### THE FLEETS ASSEMBLING.

Other Nations Sending Their Men of War Into the Waters of Havana Harbor.

Special to Journal. WASHINGTON, January 26.—The news comes from Havana that a number of foreign warships arrived today. These are vessels belonging to the British, German and French governments. The nations of the world are now well represented in the Havana harbor.

### LETTER FROM HANCOCK.

Writes to the Governor. Denial of all Charges Against Him.

Special to Journal. RALEIGH, N. C., Jan. 26.—Governor Russell today received a letter from Robert Hancock, President of the A. & N. C. Railroad in which he denies all the charges that have been made against him by the Abbots.

He accompanied his letter of denial by letters from New York City from relatives of Miss Abbott in New York in which they bear out Hancock's statement of his relations to the girl while in that city.

Hancock says in his letter that so far as he knows the character of the girl is good, and that his relations with her have been entirely proper, and that he never made any threats or tried to intimidate her in any way.

### St. Louis Hurricane.

St. Louis, Mo., Jan. 25.—A gale that reached the highest velocity of any that has visited St. Louis since the tornado of May 27, 1892, prevailed today. Its velocity was 66 miles an hour.

Two deaths, one fatal injury and several minor casualties were reported, and there was considerable destruction of property.

### FIGHTING MATERIAL SUNK.

Fillibuster Tilted Lost at Sea. Four Men Go Down and Much Cargo.

PROVIDENCE, R. I., Jan. 25.—Nineteen survivors of the wrecked fillibustering steamer Tilted were brought to this port by the coasting schooner Governor Ames today. Four men were lost. Capt. John O'Brien, a famous fillibuster, known as "Dynamite Johnnie," was among those saved.

The rescued men bring word that the Tilted was abandoned off Barnegat, N. J., last Sunday afternoon in the midst of a terrible storm. It is believed that she was scuttled by traitors who had joined the party on board for the purpose of destroying the vessel.

The nineteen who were saved escaped with great difficulty. The other four men could not be taken off and went down with the vessel.

Forty tons of dynamite, three dynamite guns and a considerable quantity of ammunition, intended for the Cuban insurgents, were on board the Tilted when she sank.

### BLIZZARD STILL RAGING.

Over Two Hundred Miles of Country the Storm King Holds Away.

Special to Journal. CHICAGO, January 26.—The great Northwest storm of wind and snow still rages over thousands of square miles of country.

In all the cities the streets are blocked and street car traffic has ceased. Telephone wires and poles are down in every direction.

The damage to the delay of trains and the loss of perishable goods is very great. In Chicago the suburbs are quite isolated from the city.

## ALWAYS THE GOVERNOR.

### The Usual Daily Exhibition of His Doings.

Tucker is No More. Small Pox Attracts Attention. Convicts For Public Roads. Pensions Paid Confederate Veterans. More Passes.

#### JOURNAL BUREAU.

RALEIGH, N. C., Jan. 26.

The Railroad Commissioners at their meeting yesterday had the pleasure of having quite an array of Southern officials before them. They also had the pleasure of hearing some pretty plain words. No decision in the contempt cases was rendered; Col. Andrews and the others ate their breakfast at their homes this morning instead of "behind the bars." Col. W. A. Henderson of Knoxville, Tenn., general counsel for the Southern made a brilliant argument for his clients.

Today sees the end of a firm that has been in existence here for over 60 years, "W. H. & R. S. Tucker & Co." today closes its business and the two gentlemen T. H. Dobbin and J. F. Ferrall who will open in the place of Tuckers will do so in their own names.

The appearance of small pox in Charlotte while it is in Wilmington and Rockingham naturally makes people here a little restless. It may be that the Board of Health will take the matter in hand and require vaccination.

One of the commissioners of Cabarrus county came yesterday to complete arrangements for the 40 convicts that are to be carried to that county for work on the public roads.

The lovers of comic opera will enjoy "Wang" here on January 31st.

The Raleigh Eucree club was elegantly entertained at the home Miss Lydia Hoke last night.

Dr. Eben Alexander of the State University, who has been minister to Greece, will, on February 11th deliver an address on "Greece and its people," for the benefit of Good Shepherd church.

It will be remembered that Governor Russell was requested by the New York World to wire some cotton mill statistics a few days ago. Your correspondent gave an out line of the Governor's reply, but did not know that he had added as "gratuitous" a fling at Dr. Abbott, the railroad commissioner that does not let Governor Russell think for him, nor who does not always think as the Governor. He intimates that Dr. Abbott can be bought by Pierpont Morgan, but that his two rascals Giddwell and Pearson cannot. Republicans here last night were indignant that the Governor should have so slandered Dr. Abbott.

The machinery for the shirt factory at the penitentiary arrived yesterday and will at once be put in position. The penitentiary is allowed to do the washing for residents of the city and many patronize it. Thus convict labor is brought in competition with free labor, and those who help convict labor would be loud in their denunciations of one who had to stand to live after the means of living was taken from them and given to those who little needed it, rather than to the State.

There is little doubt but what Ewart will be the successor of Judge R. P. Dick. It is not known who will be Ewart's successor. The Governor has not given it out.

Tomorrow the passenger rate question comes up before the R. R. Commission and on Friday the Southern Express Company will be asked why it "Dead Headed" expressage to his honor the Governor.

Some time ago the plan to establish a library at the city graded schools was started. There are now but 1,000 volumes. These were contributed to the pupils mostly. Some books have been bought by money raised by different entertainments and some given by citizens. These 1,000 books are in the Centennial school—at the Murphy is another library of the same kind.

Since 1890, when the first pension law went into effect there has been paid to Confederate Veterans in pensions \$764,000, so says Auditor Ayer. This does not include the special appropriation to disabled soldiers.

It is not yet known whether the Bell Telephone will appeal from the R. R. Commissioners rate or not. If not the rate will go into effect Feb. 1st.

The penitentiary bought the Castle Hayne farm but never paid for it. It nevertheless did not hesitate to sell about \$6,000 worth of material. The penitentiary must be in straits. Even the directors not knowing its debts.

The Southern R. R. has issued a cir-

cular saying they will issue no more free passes to railroad employees families. This will be a hard blow if it is carried out.

Judge Robinson was yesterday a witness in Goldsboro as to his "toting" a free pass.

### TREATED ALL RIGHT.

The Battleship Maine Sailed and Courtesy Extended.

WASHINGTON, Jan. 25.—A telegram was received from Consul General Lee by the State Department this afternoon and was taken by Assistant Secretary Day to the White House for the information of the President. General Lee said that the Maine had been received with every courtesy. The commanders of the German and Spanish ships of war in the harbor had called upon the commander of the Maine, who had returned their calls; the Spanish forts had fired salutes, and all the ceremonies demanded by naval etiquette had been observed. In addition the Consul General stated that everything was tranquil in Havana.

### The Nashville Contest.

NASHVILLE, Tenn., Jan. 25.—A vote was taken in each branch of the Legislature today for United States Senator. As the Democrats are largely in the majority there was no election. Most of them did not vote.

The Democratic caucus met again at night and took eighteen ballots. The last and eighty fifth ballot stood McMullin, 37; Turley, 27; Taylor, 26.

The indications still point to a deadlock, and the feeling is growing that there may be no election of a Senator.

### A Chinese Reception.

WASHINGTON, Jan. 25.—The Chinese minister and Madame Wu gave one of the most beautiful card receptions of the season this afternoon to celebrate the Chinese New Year. The white marble mansion occupied by the Chinese legation was filled in the late afternoon hours with a distinguished concourse of visitors. The Chinese minister and Madame Wu welcomed the guests in the yellow drawing room at the left of the main entrance.

The minister greeted the guests first in the Chinese fashion, while each of them wished him a happy New Year. The minister's "dress" was especially elaborate composed of rich brocades, and he wore the buttons and jewels denoting his rank.

## FOR THE PURPOSE OF BUILDING UP AND SETTLING RIVERSIDE,

With desirable occupants and owners, I now make for a limited time the following advantageous proposal:

Located on National Avenue, and others equally desirable. All lots to be connected with complete Sewerage System.

### LOTS!

ONLY \$250.00. \$5 CASH DOWN. BALANCE \$1.00 A WEEK.

Every man of moderate means, and every man working on a salary, may own a home. Buy a home and pay for it in installments. When the first payment is made, I will give you a guarantee to make you a deed for the lot when all payments on same are made, "a pass book for weekly payments."

Safer than a savings bank, and far more profitable. When the lot is paid for, I will build you a MC EERN COTTAGE, (your choice of plan) to be paid for in monthly installments. Payments but little more than you would pay rent. For example, a cottage costing \$2,000, will cost in monthly payments, \$30, for 7 years, and the house and lot is yours.

If you want a smaller cottage, say to cost \$1,000. The monthly payments will be \$15. At the end of 7 years you own a house and lot in a desirable locality, increasing in value every day.

You should act at once. Size of lots 50 x 200 feet. Full information, maps, etc., call on
