WHO IS THE GOOD CITIZEN ?

Perhaps the estimate on what constitutes a good citizen can be say variously construed as there are per- with some fashionable novelty put forth sons who might analyze the subject. with exaggerated claims, but are certain

may be the rich man, the moderate ly rich, or even the man who has little in this world's goods.

It is a fact to be regretted that the rich man in a community is too often not in the class of what may he termed, its good citizens.

A man may own houses, lots and have a good sized bank account, and yet be very far from a good citizen in the sense of being a factor for good in his community.

ought by every sense of justice be a upon her and for seven years she withto all that is progressive among the people where he lives.

Money in its active use begets money, and the man in a communi ty may continue to augment his wealth, regard himself as a good citizen, and jet be a good citizen only so far as outward respectibility writes W. C. Hamnick & Co., of Shelby, is concerned.

So far from being an agent to foster the development of his community, he does nothing with his wealth. He lends his time and money to no enterprises unless such investment means per cent, upon per cent, for him, individually.

It is nothing to him that the loaning of his time and money shall help his less fortunate neighbor or build up his city. Unless it is per upon and is pleasant and safe to take. cent for him, individually, he will not lend himself to any local enter-

It is this self interest, this exclusive thought of self before all else of one man, and the open heartedness and kindly interest in his neighbor's welfare of another man, which marks the really good citizen.

The one may have much in this rld's good, and yet be of no valu in his community, and in no sense a Lingering colds are dangerous. Hacking good citizen.

The other may have little money, yet with his optimism, his belief in himself and his good will towards his neighbor, assist materially in advancing the social and commercial interest of his community and be in very truth a really good citizen.

ward for any case of Catarrh that can- chances as he thinks he can afford," not be cured by Hall's Catarrh Cure.

Notice for Meeting of Creditors.

New Berne, N. C., Dec. 20, 1898.

In the District Court of the United States for the Eastern District of North Carolina, 8rd Bankruptey Division. IN THE MATTER OF J. D. DINKING

BANKEUPTON.

Esstern District of North Caroline—ss.

Upon the petition of J. D. Dinkins,

Bankrupt, it is Ordered, that a meeting of the Creditors of said Bankrupt to held at New Berne, N. U., in said Bistrict on the 4th day of January. A. D., 1809, at 12 o'clock, M., at the office of b. J. Moore:

Referee, to New Berne, N. U., the Bankrupt of H. Shoumaker, Porry, IU., say the division in said District, for the "A man came into our store the other said said." it want a bottle of the said said.

loose in their heads, so that when the wind bloks the eyes will turn around and look as if they were winking at you. There are long glass trumpets, to be blown like bugies, that give out a heautiful, clear note; little shuttleveeks made out of a comple of cash bound together with red leather and will a hunch of feathers fastened in the holes in the cash, which the children keep in the air by bumping with their heads and striking with their feet; molds for making clay money, whistling tops that spin on a spring held between two sticks and small whistles to fasten on the talls of pet pigeons to whistle as they fly. You will also notice a lot of clay modes of different kinds of animals or fruits or other familiar objects, and for one cash you can take your choice. The toy seller then opens up the bottom tray in his rear basket and shows a bowl of yellow cantly set over a pan of burning charceal to keep it soit. He toke a little flour in the molds to keep the candy from sticking, picks up a little of the soft sweet, which he works had a ten and the sour shape in his fingers and then to keep the candy from sticking, picks up a little of the soft sweet, which he works late a cup shape in his fingers and then draws out, closing up the hole. One end is drawn out longer than the other and then incken off. He places his lips to the broken place and begins to blow, and the lump of candy slowly swels. Then he claps the moids which you have chosen around it and gives a hard blow, breaks off the stem through which he has been blowing, opens the moids, dips a little bamboo stick into the soft sugar and touches it to the side of the candy figure in the moid, lifts it out of the moid and hands it to you on the stick, all in much

hands it to you on the stick, all in much less time than it takes to Philadelphia Inquirer.

The Levada, Madelra. around and price thingsi" Up we go by dusty roads whose piculiar atrocity we failed to understand in the saw the country carts used upon them. The wheels of these vehicles are struck round with projecting losses of iron "in order to take a good grip of the road." Of the earth and dust and loose rocks, of which the read is composed, and scatters the king's highway around generally with consequences that are not scothing to the feelings of the pedestriau. However, up we go—dusty, hot, perspiring, but hopeful, as Calheta, the unspeakable, recedes and the pine woods are reached. Hot places, though, are pine woods, as we find, and when somebody says, "Here is the Levada at length, and we can walk," we joyfully unpack ourselves and turn out upon our feet.

Around stretches a wide amphitheater

Around stretches a wide amphitheater Around stretches a wide amphithester of mountains clothed with fern and heather, and out around the sides is a perfectly level walk beside the water course, or Levala, which runs close to the mountain side in its stone bed. A mile's walk and then we come to the narrow black tunnel into which the water ruus. A bundle of bamboos or of cedar sticks is lighted for a torch, and we plunge into the darkness and the cold. The water drips from the rock above our heads, making pools upon the uneven footway. The Levada flows black and gleaning in the torchlight be-side us.—Black wood's Magazine.

An Enemy's Courtesy When the crossders under King Richard of England defeated the S tan, seeing his troops fly, asked what we the number of the Christians who wer power of South American Nervine Tonic.
Invalids need suffer no longer because this great remedy can cure them all. It is cure for the whole world of stomach weakness and indigestion, The cure between the suffer that such a noble fellow as Eing Riebard that is was only King Riebard and his men, and that they were all on foot.

weakness and indigestion. The cure begins with the first dose. The rehef it brings is marvelous and surprising. It makes no failure; never disappoints. No matter how long you have suffered, your cure is certain under the use of this great health-giving force. Pleasant and al. ways safe. Sold by C. D. Bradham Druggist, New Berne, N. C.

Winter Tourist Tickets Now on Sale by Southern Railway.

Commencing November 1st, 1898, the Southern Railway will sell from principal should march on foot," and sent him a noble charger. The messanger took it and said:

"Sire, the sultan sends you this charger that you may not be on foot."

The king was as cunning as his onemy and ordered one of his squires to mount the burse in order to try him. The squire obeyed, but the animal proved fiery, and sold march on foot," and sent him a noble charger.

Enally Understood.

I am reminded indirectly of an aneedote in Senor Carolino's "New Gulde of the Conversation in Portuguess and English:"

"A physician 80 years of age had enjoyed of a health uniterable. Theirs friends did him of it compliments every

days. What rou make lat, until April 30, 1889, and in most cases final limit returning May 31st, 1859.

In connection with the above the Southern Railway offers the quickest and finest train service and connections to filter train service and connections to filter train service and connections to filter train service and connections to fallow my example. I stand tell you it, gen'lemen, he was answored them, and I exhort you in some time at to follow my example. I live of the product of my ordering, withform and the filter training of the product of my ordering, withform and the filter training of the product of the pro

A tinker rend a sweet poem about the brotherhood of man.

And later he apled the author of that poem in the market place and ran up to him and grabbed him by the hand and said, "My brother—my dear brother, let us go and plek a bit o' dinner together!"

And the poet answered that he was not in the habit of picking bits of dinner with porsons whem he did not have the bond to know, "Literary Parables," by T. W.
