**A DAY IN THE CITY.**

Fair and cooler weather is the forecast for today.

Sales of cotton on the local market yesterday were 25 bales, ranging from 4.75 to 4.85.

A fine Keller pear grown by Mr. M. W. Carmon near this city was shown yesterday. It weighed one and one half pounds and measured 14 inches around the centre.

Some of the fields outside of town have more the appearance of spring than of fall. They are covered with a growth of green peas and the vines are in full blossom.

Two rapid fire guns are on the E. C. D. dock, having been brought by the steamer Newberne. The guns are for the cutter Boutwell which is expected to arrive at this port shortly. They are three inch guns and of course are breech loaders with improved breech locking devices.

**PERSONAL.**

Capt. Charles B. Keeler of Portsmouth, is in the city.

Mr. Seth West of Dover arrived in the city last night.

Mr. S. W. Smallwood left yesterday morning for New York.

Mr. M. Hahn returned yesterday from a visit to New York.

Mr. Edward Bangert, who has been on a pleasure trip to several northern cities, returned home yesterday.

Ms. and Mrs. W. T. Hill returned yesterday on the steamer Neuse from a northern pleasure trip.

Judge Henry B. Bryan returned last night from attending the Episcopal convention at Washington, D. C.

Hon. Jas. A. Bryan, Democratic nominee for the Senate, left yesterday morning to fill his appointment in Green county.

**A Fine Craft.**

The steamer Neuse arrived as promised yesterday morning. The steamer made a fine show as she came up the river with all her flags flying and glittering in a fresh covering of white paint.

A large crowd was on the dock as the steamer arrived and were much interested in the improvement of the vessel. The Neuse is ready for the fall travel and will be found even more hospitable and pleasant than ever before to its passengers and the traveling public.

DeWitt's Witch Hazel Salve has the largest sale of any Salve in the world. This fact and its merit has led dishonest people to attempt to counteract it. Look out for the man who attempts to do so, where you call for DeWitt's Witch Hazel Salve the great pain cure. It is the best.

**THE NEGRO DEPART.**

Opinion Given the Negro Convicts At the Depot. A White Man Chained to a Negro. Sheriff and Negro Deputies.

Not less than 500 negroes were at the depot yesterday morning to bid farewell to the prisoners being taken to the penitentiary. The crowd was waiting and when Joe Hahn and his two negro deputies arrived with six prisoners, there was a rush to see them and the car was invaded in short order.

There was one white man among the prisoners, Tom Rollins who was sent up for larceny for six months. He was chained to a negro. Sheriff Hahn announced several days ago that on his next trip to the pen, he would chain a white man and a negro together. He kept his word.

The names of the negro convicts were Charlie Cook, one year; Cesar Dudley, one year; Mack Sykes, three years; Jack Bryant, one year; Jess Nelson 8 months. The white man was chained to Mack Sykes, who was sent up for three years.

**Hope to Convert Him.**

A strong Populist of Dover, Mr. R. F. Waters has two Democratic friends who are thoroughly in earnest against negro fusion, and they believe that if Mr. Waters would read a good, Democratic paper he would see the true light.

Mr. Waters agreed to do so, and the two Democrats subscribed for the Journal and ordered it sent to their Populist friend and as he has promised to read it the medicine should take effect by election day. At any rate it cannot be a good effect.

**A Hero of Clenfogues.**

Robert Volz, of Carteret county has been home on a visit and was in New Bern yesterday intending to leave by the steamer Neuse for New York.

Volz was a sailor on the gunboat Nashville and was wounded in the breast, head and arm by Spanish bullets. It was during the fight at Clenfogues that he was wounded, when the boat crews of the Nashville were sent out to cut the cable and did the work under a deadly fire from the shore. Volz was in the hospital for five months. He has been transferred to the battleship Indiana and is now on his way to that vessel.

**Democratic Speaking.**

**It is Full Time.**

"A very peculiar state of affairs exists down in our State in regard to politics this year," said Mr. W. F. Bennett, of Charlotte, N. C., last night at the Riggs House. "The Republicans are pretending to be very busy all over the State, but at the same time Republican speakers are scarce as hen's teeth. It is as plain as daylight to everybody down there that the Republicans are not making the speeches, but that they are making the Populists do it for them. The Populists are playing right into their hands. Two years ago we had five or six of the best men in the State in the field, but this year they are not out. The republican fusion bosses are sending out the Populist speakers to fight the democrats and are probably paying them for it. As long as they can keep the Populists and the democrats fighting each other these bosses have the hope of keeping themselves and the negroes in power. And I think it is high time that the Populists broke away from this ring rule and voted the white man's ticket."—Washington Post.

**THAT JOYFUL FEELING.**

With the exhilarating sense of renewed health and strength and internal cleanliness, which follows the use of Syrup of Figs, is unknown to the few who have not progressed beyond the old-time medicines and the cheap substitutes sometimes offered but never accepted by the well-informed. Buy the genuine. Manufactured by the California Fig Syrup Co.

With each box of Duffy's candles you get a photograph of the cruiser Raleigh, 103 Middle street.

**TRUE TO HIS WORD.**

Prominent Republican of Charlotte Will Vote Democratic Ticket.

Promised to do so if he Found Reports to be True. Went to Wilmington. Returns and Makes a Sworn Statement.

The following account is taken from the Charlotte News. It is the story of a Republican who has investigated matters for himself and has decided to vote the Democratic ticket.

"Mr. Charles F. Eadie, of this city, who has been a life long Republican and has never voted anything but the Republican ticket, has just returned from a trip to Wilmington. Mr. Eadie is not only a Republican, but two years ago was the Republican candidate for constable of Charlotte township against Mr. Irwin (Democrat). He has been a prominent fusionist worker, and was a sincere advocate of the principles of fusion.

"Last Wednesday Mr. W. F. Howie and several other Democrats were discussing the situation in eastern North Carolina, and Eadie remarked that he was a Republican and a consistent one, but that he believed in white rule as much as any man did; that he had read the reports in the Democratic newspapers about the situation in New Bern and Wilmington, but thought that they were greatly exaggerated. Mr. Howie then told Mr. Eadie that if he would go to Wilmington, and investigate the situation there, and did not find it as stated, he would pay his expenses there and back, and the following agreement was entered into.

"It is agreed that if upon going to Wilmington there are 17 negro policemen including health officers, 40 negro magistrates and one negro register of deeds, I will vote and work for the Democratic party in the coming election. The expenses to be paid by W. F. Howie. This October 6th.

CHAS. EADIE.

Witness: W. C. Dowd.

Mr. Eadie then offered to go to Wilmington to see the exact state of affairs there, and said that he would report the situation exactly as it was.

Mr. Eadie left Charlotte for Wilmington on Thursday morning. The result is shown in his own words.

"I found conditions there much worse than I had ever expected to find.

"I am so disgusted with the conditions of affairs down there that my mind is fully made up. I do not think that there is a white Republican or Populist in Mecklenburg county, if he went to Wilmington and saw the condition of affairs there as I saw them, could vote the fusion ticket this year, and thus help to perpetrate negro rule in eastern North Carolina.

"Though I am a Republican in principle and have heretofore always voted the Republican ticket; at this election I shall cast my vote for the Democratic State and county ticket. I believe that it is the duty of every white man in this county to vote that ticket this year. A vote for the fusion legislative ticket in Mecklenburg county, is a vote to perpetuate such conditions in eastern North Carolina."

CHAS. T. EADIE.

Sworn to and subscribed to before me, this October 10, 1898.

**MARY ROBBERIES.**

Very Bold One at Pollockville. Her First Attempt. The Robbers Robbery.

Pollockville, Oct. 12.

A bold and defiant robbery occurred here last night about 8 o'clock. The store of John Whitty & Son was entered by prising open the front shutters and breaking a large pane of glass. After getting into the store they filled a lamp with oil, lighted it, pillaged the store taking shoes, shirts, white and colored hampers, a new Waterbury watch and chain, a lot of Johnson's chill tonic, 1 volume of "Pilgrims Progress" and several other articles.

After leaving there they proceeded further down the street to the store of Chas. Whitty, effecting an entrance at a front window. The clerk, Mr. John R. Horner, was sleeping up stairs, heard the noise below and raised a window and saw them run in front of the store, one of whom told him he had better go back to bed, whereupon Horner proceeded to snap a pistol twice at the burglars, falling to fire each time. Mr. Horner left the store for help but the robbers had gone when he returned. But they were there at the foot of the bridge trying to break in Mr. F. M. Bowden's store as was proven by finding an iron bolt carried from Whitty's store with which they tried to prize open the side door. This is the second time John Whitty's store has been robbed within 15 days.

These bold robbers will yet meet their match if they continue operating in this burg. Some of us have guns that never fail to fire and they are in hands who know how to handle them.

KENYON, October 12.

The Reelboro section is overrun with burglars. On last Saturday night Mr. J. B. Reel's store was entered through an upper window and his iron safe opened and robbed of money, vouchers and one check, to the amount of 50 or 60 dollars, besides some notes and valuable papers.

If any goods were taken they were not missed, but it seems that the burglar was not satisfied, as he did not get the drawers out of the safe, and on Tuesday night he returned and broke open a window in the rear of J. B. Reel's store, entered and went through the safe, got more money and a pistol, and not being satisfied yet went up to H. A. Reel's store and broke open a window and entering went through his drawers and got a few pennies and escaped.

It is not known when he will return for more money, but the people will try to be better prepared to receive him next time.
