JOURNAL BERNEAU, RALEIGH, N. C. Jan. 27, '93. The A. & M. college students petition Governor Russell to allow a squad of convicts to put in order at once the athletic and parade grounds out at the college. The Governor refused them to the superintendent of the penitentiary.

CATARH OF THE STOMACH.

A Pleasant Simple, but Safe Effective Cure For It.

Catarh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure on the heart and lungs and difficult breathing, headache, feeble appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue, and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has a time to ferment and irritate the delicate mucous surfaces of the stomach.

To secure a prompt and healthy digestion is the one necessary thing to do, and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harrison the safest and best treatment is to use after each meal a tablet, composed of Distasate, Aseptic Pepsin, a little Nux. Golden Seal and fruit acids.

These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets, and, not being a patent medicine, can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. N. J. Boucher of 2716 Dearborn St., Chicago, Ill., writes: "Catarrh is a local condition resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom, passing backward into the throat, reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of stomach without cure, but today I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling."

I have found flesh, appetite and sound rest from their use.

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, catarrh of stomach, biliousness, sour stomach, heartburn and bloating after meals.

Send for little book, mailed free, on stomach troubles, by addressing Stuart Co., Marshall, Mich. The tablets can be found at drug stores.

The R. R. commission had to hold its session today in the State Library, there was such a large number of Railroad officials here to hear the commission on the reduction of passenger rates.

Senator Butler demands a freight rate reduction, and it is supposed the R. R. commission will soon make the reduction. He directed a reduction of passenger rates.

It is believed that Butler has found it to be impossible to form a new party out of Butler Pop. Russell Republican and a few weak Democrats and has so told Russell.

PASSED BY SENATE.

Teller Resolution on Payment of Government Bonds.

To Pay Them at Option in Gold or Silver. Friends of Cuba Play off Against Hawaii. Ewart's Nomination Sent to Senate.

Special to Journal. WASHINGTON, Jan. 27.—The Senate today passed the resolution introduced by Senator Teller of Colorado, making bonds of the United States payable in gold or silver at the option of the government.

The Teller resolution as passed is as follows: RESOLVED, That all the bonds of the United States issued, or authorized to be issued, under the said acts of Congress heretofore recited, are payable, principal and interest, at the option of the Government of the United States in silver dollars of the coinage of the United States containing 412 2/3 grains each of standard silver; and that to restore to its coinage such silver coins as a legal tender in payment of said bonds, principal and interest, is not in violation of the public faith nor in derogation of the rights of the public creditor.

This resolution is the same as the Stanley Matthews resolution passed by both Houses of Congress in 1878.

The object of the silver men in passing the resolution is thought to be that they desire to demonstrate that no currency reform bill can be passed this session in the Senate. The debate on the resolution has resulted in drawing the lines more closely between the two forces.

The vote on the treaty of annexation with Hawaii stands in a fair way to be considerably delayed. A fresh complication has arisen by the action of the friends of Cuban independence. They have determined to delay consideration of the treaty until, as they say, they can ascertain the intentions of President McKinley towards the Cuban cause.

This afternoon the President sent to the Senate the name of H. G. Ewart, Judge of the Western Criminal court of North Carolina, to be United States Judge of the Western District of North Carolina.

BONDS REPUDIATED. Buncombe County Repudiates its Obligations. Decision By Judge Norwood.

ASHEVILLE, N. C. January 26.—Superior court Judge Norwood, at Waynesville today, decided that the Buncombe bonds of the Asheville and Spartanburg Railroad are null and void.

A permanent injunction is issued against the county treasurer. Defendants gave notice of appeal to the Supreme court.

Judge Norwood based his decision on the grounds that as the construction of the Spartanburg and Asheville Railroad was not begun until after the election authorizing the subscription and the issuing of the bonds was held, and as the county had no pecuniary interest in the road at the date of making the subscription and issuing these bonds, there was no legal authority for the holding of such election, that the making of the subscription and the issuing of the bonds
