Two of a Kind.

Discovered by a Woman.

Another great discovery has been made and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She finally discovered a way to recovery by purchasing a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night and with two bottles has been absolutely cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Hannick & Co., of Shelby, N. C. Trial bottles free at F. S. Duffy's Drug Store. Regular size 50c and \$1.00 every bottle guaranteed.

Woes of Our Fatherhood.

Benham—Then it's no wonder that our baby doesn't grow any.

La Grippe Successfully Treated.

"I have just recovered from the second attack of la grippe this year," says Mr. J. A. Jones, publisher of the Leader, Mexico, Texas. "In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days against ten days for the former attack. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy as I had to go to bed in about six hours after being 'struck' with it, while in the first case I was able to attend to business about two days before getting 'down.'" For sale by F. S. Duffy.

Oh! The Pain Of Rheumatism!

Its Tortures Known to Thousands.

The aches and pains of Rheumatism become a constant companion to all who are victims of this disabling disease. The people generally are not acquainted with the cause of the disease, though thousands know its tortures.

Everybody should know that Rheumatism is a peculiar acid condition of the blood, upon which all liniments in the world can have no effect whatever. The best blood remedy is needed—one which is able to go to the very seat of the disease and force it out. Swift's Specific (S. S. S.) is the right remedy for Rheumatism, because it is the only blood remedy free from mercury, potash and other minerals which intensify the disease, causing stiffness of the joints and aching of the bones.

S. S. S. neutralizes the acid condition of the blood, and forces out every trace of the disease. It reaches even the worst cases where the doctors have made ripples with their proscriptions of potash and mercury.

Not a Matter of Health.

Patent—You are worried about my case, doctor; I can see it in your face.
Doctor—No, not exactly.
Patent—Tell me the truth, doctor. I want to know just what you think.
Doctor—Well, to be quite candid with you, I was worrying about your bill. You haven't paid me a cent in two years.
