OTHING THE CLAR INCHITES BETURN Array Cost. Inw Yong, Sept. 30.—With the ex-tion of Germany, all of the grant may of the world have agreed to par-rate in the world have agreed to par-rate in the microsoftonal disarmanium. Appeal to Supreme Court Over

Inipate in the international disarmanous conferences arggested by the Carr of Rumia. Considerable interest exists in lipiomatic circles as to the answer the German Emparor will make to the Carr's proposition: Should Em-peror William finally determine that the interests of Germany were against an tering into such a conference, the whol-plan would undoubtedly fall through. The State Department is taking gree interest in the proposed conference, an although the officials believe the plan chimerical, the Russian government ho been advised that the United States with send a representative to take part. The Judge Furches. tate Treasurer and Anditor's Pig ares do not Agree. Help For Confederate Voterans. Fed-

ng the Mecklenburg county registrar, hrew out 11 of those appointed. Now an appeal to the entire Supreme cour bench will be made.

been advised that the United States will send a representative to take part. The President has not determined who shall be the representative, for the reason a that it is not definitely determined when and where the conference shall take place. So far Great Britain, Italy, France, Spain, Austria and Japan, busides the United States and several smaller pow. S ors, have indicated their intention to be It will be remembered that last winter "Joe Lynch" with his notorious hand of "Lynchikes" took up their abode at Southport, and their mode of living called forth the severest oriticism. Even and at the proposed converties called forth the severest orticism. Even the Governor was asked to rid the State of such immoral people, but of course he took no steps to do so. In the spring they hied themselves away, and nothing was heard of them until this weak when any will make to the Can's whether the conference will held.

It is believed here that when the Ozar receives a reply from Germany, and it should be favorable, he will announce the time and place of meeting, which will probly be after the American and Span-inh peace commission completes its

The Spaniards submit that owing to be see and rank of Montero Rice, presi-tant of the Spanish sense, that he wight under ordinary circumstances to a president of the conference, but in ow of the fact that the Americans we

victorious, suggest as a compromise that Day and Rice sitemate delly in the chair. This point is still under discuss-on, The Americans insist that they thought preside. POLITICS IN THE STATE.

L. Ward, Esq., Tella of the Situatio in Middle and Western Borth Care

tine. ED. JOURNALS-It may be of some in terest to your many readers to hear some-thing of the political situation in middle and western North Carolina. I have just returned from a trij

through Surry county under the direc-tion of the Chairman of the State Execu-

tive Committee, assisting in the sampaig in company with Hon. W. F. Carter of Mt. Airy, and later with Capt. Lovel hey came sailing in from the occan, and anded themselves for the winter. Mt. Airy, and later with Capt. Lovell, candidate for Congress. I rode about a bundred miles through the fertile valleys and beautiful mountains of Surry county. We spoke to large audiences sometimes in the day and sometimes at night. The people are manifesting the greatest in-terest in the political situation. The mountaincer back among the hills rarely Whether they will be allowed to remain there, and preach their vile doctrine, and there, and preach their vice doctrine, and live up to it, right before the eyes of the people remains to be seen. Contracts for putting down piping for carrying the heat on to the Capital from the Supreme court building across the street. It will cost about \$600.

ever seeing a newspaper has someho The registration books were opene ero today. The Railroad commission yesterday and incompetency of the Republica State administration and feels as indig ade the 2 and 23 cent rates ordered on he Wilmington and Weldon railroad, ant as his more enlightened, brother i dant as his more enlightened, brother in the more populous centers. There is a great deal of patriotism among these hospitable people and a grim determina-tion to have an accounting with the Re-publican party for its utter failure to properly administer the State govern-ment. Among the lofty peaks of this beautiful country the Pilot mountain ply only to the main line from Weldon o Wilmington. "1492" drew a big house last night.

but it was said that a few years ago no adies would have been seen there, as "lights" predominated, and they were very tight." The interest in the State Fair to be

cautiful country the Pilot mountain owers aloft. Nature has placed upo dd this month does not abate. Everything is in a stir at the grounds, cleaning painting, etc. Col. Cunningham and Mr. ts summit a peculiar formation rese ng a cupola, or observatory, upon a tal uilding. The Indians called it "Pilor" ichols are not holding up on their work because when hunting they could shap their course by its tall dome. Wending r the fair.

State Auditor Ayer says that there starids about. \$70,000 of appropriation made in 1885 and 1897. He says ther round among the hills and seeing thi all peak M seemed to me that the signs is in the State Treasury about \$300,000 A conference was held today between I a great storm was waving from its

tate and the loumblest citizen back moog the bills has been found and in-tructed. It was a great task but Mr. Sumona has been equal to the occasion. The people are thoroughly aroused on this subject of a non-partiaan judiciary and our judges stand an excelle for election.

in the side of W. C. Hargett of Company 3 which passed through into his arm. The wound is not at all sectors.

Surry county gave over 400 majority or the Republicans two years ago, but seems almost cortain that it will give It seems almost certain that h, will give as large a majority for the Democrats this year. Capt Lovell is confident that the Republican majority of 8506 in his district will be overcome and a good safe majority for the Democrats scenred. With men like Judge Connor and Mr. Garror in the next legislature there will he a feeling of safety and security in the blase.

There is no cause for gloom. The sum any go down in the shalles of blackness subject but we have faith that it will rise a greater spinodor tomorrow. D. L. WARD.
