Entered at the Post Office, New Berne, second class matter

Official Paper of New Berne and Craven County.

New Berne, N.C. April, 30, 1898

In the discussion of the question again better than win by such of Democratic-Populist fusion in means." North Carolina during the next This is strong language of Col. campaign, Democrats should not Waddell's yet every one who knows ments on the subject, to carefully says comes from the heart, that the consider this point and ask themsel. thought of fusion is abhorrent :o ves what has this advocate to gain him, as it must be to every true left a human being until the life was by striving for fusion, and what Democrat. does that advocate fear to lose if The Democratic party and the fusion does not take place?

In this question of fusion or no opinions of these two prominent fusion, of following Marion Butler, ci izens and men whose democracy lives. or fighting a straight out Democratic is unquestioned. contest, the matter of whose opin. Should not these opinions have or a rolling pin just as accurately as a ion is given on the subject, is of vast weight? And must not every man."-Cleveland Plain Dealer thinking man realize how impossiimportance.

Senator Butler through his per- ble for anything bat evil, will Demsonal newspaper, has already begun (cratic-Pepulist fusion prove to be Rev. Thomas Underwood Dudley. The bishop had gone to Beattyville, to charge that Democrats who do if entered upon? not want his leadership, and will not have it, are Ransom machine, Cleveland Democrats and under the control of corporations.

If Butler's charges were based upon a scintilla of fact, they might be proven false, but to such a mannfacturer of political straw men, which he can set up and knock down at will, Senator Butler stands without an equal, and controversy is young matron entered and made a third impossible sgainst such materials as to the party. This particular matron he employs.

Senator Butler's reasons for fusion bridey" with the Democrats on State issues, have the same basis as his desire to fuse with Republicans in 1896, namely to advance the personal in terests of Marion Butler.

At this day and time, it would seem a waste of time on the part of Senator Butle", to pose as a political philanthropist. He may try it but he deceives no thinking person. things about women attending to their

The opinions of two staunch, true and then he goes away mad." and tried Democrats, who have expressed themselves on this issue of Democratic-Populist fusion, are especially worthy of thought, and the most careful consideration of every Democrat and every sincere worthy son of the Old North State.

platform. I would rejoice to see Mr. Bryan elected President, but I Mr. Bryan elected President, but I am not willing to see my party enter the open market and bid against the Republican party for Mr. Butler agree to accept such conditions, be-

and his followers, at the upset price of voting for him or his allies for the most important offices affecting a born and two or three violins and a and get eights made at good a mindred. These are two luxuries I would most surely indulge myself in. I'd have the music played by a small orchestra, say a horn and two or three violins and a the welfare of the State. The fight flate and a bass viol, and I'd have it here is one between barbarism and civilization-between white men music given by colored voices. There's here is one between barbarism and civilization—between white men and negroes manipulated by un-principled demagogues. Mr. But-ler and his friends put the latter in the Vine. That's a song calculated to inspire the most singgard appetite. I dishonored the State. If he wants remember hearing it once on a Missisdishonored the State. If he wants sippi river boat. A lot of us were to undo his foul work because it was aboard, and in the party was Hooker of foul, it is very easy do ac; if he wants to undo it, ouly on condition with banjos, guitars and a fiddle. I that he and his followers shall cor - maked 'em if they ever sung, and they tinue to hold office. I will never said they did sometimes. Well, they struck up 'When the Watermelon Hangs agree to accept such conditions, be-cause it would be condoning a gree t beard it before, and it nearly set him
