BURN "RECORD" BUILDING.

Lives Are Lost.

Thirteen Negroes Killed. One
White Man Dead. City Govern-
ment Resigns. New One
Formed. Col. Waddell
Made Mayor. Aid
From Outside.

WILMINGTON, November 10.—The
great meeting at the Court House Wed-
nesday night resulted in decisive action
today. Resolutions were passed order-
ing the negro Manly to leave and take
with him his printing outfit. Twelve
hours were given for a reply.

The meeting was also inclined to
oust the city administration. This was
prevented by calmer counsel. It was
declared that the Legislature would soon
meet and make a clean sweep of the
City Hall from top to bottom. How-
ever the following was added to the res-
olutions.

"It is the sense of this meeting that
Mayor S. P. Wright and Chief of Police
Jno. R. Melton, having demonstrated
their utter incapacity to give the city a
decent government and keep order
therein, their continuance in office being
a constant menace to the peace and wel-
fare of this community, they ought
forthwith to resign."

When at the expiration of the twelve
hours, no word was received from the
negro leaders promising that the negro
Manly would leave and take with him
his newspaper plant, armed citizens be-
gan assembling at the Wilmington Light
Infantry Armory on Market street.
Six hundred men armed with Win-
chester rifles took up the line of march
to the brick building occupied by the
Daily Record, situated on the corner of
Ninth and Nunn streets in the south-
east quarter of the city.

The building was entered and the
printing press and other material was
demolished.

Fire broke out in the building, and it
soon became a complete wreck. The
great crowd stood off and watched the
building burn to the ground. The Fire
Department turned out and the fire was
limited to the Record building.

While this was going on the city was
being vigilantly guarded, six armed men
being stationed on each block. The
business houses were all closed and traf-
fic came to a stand still.

About an hour after the burning of
the Record building, at 11 o'clock, a fight
began in "Brooklyn," at Fourth and
Harnett streets. This was in the north-
ern section of the city a long distance
from the first scene. Two white men
were shot. William Mayo, a well known
and popular young man, was hit and
fatally wounded. He died at the hospi-
tal later in the day. George Plummer
was wounded in the side and Bert Chad-
wick in the arm.

The fire was returned and a number
of negroes fell. The negro who shot
Mayo fell on the sidewalk and was left
lying there.

The first shot was fired by a negro
which is testified to by a sworn state-
ment of a reputable citizen before a
notary. The origin of the riot was as
follows: A mob of one hundred negroes
congregated on the corner, a policeman
approached and asked them to disperse,
whereupon the negroes fired upon a
crowd of white men with the above re-
sult.

The Republican mayor, S. P. Wright,
the Chief of Police, Jno. R. Melton, and
the Board of Aldermen have resigned.
The city was placed under martial con-
trol until a new city government could
be organized and the Wilmington Light
Infantry and the Naval Reserves took
charge of the streets.

Armed men began to arrive from
neighboring towns as soon as the news
spread and delegations of citizens also
came. From Fayetteville 93 arrived at 8
o'clock in the afternoon. Special trains
were provided. Word was sent to Golds-
boro for 600 men but they were after-
wards notified not to come but to remain
ready.

Adjutant General Cowles has ordered
companies of State Guards to Wilming-
ton from Marion, Kingston and Clinton,
and they are being carried by special
trains.

No new developments have occurred
since dark tonight. Twelve negroes

charged with the investigation of the
riot were arrested and lodged in jail dur-
ing the day. The Light Infantry and
Reserves with the rapid fire guns went
through the dangerous section. The
negroes are kept in their own sections
and are searched for arms when met
with.

The new government of the city has
been formed. Col. A. M. Waddell has
been made Mayor. The aldermen are as
follows: First ward, C. H. Ganser, J. W.
Kramer. 2nd ward, H. P. West, W. H.
Sprunt. 4th ward, C. W. Worth, P. L.
Bridgers. 5th ward, B. F. King, A. B.
Skedding.

The old members of the Board repre-
senting the ward, B. F. Keeth and C. D.
Morrell, were not present at the meet-
ing and remain on the board. E. G.
Parmele was made Chief of Police. All
quiet at a late hour. Thirteen negroes in
all were killed.

The Resolutions.
Believing that the Constitution of
the United States contemplated a govern-
ment to be carried on by an en-
lightened people; believing that its
framers did not anticipate the enfran-
chisement of an ignorant population of
African origin, and believing that those
men of the State of North Carolina, who
joined in forming the Union, did not
contemplate for their descendants a sub-
jection to an inferior race,

We, the undersigned citizens of the
city of Wilmington and county of New
Hanover, do hereby declare that we will
no longer be ruled, and will never again
be ruled by men of African origin. This
condition we have in part endured be-
cause we felt that the consequences of
the war of secession were such as to de-
prive us of the fair consideration of
many of our countrymen. We believe
that, after more than thirty years, this is
no longer the case.

The stand we now pledge ourselves to
is forced upon us suddenly by a crisis,
and our eyes are open to the fact that
we must act now or leave our descendants
to a fate too gloomy to be borne.

While we recognize the authority of
the United States and will yield to it if
exacted, we would not for a moment be-
lieve that it is the purpose of more than
60,000,000 of our own race to subject us
permanently to a fate to which no Anglo-
Saxon has ever been forced to submit.

We, therefore, believing that we rep-
resent unequivocally the sentiment of
the white people of this county and
city, hereby for ourselves and as repre-
senting them proclaim:

1. That the time has passed for the
intelligent citizens of this community,
owning 95 per cent. of the property and
paying taxes in like proportion, to be
ruled by negroes.

2. That we will not tolerate the ac-
tion of unscrupulous white men in af-
fracting with the negroes, so that by means
of their votes they can dominate the
intelligent and thrifty element in the
community, thus causing business to
stagnate and progress to be out of the
question.

3. That the negro has demonstrated,
by antagonizing our interests in every
way, and especially by his ballot, that
he is incapable of realizing that his in-
terests are and should be identical with
those of the community.

4. That the progressive element in
any community is the white population
and that the giving of nearly all of the
employment to negro laborers has been
against the best interests of this county
and city and is a sufficient reason why
the city of Wilmington, with its natural
advantages, has not become a city of at
least fifty thousand inhabitants.

5. That we propose in future to give
to white men a large part of the employ-
ment heretofore given to negroes, be-
cause we realize that white families can-
not thrive here unless there are more
opportunities for employment for the
different members of said families.

6. That the white men expect to live
in this community peacefully; to have
and provide absolute protection for their
families, who shall be safe from insult
or injury from all persons, whomsoever.
We are prepared to treat the negroes
with justice and consideration in all
matters which do not involve sacrifice of
the interests of the intelligent and pro-
gressive portion of the community. But
are equally prepared now and immedi-
ately to enforce what we know to be our
rights.

7. That we have been, in our desire
for harmony and peace, blinded both
to our best interests and our rights.
A climax was reached when the negro
paper of this city published an article
so vile and slanderous that it would in
most communities have resulted in the
hanging of the editor. We deprecate
lynching and yet there is no punishment,
provided by the courts, adequate for
this offense. We, therefore, owe it to
the people of this community and
of this city, as a protection against
such license in future, that the paper
known as the "Record" cease to be pub-
lished and that its editor be banished
from this community.

We demand that he leave this city
within twenty-four hours after the
issuance of this proclamation. Second,
that the printing press from which the
"Record" has been issued be packed and

shipped from the city without delay,
and that we be notified within twelve
hours of the acceptance or rejection of
this demand.

If the demand is agreed to, within
twelve hours we counsel forbearance
on the part of all white men. If the
demand is refused or if no answer is
given within the time mentioned, then
the editor, Manly, will be expelled by
force.

Kansas Kills Populism.
TOPEKA, Kan., Nov. 9.—Kansas has
elected the entire Republican State ticket
and a Republican majority of the Legis-
lature on joint ballot. The election
practically wipes out of existence the
populist party in Kansas.

The rural districts, which have been
the strongholds of populism, turned
against that party and went Republican
almost without exception. The Popu-
list made gains in the city and towns
on account of the growth of the anti-
prohibition sentiment. Returns received
from the rural districts today gives the
State to the Republicans by 20,000 plu-
rality.

Salisbury Speaks.
LONDON, November 9.—Lord Salisbury
made some significant statements tonight
at the annual Guild Hall banquet, given
in honor of the new lord mayor of Lon-
don, Sir John V. Moore, who was in-
augurated today with the usual parade and
much ceremony.

The Premier denied that Great Britain
was about to establish a protectorate
over Egypt, and also stated that the
United States was a new and disturbing
factor in European politics, but not to
the detriment of Great Britain.

Control of Congress.

New York, November 9.—The Herald
will say tomorrow: Republican control
of both houses of the Fifty-sixth Con-
gress is assured by late returns from close
districts. In the Senate the majority
will be even larger than was indicated
by the returns on Tuesday night. The
Republican majority in the House of
Representatives will be small, but suf-
ficient to insure the organization of the
House by that party and the re-election
of Mr. Reed to the speakership.
