It would be difficult to imagine the treets of this city to be in any worse ondition than they have been during the past week.

It has rained before, the streets have een muddy but not in such a bed of mortar state as they are now.

The Fair is coming, the city will be full of sight seers, and the reputation of our streets is at stake, and unless they are improved before that time, the boast of good streets will be a very idle one. The city authorities should act in this matter at once.

#### Special Pair Race.

In addition to its special racing pro gram, the Fair Association has provided a special Race in the 2.27 class, trotting or pacing to harness, with a purse of \$200.00, mile heats, best three in five.

The entrance fee will be five per cent of the purse, and five percent additional rom money winners, at least five horses to enter, and three to start. The purse will be divided as follows:

50 per cent to first horse, 25 per cent to second, 15 per cent to third, and 10 per cent to fourth. The time for entries on this race wil
