THE AMERICAN STATURE.

The Loss of an Inch In Height Might

In a paper read by Major Henry S. Kilbourne, surgeon United States army, before the Association of Military Surgeous of the United States, he advocated the theory that the physical power of a race or people—and consequently their capacity for work—is measured by their other business as may come before the ous of the United States, he advocated average stature. For every inch of height between five and six feet the extreme breathing capacity is increased eight cubic inches, the vital capacity being at its maximum at 35 years. A 7th, at 12 o'clock m., and elect de table of measurements of 190,621 native to attend the County convention. white Americans, accepted for the mili-tary service of the United States, shows that the number of men below 63 inches in height is but little greater than that these men are drawn from all parts and

25 years of age, Major Kilbourne concludes that the commingling strains of Celtic, Danish, Norwegian and German blood among our people have thus far worked no deterioration of physical quality. "Not so with the swarthy, low browed and stunted people now swarming to our shores. Absorbed into the body of the people, these multitudes must irretrievably evolve an inferiority of type. To what he may owe before leaving for realize the result of such a contingency the war, if he contemplates volun- let it be considered that the loss of an teering. -A COMPLETE LINE OF-Buggies, Poad Carts and Harness. No.'s 118, 120 and 122 Middle Street,

10 43 FOR THE PURPOSE OF BUILDING UP AND SETTLING

With desirable occupants and owners, I now make for a limited time the following advantageous proposal :

Located on National Avenue, and others equally desirable. All lots to be connected with complete Sewerage

854 ONLY \$250 00. \$5 CASH DOWN. BALANCE \$1.00 A WEEK.

Every man of moderate means, and every man working on a salary, may own a home. Buy a home and pay for it in installments,
When the first payment is made, I will give you a guarantee to make you a deed for the lot when all payments on same are made, "a pass book

for weekly payments." Safer than a savings bank, and far more profitable, When the lot is paid for, I will build you a MC ERN COTTAGE. (your choice of plan) to be paid for in monthly installments. Payments but little more than you would pay rent. For example, a cottage costing \$2,000, will cost in monthly payments, \$30, for 7 years, and the house

and lor is yours. If you want a smaller cottage, say to cost \$1,000. The monthly payments will be \$15. At the end of 7 years you own a house and lot in

desirable locality, increasing in value every day. You should act at once. Size of lots 50 x 200 feet. Full information, maps, etc., call on
