

SYRUP OF FIGS
NEVER IMITATED IN QUALITY.
THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the California Fig Syrup Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP CO. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not grip or nauseate. In order to get its beneficial effects, please remember the name of the Company—

All Glad to See Him.

Dr. N. H. Street who has been North for several weeks enjoying a much needed rest, returned last night and was given the glad hand by his numerous friends.

Prominent Republicans Who Will Vote For White Supremacy.

Present Conditions Cannot Be Endured. Bellere in White Government. Ask All Republicans to Help the Good Cause.

The Republican who is not a politician and on the hot chase after office, believes in White Supremacy as ardently as anyone. When he is a business man and has seen and appreciated the blight that negro rule casts on North Carolina and on this city in particular he is anxious to help dispel the whole black cloud.

A Virginia gentleman visiting in New Berne a short time ago said that this city had so many advantages that it seemed bound to grow and be a thriving place, and that the tobacco interests of this place should become very great. "But," he said, "the moment people who desire to make investments visit you they will retreat. They will not put their money in a place dominated by negroes. Moreover you do not seem to fully appreciate the gravity of your position," he said, "you have become so accustomed to seeing the negro in power that you are not fully alive to the injury he is doing to your community."

It is true that New Berne is not yet so aroused as Wilmington. But there are men here who are willing to devote their "lives, their fortunes and their sacred honor" to redeeming the good old town. With these men are the good citizens of every party.

The following card speaks for itself. It is signed by men who would lend their names to no unworthy cause. In every instance they are men highly respected; and occupy an exalted position in the commercial circles of our city. Messrs. Hawk and Aberly are connected with the Pine Lumber Company, Mr. Cooper with the Treat Lumber Mill; Mr. C. L. Ives has an interest in several large lumber firms, while Mr. Geo. N. Ives is well known to the people of North Carolina as a wholesale shipper and packer of fish and oysters.

These men were originally from the north as the card tells. But they believe that intelligence and decency shall rule. The card is commended to the careful attention of all Republicans.

To Our Fellow Citizens of North Carolina:

Prior to our residence in North Carolina, we the undersigned, invariably supported the Republican ticket. We still believe in the fundamental principles of the Republican party; but we here and now distinctly announce our intention of voting the Democratic ticket at the coming election.

For the past two years we have witnessed the fruits of a Republican administration in North Carolina. It has resulted in a condition which is sufficient to call forth a protest from every self-respecting white man. We firmly believe in Anglo-Saxon Supremacy, and will therefore vote to abolish the present disgraceful state of public affairs in North Carolina.

We earnestly appeal to all Republicans who believe in white supremacy to unite with us in our effort to restore good and honest government in the old North State.

Rev. J. E. Hutson, who is now holding a meeting at the Middle Street Baptist church, will occupy that pulpit at the morning and evening services today. He will also give a special address to children and young people this afternoon during the Sunday School hour, beginning at 5 o'clock. To everybody is extended a hearty invitation to attend all these services.

Mr. Hutson has preached four evenings here with great acceptability and growing interest. His sermons are brief and pointed, abounding in felicitous expressions and apt illustrative incidents, and marked by persuasiveness of master, simplicity of statement, clearness of thought, and cogency of argument. The services will continue this week, afternoons and evenings. The meeting given promise of most gratifying results.

White Man's Rally at Goldsboro.

The A. & N. C. Railroad have agreed to sell round trip tickets to the great Rally of the white men of North Carolina on Friday, October 28th at Goldsboro for \$1.00 round trip.

Craven county will be represented in force, we should have at least 500 people from Craven on this day. White men from all over the State will be there to take part in the mass meeting. Special delegations from counties in the western part of the State will be in Goldsboro on this great day to look into the situation of eastern North Carolina. Every white man in this county owes it to himself and posterity to attend this great Rally.

Men of Craven turn out and help redeem our beloved State from this present corrupt and incompetent Republican misrule.

WORN-OUT WOMEN

Most women are druggists. Some are willing, some are unwilling. Some women drudge for themselves, some for their family. Their routine is endless; no matter how ill they feel they work. Women never half take care of themselves. Early decay and wrecked lives abound, mainly through neglect. Every woman should have the book called "Health and Beauty," which the Pe-r-u-na Medicine Co., Columbus, O., will mail on request. It tells women some easy things to do to protect health, and all about the virtues of Pe-r-u-na for women's peculiar ills. Miss Lizzie Peters, Mascoutah, Ill., writes:

"I am perfectly cured of female weakness by taking Pe-r-u-na and Man-a-lin. I have gained thirty-seven pounds since I began taking Pe-r-u-na. My friends are wondering what makes me look so bright and healthy. I would like to let the world know what a wonderful medicine Pe-r-u-na is."

Woman's diseases are mainly catarrh of the pelvic organs. Pe-r-u-na drives out every phase of catarrh. Mrs. Eliza Wilco, No. 120 Iron Street, Akron, O., writes:

"I would be in my grave now if it had not been for your God-sent remedy, Pe-r-u-na. I was a broken-down woman, now I am well."

Ask any druggist for a free Pe-r-u-na Almanac for the year 1899.
