### WRITTEN EXAMINATIONS

#### To Be Given All Applicants For Law Licenses.

Trains to Make Close Connections. Gay Society Doing. Prison For United States Convicts. Negro Convicts Escape. Demands Its Rights.

JOURNAL BUREAU, RALEIGH, N. C. Feb. 10, '98.

The Supreme court today took up the case of Mr. McMillan, only to do nothing for him. They decline to grant him license, and simply say the incident is closed so far as the court is concerned.

The court passed a rule that hereafter the applicants for license must send in written examinations, so as to avoid all future trouble.

On the 18th the Southern train and the S. A. L. one going east and the other going north will connect here. As it has been for some time, there was a misconnection of about 15 minutes here, that while it meant but little to the railroads, meant much to the passengers.

The Federal court has about finished the docket, and the jury has been dismissed. The equity docket is still open and on Saturday Judge Purnell will hear several of those cases set for that day.

The Leazar Literary Society at the Agricultural and Mechanical college will on Friday night, the 18th, hold its fifth oratorical contest. The two literary societies of the college are, the Leazar Society and the Pullen Society. These young men are very enthusiastic as to their clubs, and so they always make an evening pleasant to those who attend their debates.

An invitation has been extended to the Agricultural and Mechanical college cadets to go to the New Berne Fair. It is now settled that they will not go. There are about 150 of them that have been vaccinated and some fifty or more are laid up from this.

The young society folks here are going to make the most of the time between now and Lent. There are two clubs among the girls and first one member and then another entertains the club. Miss Mary Byan entertains the "Thaliban club" on Friday night and Miss Eliza

### INTENSE SUFFERING.

From Dyspepsia and Stomach Trouble.

#### INSTANTLY RELIEVED AND PERMANENTLY CURED.

A New Discovery, But Not a Patent Medicine.

Dr. Redwell relates an interesting account of what he considers a remarkable cure of acute stomach trouble and chronic dyspepsia by the use of the new discovery, Stuart's Dyspepsia Tablets.

He says: The patient was a man who had suffered to my knowledge for years with dyspepsia. Everything he ate seemed to sour and create acid and gases in the stomach; he had pains like rheumatism in the back, shoulder blades and limbs, dullness and distress after eating poor appetite and loss of flesh, the heart became affected, causing palpitation and sleeplessness at night.

I gave him powerful nerve tonics and blood remedies, but to no purpose. As an experiment I finally bought a fifty-cent package of Stuart's Dyspepsia Tablets at a drug store and gave them to him. Almost immediate relief was given and after he had used four boxes he was to all appearances fully cured.

There was no more acidity or sour watery risings, no bloating after meals, the appetite was vigorous and he has gained between 10 and 15 pounds in weight of solid, healthy flesh.

Although Stuart's Dyspepsia Tablets are advertised and sold in drug stores yet I consider them a most valuable addition to any physician's line of remedies, as they are perfectly harmless and can be given to children or invalids or in any condition of the stomach with perfect safety, being harmless and containing nothing but vegetable and fruit essences, pure pepsin and Golden Seal.

Without any question they are the safest, most effective cure for indigestion, biliousness, constipation and all derangements of the stomach however slight or severe.

Stuart's Dyspepsia Tablets are sold by druggists everywhere at fifty cents for full sized package.

Busbee entertains the "Fin De Sciele" club Monday. The young men are always invited and in this way the girls return the hospitality of the "Euphrosyne club" that has given so many delightful Germans.

The printing establishment of Mr. E. M. Uzzell has been closed by the sheriff and the entire outfit will be sold at auction on March 3rd.

Mr. Claude Dockery, chairman of the penitentiary board, has been to Washington City to see the Attorney General as regards making the North Carolina penitentiary a prison for U. S. prisoners from the Southern States. The department will investigate the matter, and if it is found that there will be work enough to keep them constantly employed an order will probably be issued designating this as a receptacle for U. S. convicts. Now they have to be carried to Columbus, Ohio or to New York.

Two of Raleigh's druggists yesterday received a check for \$25.00 each as a prize offered for the biggest sales of "Bromo Seltzer."

Tonight "The Milk White Flag" held the boards at the Opera House. Next week, "The Wilbur Opera Company" plays a week's engagement here.

Collector Duncan has written to the civil service commission asking whether he cannot appoint all store keepers and grocers. He has reappointed the old clerks and deputies mostly, possibly because he knew they were fully protected by the civil service law.

The Democrats are urged to organize and begin work at once. It is declared by many that they are too slow in getting themselves together.

Last night four negro convicts with terms of two to five years escaped from the county workhouse. With a piece of steel they loosed the mortar around the hearth stone, pried it up and digging out, fled. They were fired upon, and one of them, Dick Bridgers, was shot at five times, and was finally captured this morning.

Cabarrus county after demanding convicts of the State penitentiary as prescribed by the enactment of the last legislature, and being refused, has brought suit to test the law on the matter.

**A North Carolina Vandal.**  
WINSTON, N. C. Feb. 9.—The Grand North Carolina Exposition car is here and is being visited and admired by thousands of people. While in Kernersville last night Julius Hestor, a fifteen-year-old boy, was caught by one of the managers mutilating some of the fine pictures on the outside of the car. A warrant was issued for him today and an officer went after him. But the boy's father promised to have his son here for trial tomorrow. The manager says it will cost them several thousand dollars to have the damage repaired.

**Laughs At a Sentence.**  
Lutegert the Sausage Man Not Impressed With the Jury's Verdict.  
CHICAGO, Feb. 9.—Adolph L. Lutegert was tonight convicted of the murder of his wife, and sentenced to imprisonment in the penitentiary for the term of his natural life. Lutegert received the verdict with a laugh.

It was 10:50 o'clock when word was sent to the court room by the jury that they had agreed upon a verdict, and were waiting to bring it into court. Quickly as possible after the jury had sent word of an agreement, Judge Gary hastened to the court room.

The news of a verdict spread like lightning to the street, and in a few minutes the court room was jammed with newspaper men, politicians, witnesses who had given evidence in the trial, and curious spectators.

### DOWN IN DISGRACE.

#### Spain's Insulting Minister Hamiliated by His Own Government.

Spain Notified to Act Quickly For the Safety of De Lome. Comment of the English Press. How the Letter Came Out a Mystery.

SPECIAL TO JOURNAL. WASHINGTON, Feb. 10.—President McKinley demands from Spain the immediate recall of Minister de Lome. The communication is made through minister Woodford at Madrid.

De Lome has made no pretense of not having written the insulting letter to Canalejas. The Madrid papers, however, are trying to ascribe the matter to a plot of the Cuban sympathizers.

This afternoon Minister de Lome received the acceptance of his resignation from Spain. At the same time Premier Sagasta notifies Minister Woodford, and through him the Secretary of State that de Lome will be recalled in disgrace in order to humiliate him.

Minister Woodford has notified the Spanish Ministry that de Lome must leave this country in a hurry. Else the United States would not be responsible for the safety of the indiscreet official.

The most objectionable paragraph of the letter written by de Lome is as follows: "Besides the natural and inevitable coarseness with which he (McKinley) reports all that the press and public opinion of Spain has said of Weyler, it (the message) shows once more that McKinley is weak and catering to the rabble and besides is a low politician who desires to leave a door open to me and stand well with the Jingoes of his party."

Minister de Lome has been the Spanish representative for the last three years, a period that covers nearly all the late troubles in Cuba since the outbreak of the revolution.

The English papers say that the de Lome incident adds greatly to the complication between the United States and Spain in Cuba. Their general comment is that the chances of trouble between the two governments are largely increased by the attack on the American President.

De Lome is expected to leave Washington at any moment. The exact manner in which the letter became public is not yet known.
