RECEPTION TO OUR GUEST.

President and Mrs. Dole Attend a White House Reception in Honor of Congress and the Judiciary.

WASHINGTON, Feb. 3.—The second reception at the White House by the President and Mrs. McKinley, given in honor of Congress and the Judiciary, took place tonight and was a notable occasion, attended by the members of the diplomatic corps and representatives of the army and navy and of resident society. The President of the Hawaiian republic and Mrs. Dole were invited to stand next to the President and Mrs. McKinley in the receiving line and to be presented to the guests as they passed the line.

The historic mansion was adorned with greens and flowers in the most elaborate manner. The East Room and the Red, Blue and Green Parlors were decorated with tall palms and tropical plants, which filled every available space. The Marine Band was stationed in the conservatory and the Sixth Cavalry Band of Fort Myer in the corridor at the extreme east, so that the bands, playing alternately, furnished continuous music. As the invitations were limited there was no crowding, and the arrangements were carried out in such perfect detail that the event was as great a success as the preceding one.

Anson For Baltimore.

BALTIMORE, Feb'y. 3rd.—Adrian C. Anson of Chicago will play first base for Baltimore the coming season, if he will consent to do so. Manager Hanlon will offer him every inducement that he can afford to have the "Grand Old Man" come to Baltimore—whether Anson can be induced to do so is another question.

Cubans Dynamite a Train.

HAVANA, Feb. 2.—The insurgents have dynamited a passenger train near Guara, Havana, partly destroying the engine and derailing the cars.

A detachment of Spanish cavalry has been engaged, with an insurgent force, at the Agnayo plantation, Havana province. The Spanish report of the affair says the insurgents lost seventeen men killed, that four insurgents were captured and that the Spaniards had seven men wounded.

FREE TO MILLIONS.

A Valuable Little Book Sent Free For the Asking.

Medical books are not always interesting reading, especially to people enjoying good health, but as a matter of fact scarcely one person in ten is perfectly healthy, and even with such, sooner or later sickness must come.

It is also a well established truth that nine-tenths of all diseases originate with a breaking down of the digestion, a weak stomach weakens and impoverishes the system, making it easy for disease to gain a foothold.

Nobody need fear consumption, kidney disease, liver trouble or a weak heart and nervous system as long as the digestion is good and the stomach able to assimilate plenty of wholesome food.

Stomach weakness shows itself in a score of ways and this little book describes the symptoms and causes and points the way to a cure so simple that anyone can understand and apply.

Thousands have some form of stomach trouble and do not know it. They ascribe the headaches, the languor, nervousness, insomnia, palpitation, constipation and similar symptoms to some other cause than the true one. Get your digestion on the right track and the heart trouble, lung trouble, liver disease or nervous debility will rapidly disappear.

This little book treats entirely on the cause and removal of indigestion and its accompanying annoyances.

It describes the symptoms of acid dyspepsia, nervous dyspepsia, slow dyspepsia, amyloceous dyspepsia, estasis of stomach and all affections of the digestive organs in plain language easily understood and the cause removed.

It gives valuable suggestions as to diet, and contains a table giving length of time required to digest various articles of food, something every person with weak digestion should know.

No price is asked, but simply send your name and address plainly written on postal card to the F. A. Stuart Co., Marshall, Mich., requesting a little book on Stomach Diseases and it will be sent promptly by return mail.

THE LION ROARS.

The Naval Strength of Britain Concentrating in the East.

No Backdown by Salisbury As Reported. England Aroused by the Apparent Timidity Of the Government. No Surrender to Russia.

Special to Journal. New York, February 3.—It is reported from London that the British fleets are ordered to concentrate in the East.

The Indian, Australian and Pacific squadrons are directed to reinforce the British warships now in Chinese waters. London, February 2.—The announcement by the Pekin correspondent of the London Times that Great Britain has definitely withdrawn her demand for the opening of the Chinese port of Ta Lien Wan has created much surprise and excitement among politicians, and was eagerly discussed at the clubs.

The liberals vigorously denounced the reported backdown of the British government, while the conservative members of the House of Commons did not conceal their bitter disappointment. Many declined to credit the report until it should be officially confirmed, and a prominent conservative this afternoon offered a liberal opponent to pay a substantial sum to a public charity if the reported backdown should be confirmed. The liberals declare it would be a humiliating surrender to Russia and a severe blow to British interests and prestige.

The press throughout the country is extremely indignant at Lord Salisbury's alleged backdown at Ta-Lien-Wan. Conservatives, no less than liberals, bewail the supposed retreat from an unassailable position on the ground that Great Britain, supported by the United States and Japan, might safely have defied Russia. It is understood that the government is angry with the Times for revealing the position.

SAN FRANCISCO, February 2.—The steamer Ito de Janerio, which arrived today from Hong Kong and Yokohama, brought the following Oriental advices:

The Japanese standing squadron has been ordered to leave Yokosuka for Chinese waters on January 20th, shortly before the Rio left Japan.

A Tokio paper states that there are some sixty thousand troops in Vladivostok ready to take the field at a moment's notice.

Our Fruits Shut Out.

BERLIN, February 2.—The Prussian minister of finance, Dr. Miguel, issued a decree yesterday, which goes into effect immediately, prohibiting the importation of every kind of American fresh fruit. The decree has been sent to all the German and frontier stations excepting Bavaria, Saxony and Wurtemberg. The United States embassy was not previously warned, and the United States ambassador, Mr. Andrew D. White, sent a formal letter to the foreign office today inquiring upon what authority this intemperate step was taken.

RIVERSIDE,

With desirable occupants and owners, I now make for a limited time the following advantageous proposal:

LOTS!

Located on National Avenue, and others equally desirable. All lots to be connected with complete Sewerage System.

ONLY \$250.00.

\$5 CASH DOWN.

BALANCE \$1.00 A WEEK.

Every man of moderate means, and every man working on a salary, may own a home. Buy a home and pay for it in installments. When the first payment is made, I will give you a guarantee to make you a deed for the lot when all payments on same are made, "a pass book for weekly payments."

Safer than a savings bank, and far more profitable. When the lot is paid for, I will build you a MODERN COTTAGE. (your choice of plan) to be paid for in monthly installments. Payments but little more than you would pay rent. For example, a cottage costing \$2,000, will cost in monthly payments, \$30, for 7 years, and the house and lot is yours.

If you want a smaller cottage, say to cost \$1,000. The monthly payments will be \$15. At the end of 7 years you own a house and lot in a desirable locality, increasing in value every day.

You should act at once. Size of lots 50 x 200 feet. Full information, maps, etc., call on A. M. BAKER, Agent, 57 Pollock Street. **WILLIAM DUNN.**
