running at New Bedford, Mass. The New Hampshire mills are also shutting down.

In New Bedford the number of mills is eighteen and employ 9,000 persons. The wage reductions in the New England States go into effect in 150 mills and the number of employees affected is 150,000 in round numbers and the reduction makes a difference in their wages of \$75,000 a week.

### SANFORD B. DOLE.

President of Hawaiian Republic  
Now in This Country.

Says He is Not Here for Lobby-  
ing. Some Think His Pres-  
ence Harmful to the Cause.

Question of McKenna to  
Come Up Friday.

JOURNAL BUREAU,  
WASHINGTON, D. C., Jan. 18.)

More than one advocate of the annexation of Hawaii regrets that Mr. Dole, the President of the Republic of Hawaii, did not stay at home while the annexation treaty was under discussion by the Senate, instead of rushing to Washington, where his presence cannot possibly do any good and where it may do harm. The result of the debate on the treaty, as far as it has gone is not as encouraging as the friends of the treaty expected it to be. They are still short of the number of votes to ratify the treaty, but the opponents are also short of the number needed to defeat it. The fate of the treaty is in the hands of the five or six Senators who have announced themselves to be in doubt and to be open to conviction either way.

President Dole, who arrived in San Francisco from Honolulu on the steamer Peru yesterday made this statement:

"I do not come to the United States to work for annexation. I am merely on a friendly visit to this country as its President. I expect to remain in San Francisco three or four days, when I will start direct for Washington and will there call upon President McKinley."

It was deemed best by the Hawaiian government that during the consideration of the annexation treaty I should be in Washington and advise the Hawaiian legation on certain questions. It is not my intention to make any argument or do any lobbying for annexation. Of course, if I am called upon by the United States government to give any information I will readily do so."

The A. P. A. not only failed to prevent the nomination of Attorney General McKenna to be a Justice of the Supreme Court, being favorably reported, but it got knock downs on the floor of the Senate from both friends and opponents of Judge McKenna, for trying to inject a religious issue into the matter. At the request of Senator Allen, the Senate postponed a vote on this nomination until Friday of this week, to enable him to investigate some of the charges filed, but confirmation may be regarded as certain. The A. P. A. has upon more than one occasion controlled the House, but it has never won even a skirmish in its numerous attempts to control the Senate.

## RIVERSIDE,

With desirable occupants and owners, I now make for a limited time the following advantageous proposal:

### LOTS!

ONLY \$250.00. \$5 CASH DOWN.  
BALANCE \$1.00 A WEEK.

**Why Pay Rent**

When for \$5 cash down and payments of \$1 per week, you can buy a desirable lot, and after the lot is paid for, erect a handsome cottage, to be paid for in monthly installments. Or if you want to build at once, for \$250. cash and small monthly payments, you can buy a lot and build a house in a good locality, where values are absolutely sure to advance.

Under my home building system you can build at once after a cash payment of the value of the lot. I will build for you a house, or will advance you the money to build.

You extinguish both principal and interest by monthly installments, paid exact: the same as rent, but with this difference—if paid for rent, every dollar is wasted, if paid under my system, every dollar is saved.

A more favorable opportunity will never be offered, to provide a home. You should act at once. Size of lots 50 x 200 feet.
