Mayor A. M. Waddell called a meeting of the Board of Aldermen during which Chief-of-Police Edgar G. Parmele reported that he had detailed for service seventy-five policemen, including fourteen who served under the old regime. Chief Parmele stated that in view of the fact that the people generally, black and white, are anxious that order be preserved, the force of seventy five will be amply sufficient to police the city without military aid.

Business has been quite brisk here to day for the first time in several weeks. The Liquor Dealers' Association appeal ed to the Mayor to suspend the special ordiance closing bar-rooms until Wednesday morning; but he declined to allow them to be opened.

It is reported that Deputy Sheriff G. Z. However, it is not credited. Should be come the authorities would find it hard to protect him. He is said to be on his plantation at Rocky Point.

Wilmington's new city government has gotten in thorough working order, and his honor, Mayor A. M. Waddell, supported by a Board of Aldermen, the any city in the country, and a chief of olice, Edgar G. For the last two days reports have een circulated that trouble might arise from a factional fight in the Democratic party. Reports of this difficulty are baseless. No differences exist and the only lesue in local affairs now is the best white man for the office. The Democratic party of this county is solid for good government.

It has been determined that any damage done by the recent riot shall be paid or. Action has been taken and tomorrow settlements will be ready. The negroes will not lose one dollar of prop-

Stuart's Dyspepsia Tablets is a remarkable remedy, not only because it is a certain cure for all forms of indigestion, but because it seems to act as throughly in old chronic cases of dyspepsia as well as in mild attacks of indigestion or billiousness. A person has dyspepsia simply because the stomach is overworked, all it wants is a harmiess, regetable remedy to digest the food and thus give it the much needed rest.

This is the recret of the success of this peculiar remedy. No matter how weak or how much disordered the digestion may be, Stuart's Dyspepsia Tablets will digest the food whether the stomach works or not. New life and energy is given not only to the stomach but to every organ and nerve in 1.2 body. A trial of this spleudid medicine will convince the most skeptical that Dyspepsis and all stomach troubles can be cured. The tablets are prepared by the F. A. Negroes here have circulated among their race, a report that there will be "A Red Man," here tonight who will kill or injure any negro that is seen on the streets, so that all who do not want to personnel of which is the peer of that of home. The idea probably comes from Baking Powder the fact that there will be a number of "Red Shirts" in the procession Governor Russell and his wife have

gone to Asheville for a two days visit to V. S. Lusk and wife. The Governor say is winning the plaudits of all classes of the visit has no political significance, but is for his wife's health. A two days stay will no doubt be a great health restorer. The colored fair managers expected the governor to open their 2nd annual fair today. Possibly that health seeking trip could be more appropriately called, a colored fair avoiding trip, o else to avoid seeing the big Democratic celebration tonight.
