WASHINGTON, June 29-The insurgen General Garcia says that General Pando printed across the face are being sold. is moving toward Santiago with eight thousand Spanish troops.

General Pando began a desperate effort to get his troops to Santingo as soon as it was known that the Americans would land and begin the invasion of Cuba in the vicinity. He commands the most important body of Spanish troops aside from General Linares' forces, in eastern Cuba. He was ordered by Blanco to proceed with all possible haste toward San

General Pando's army was fifty miles rom Santiago, according to the Cuban conts. The route they have to take rom Manzanillo to Santiago is difficult and the Americans believe that the city can be captured before the Spanish reinforcements can arrive,

Every day the Americans grow strong r while the Spanish grow weaker. General Shafter says that when the ttack is made Santiago can be taken within forty-eight hours.
