AGAINST BLANCO.

Bitter Feeling Against The General By Volunteers In the Spanish Army. Regulars Also Hate Him.

HAVANA, Cuba, January 19.—Absolute calm now reigns in Havana, and it is difficult to realize that a few days ago the city was apparently on the verge of a revolution. Although the rioting was practically over on Friday night, troops continued to be poured into the city up to Sunday. General Bernal arrived from Pinar del Rio on that morning with a force estimated at 2,000 men and bivouacked in the railroad yards in Prado, where most of the forces still remain.

About the same time a column of one thousand cavalry rode in and found quarters in the Cañal de Le Fuerza. In Cuba street, on the artillery wharf, batteries of field artillery were planted in position to rake Cuba and Chacon streets. All public buildings along the harbor front from the Plaza de Armas to the Punta were crammed with troops and large bodies of cavalry, and infantry were held in reserve in the streets adjacent to Central Park. It is estimated that fully twelve thousand troops are in the city in addition to the regular garrison.

A very probable solution is that the riots were the result of a conservative plot in Spain to overthrow the ministry and General Blanco and to enforce the return of Weyler.

CATARH OF THE STOMACH.

A Pleasant Simple, But Safe Effective Cure For It.

Catarrh of the stomach has long been considered the next thing to incurable.

The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure on the heart and lungs and difficult breathing, headache, feeble appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue, and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has a time to ferment and irritate the delicate mucous surfaces of the stomach.

To secure a prompt and healthy digestion is the one necessary thing to do, and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlanston the safest and best treatment is to use after each meal a tablet, composed of Disantase, Aseptic Pepsin, a little Nux. Golden Seal and fruit acids.

These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets, and not being a patent medicine, can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. N. J. Booher of 2710 Dearborn St., Chicago, Ill., writes: "Catarrh is a local condition resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom, passing backward into the throat, reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of stomach without cure, but today I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling."

I have found fresh, appetite and sound rest from their use.

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, catarrh of stomach, biliousness, sour stomach, heartburn and bloating after meals.

Send for little book, mailed free, on stomach troubles, by addressing Stuart Co., Marshall, Mich. The tablets can be found at drug stores.

His First Reception.

WASHINGTON, Jan. 19.—The lower rooms of the White House were brilliantly lighted tonight and filled with flowers, which mingled their bright colors with the green of garlands and tropical plants, while from the conservatory, at the west of the mansion, came the familiar strains of the Marine Band. The occasion was the first official reception at the White House of the present administration.

EASY AT LAST.

Politicians Have Their Minds At Rest on Certain Jobs.

Railway Commission Case. Judge Fuller Goes West. Another Farm Leased. Seven New Deputies. Catch of Fish. Pardons at Beaufort.

JOURNAL BUREAU.

RALEIGH, N. C., Jan. 20.

Some of the politicians here now rest easy. The District Attorney has been appointed and Bernard gets the place. Chadborne gets the Wilmington postoffice and Lyre Glenn gets the Greensboro postoffice. The Raleigh postoffice will probably fall to Baily of North Carolina.

All the council in R. R. commission case have returned from Washington City. The U. S. Supreme court may render its decision on the case without hearing argument or they may send for the council to come on later and argue the case.

Mrs. Watson, whose husband shot her last October, and then killed himself, died early yesterday morning where she had been taken to see if the bullet could be located and extracted from near the spinal cord.

Ben Fields, who was sentenced to be hanged on the 18th, for poisoning a man named Keel in Edgecomb county was, a few hours before the execution was to have taken place, commuted to life imprisonment.

A leading Populist says that the past will be forgotten and that the Butler and anti-Butler factions will soon be united.

Judge L. C. Fuller left today for his court in Santa Fe, New Mexico. He will be gone until the end of March.

At a meeting of the Raleigh druggists' association held yesterday, E. G. Birdsong was elected president.

The stockholders of the new Republican paper will meet here tonight. It is probable that the paper will be made a semi-weekly.

Another farm was leased by the executive committee of the penitentiary ward, and confirmed by the ward. Two acres of sugar beets are to be put in on each farm to test the idea of the sugar beet industry in the State.

Old Skinner last night gave a fine production in his "Prince Rudolph."

The Railroad commission has summoned Maj. J. W. Wilson to appear before "the court" next week. Major Wilson will be pretty sure to give the new holders of the commissioners' office a lively time, for he never whips the devil around the stump.

Miss Sallie Stockard, one of the four female students at the University will graduate with the class of '98. It will be the first time a female has ever received a diploma from the N. C. University.

U. S. Marshall Dockery has appointed seven new deputies. They will be required to give \$5,000 bonds before they get their commissions.

The Underwriters Insurance Company was formed in Greensboro with a capital of \$100,000. There is so much inclination to start local companies.

The catch of fish in the State, 141,828,000, last year was enormous. This is given by the labor commissioners report. The value of the catch is \$1,813,618.

The President of the Republican League says that Governor Russell has promised to canvass the State and it is probable he will do so.

The governor has pardoned two of the grave yard insurance men who were convicted at Beaufort last year. One was Delden Delemar, white, and the other was William Fisher, colored. Both were in dreadful health.

ZOLA'S HOUSE GUARDED.

Continued Demonstrations by Students in Paris and Provincial Towns of France.

PARIS, Jan. 19.—As a precaution to prevent disturbances the bridges from the Latin Quarter were today guarded by police and the residences of MM. Mathieu Dreyfus and Emile Zola were guarded. A small mob of students assembled outside the Law school with the usual cries, but the police prevented a serious demonstration.

Russians Concentrating.

BUDAPEST, Jan. 19.—Considerable surprise has been caused here by a dispatch from St. Petersburg to the Cologne Gazette announcing that Russia has formed two new army corps on the German and Austrian frontiers, at Vilos and Klief.

GRANARIES NOT NEEDED.

At Least Sir Michael Says So. Canada Censured in Regard to the Navy.

LONDON, January 19.—Sir Michael Hicks-Beach, Chancellor of the Exchequer, speaking at Bristol today, ridiculed the notion of providing granaries, as had been suggested in some quarters. He said he was convinced the British navy was strong enough to hold its own and in any war England would have many friends ready to supply corn.

* Referring to the budget estimates, he said these would show that the government was fully alive to keeping up the standard of the army and navy; though he declared it was not creditable to Canada, or fair to English tax payers that such a colony should contribute practically nothing to the naval defences of the empire.

He hoped Canada would soon turn her attention to this matter, adding that he was convinced that if she did not, the day would come when she would have "a rude awakening which would be entirely her own fault."

FOR THE PURPOSE OF BUILDING UP AND SETTLING

RIVERSIDE,

With desirable occupants and owners, I now make for a limited time the following advantageous proposal:

LOTS!

ONLY \$250.00. \$5 CASH DOWN.
BALANCE \$1.00 A WEEK.

Why Pay Rent

When for \$5 cash down and payments of \$1 per week, you can buy a desirable lot, and after the lot is paid for, erect a handsome cottage, to be paid for in monthly installments. Or if you want to build at once, for \$250. cash and small monthly payments, you can buy a lot and build a house in a good locality, where values are absolutely sure to advance.

Under my home building system you can build at once after a cash payment of the value of the lot. I will build for you a house, or will advance you the money to build.

You extinguish both principal and interest by monthly installments, paid exactly the same as rent, but with this difference—if paid for rent, every dollar is wasted, if paid under my system, every dollar is saved.

A more favorable opportunity will never be offered, to provide a home. You should act at once. Size of lots 50 x 200 feet. Full information, maps, etc., call on
