

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP CO. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

A DAY IN THE CITY.

The weather forecast for today is showers.

The Atlantic Reel Team will give an excursion to Morehead next Friday. Train leaves at 9 a. m.

Arrived, Schooner Mary, Robt. F. Geddes, master; laden with coal from Norfolk, to load for Washington, D. C.

There was a false alarm of fire yesterday at 12:30 o'clock. The bell did not ring but the hose wagons went up town on the jump.

The steamboat sail which was to be given by T. J. Mitchell's Sunday school class this evening, is postponed until Friday evening on account of the dampness of the weather.

The C. G. V. Society are requested to meet this, Tuesday, afternoon at six o'clock at the home of Miss Mary B. Smallwood. It is important that there should be a full attendance as business of importance will be transacted.

The weather change is as pronounced towards a lower temperature as it was upwards a week ago, and the meteorologist registering in the sixties yesterday. Rain and a northeast wind made heavier clothing a necessity.

Hollowell & Peterson will run an excursion from Goldsboro to Morehead City on July 31st, passing New Berne at 11 o'clock a. m. The train will return on evening of 2nd and reaching New Berne at 5:30. This will afford our people an opportunity of spending two days and a night at Morehead City and the fare for the round trip is only fifty cents.

Down by the Sea.

ATLANTIC HOTEL,
Morehead City, N. C.

To my surprise I found about two hundred and fifty people down here enjoying the refreshing breezes which blow perpetually across the deep sea and over onward through the Atlantic, cheering the young and exhilarating the old with the coolness and health renewing saltiness.

Saturday's regular evening train brought in a large crowd from up the country and the summer special arriving an hour or two later had aboard many passengers who came to spend the heated days of July by the sea-side. The Pettijohns are exerting themselves to please the visitors and they are eminently successful. When one gets within sight of the hotel, flags are waved as an invitation to enter and the band plays patriotic airs to welcome the new comers. The same spirit of thoughtfulness on the part of the managers is apparent everywhere about the hotel.

Saturday night thirty-five or forty of the young ladies and gentlemen danced the german led by Mr. Tom C. Daniels. The ball room was gayly decorated with flags and bunting and the floor was in splendid condition. There were many pretty girls among the dancers who would glide as the dream of summer thro' the waltzes played by the orchestra. Some of the dancers were: Misses Lullie Ives, Bessie Williams, Mamie Daniels, Lizzie Hancock, Belle Marks, of New Berne; Miss Dowd, of Durham, Misses Skinner, Latham, Hooker, of Greenville; Miss Clark, of Wilson; Mrs. Humphrey, of Goldsboro; Mrs. Pettyjohn, of Atlantic; Messrs. T. W. Dewey, Harry Hyman, S. L. Hill, Jr., A. T. Hill, Harry Marks, Rom Nunn, of New Berne; J. H. Dunn, of Rocky Mount; Geo. Denny, of Richmond; and Messrs. Pace, Cherry, Marshall, Gilliam, Barnes, Forbes, Pettyjohn, Humphrey.

Quite a number of New Berne people are down here: Mrs. O. H. Gulon and children, Mr. and Mrs. James A. Bryan, Miss Laura Hughes, Mrs. J. R. B. Carraway, Mrs. D. F. Jarvis, Miss Lillian Roberts, Mrs. M. A. Moore, Mrs. Charles Duffy and son Mr. Richard Duffy, Mrs. B. S. Gulon and children; Mr. and Mrs. O. F. Harvey of Kinston; Mrs. Julius Lewis of Raleigh; ex-Governor and Mrs. T. J. Jarvis, of Greenville are here.

The house party chaperoned by Mr and Mrs P. H. Pelletier and Mrs R. P. Williams has been a grand success. They have the Assembly building fixed very comfortably where they live in elegant style. They will break up Tuesday morning.

From the rooms engaged, it is certain that the latter part of July and August will see some gay times at the Atlantic. Quite a number of Raleigh people will be among the guests.

A large New Berne house party goes down Wednesday afternoon and will have quarters in Assembly Hall for a couple of weeks.

There was a beautiful wedding at Oak Grove church, Bachelor, July 5th, at 8:30 p. m. As the organ gave forth the melodies of the Mendelssohn wedding march, Miss Nannie Becton and Mr. Dula Salter were happily united in marriage.

The church was well crowded with relatives and friends of the young couple. At the head of the main aisle stood a high arch covered with cedar and bamboo vines in which were entwined white jasmynes. Gates covered with the same white flowers and bamboo vines opened before the arch. Great quantities of beautiful palms and flowers were arranged on the sides. Back of the arch the pulpit was beautifully decorated with palms, flowers and vines.

The first of the bridal party to enter the church were two little boys, Masters Geo. Bell and Geo. Gilbert acting as pages. Next in order were the five bridesmaids and the five groomsmen. The bridesmaids were Misses Sadie Becton, Bertha Bell, Abbie Whitehead, Mamie Brooks and Mamie Becton. The groomsmen to correspond were Messrs. Earnest Webb, Herman Rice, Claude Taylor, Clarence Marshall and Hugh Salter.

The bride was elegantly gowned in white and wore the white veil and carried a bouquet of white flowers. The bridesmaids were also dressed in white each bearing in hand a bouquet of white flowers. The ceremony was performed by the Rev. G. T. Simmons, after which Mr. and Mrs. Salter accompanied by some of their friends left for their home at Merrimon. May their future lives be a long and happy one.

Discovered by a Woman.

Another great discovery has been made and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She finally discovered a way to recovery by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night and with two bottles has been absolutely cured. Her name is Mrs. Luther Lutz. This writes W. C. Hamrick & Co., of Shelby, N. C. Trial bottles free at F. S. Duffy, Drug Store. Regular size 50c and \$1.00 every bottle guaranteed.

At a special meeting of Pamlico Lodge No. 4 Knights of Harmony on Wednesday night, July 8th, 1898, a donation was made to the amount of eleven dollars and presented to the widow of F. D. Carraway, deceased.

Mr. Carraway was not a member of the order but had sent for an application and died before receiving it, therefore the order being a friend to the widows and orphans made the above donation willingly and gladly.

THE BIG EVENT.

The Democratic Rally and Barbecue at Fort Barnwell.

Thursday, the 11th of August will see great times at Fort Barnwell for the big barbecue and speaking will be held there on that day.

In the first place the barbecue will be something immense. A whole roasted ox will be on the table. The roasting of the ox will begin the day before and it will be done to a turn. The horns will be preserved as a memento of the occasion.

The barbecue right will be one hundred fine pigs and 3 o'clock in the morning will find them being prepared so that by 12 o'clock they will be fine, very fine.

This is Craven county's feast and treat and Lenoir, Pitt and other adjoining counties are invited. Two thousand people, none less, will be present. The first speaking will begin at 11 o'clock. The speakers announced are the Hon. C. B. Aycock and Hon. Thos. W. Mason of Northampton. No doubt Hon. Jas. A. Bryan and other honorables will be there to lay down the Democratic law in a way they know how.

Fort Barnwell is a pleasant place to visit, 24 miles from New Berne, 9 miles from Dover, and one mile from the banks of the Neuse. This city will be largely represented on the festive occasion.

Messrs. W. C. White and M. D. Lane of Fort Barnwell were here yesterday in consultation over the work, for there is big work getting up such an affair. They are able gentlemen and will do their part. The committee will be announced in a few days.

For Teachers.

The Oriental Academy at Oriental, N. C., desires correspondence with teachers in regard to running a first-class school at that place.

Plans for a modern school building are also desired. Address the Oriental Academy, Oriental, N. C.

Union Prayer Meeting.

The Union prayer meeting will be held tonight at the M. E. Chapel on Pollock street, Members of all the churches invited to attend.

It may not be amiss to say a word about the purpose of this meeting.

It is an undenominational meeting designed to form a basis for the co-operation and fellowship of all Christians in prayer and song and exhortation that will lead eventually to a great awakening in our midst. No man who feels himself a Christian can object to its purpose we are sure. There is entirely too much isolation among Christians. They have no common place of meeting and therefore they don't know each other. Such a prayer meeting as we are trying to have will destroy this tendency and bring us all nearer together and nearer to God.

The Coolest in the City.

During the hot summer, when sweltering humanity finds some little comfort in asking "the other fellow" "is it hot enough for you?" and when in addition, one can seek the shady places or hunt for the refreshing breeze, he is much better circumstanced than man's best friend, the gallant and gentle horse, who being subject to the control of his (too often careless or indifferent) master, has no choice of place where he may seek rest and repose, and as is often the case, confined in hot and unventilated stables, and suffers torments little dreamed of by the indifferent or unobservant.

This much as a preface to the announcement that the new stables of E. S. Street on South Front street, near Hancock, right on the edge of Trent river, through which the prevailing summer Southern breezes, are constantly blowing in the coolest stable in the city, a veritable horse Paradise, and where in addition to the comfort of the horse being assured, the charges for board are so reasonable that any one can afford to keep a horse in comfort, it follows that it is the duty of the wise and prudent to stable his stock with Street.

The collection of rents and accounts given careful and personal attention.
