Entered at the Post Office, New Berne, of class matter.

Official Paper of New Berne and Craven County.

New Berne, N. C., Dec. 30, 1898.

If you are not an office seeker during these days, the best of everything is at your order.

The reduction in price to five cents, for hair cuts and shaves in Kaushs would indicate an increase in Populism in that State.

The close friendship now existing between Andrew Carnegie., Esq., and Col. W. J. Bryan, is very touching in its simplicity and joyonsurss.

The Norfolk Landmark is author ity for the statement that there was a slack demand for mistletoe this year, on account of the Hobson Kussing business going on.

It will be a good thing for Rassell's Braves, otherwise the Third North Carolina Regiment, to under stand that they need not expect to found that it can always be depended leges at home, which they have enjoyed abroad, for if they do an "open door" will greet such efforts.

COMPLETE THE GOOD WORE. The building of the two county bridges into this city, has proven in its results the wisdom of the advocates who favored their construction. The benefits of these bridges has been especially noticeable this season in the greatly increased number

of daily country visitors in this city. The casy access to New Berne has resulted in an increased trade to It is with pleasure we publish the folthe local merchants, and to the lowing: "This is to certify that I was a farmer it has made the marketing terrible sufferer from Yellow Jaundice of his produce an easier matter.

The JOURNAL was an untiring worker in favoring the construction gist recommended Electric Bitters, and of the county bridges across the after taking two bottles I was entirely Neuse and Trent rivers, and now cured. I now take great pleasure in the JOURNAL wants to see this good work completed by the building of good roads which shall lead to the opposite sides of these bridges, especially to the Neuse river bridge.

The advantages of the Neuse

Lat the gold mails marginest be started in Graves county, and let it be pushed to an early and a successfol finish. How's This. We offer One Hundred Dollars Re-mard for any case of Catarrh that can-

river bridge are not half apparent or realized as the roads leading to it are generally in a poor condition.

How much shall the farmer load his wagon with produce, and to measures the amount of gas you have to what extent can a wagon be loaded, pay for. and what is the hauling ability of the farmer's horse or mule.

These questions every farmer can the hauling ability of his team over travel,

The building of good roads is as much a matter of importance to the county as was the bridge construction. It is necessary for the farmer as it enables him to haul twice or even more of a load to market than he could do with bad roads; and it certainly benefits the merchants of New Bern as it means larger receipts of country produce, and consequently more business for them.

ways, the expense can be borne by the county, by those whose land they pass through, by private subons, or by all together.

Good roadways through Craven ocumy leading to the Neuse river bridge means the opening up of a territory to this market which will make muny thousands of dollars, annually, of increased trade to the nerchants of New Bern.

Is places the lands of the farmers minity to a market, as good ofte mean quick access to a market files largely increasing the value good land with a good roadway to reachy market finds an easy pai-
