

Hackburn.

HEADQUARTERS FOR Tobacco, Cigars, Cheroots & Cigarettes.

We have in stock a large variety of Plug Tobacco in various sizes which we bought at the very lowest Cash Prices and are prepared to give our customers the benefit of the same. A trial will convince you.

Old Virginia and Mexican Cheroots, Dukes and Cycle Cigarettes always on hand.

We are still, in spite of the "Tightness of the Times" handling immense quantities of Flour, Lard, &c., and the Moltenhager Sugar Refinery Co.'s Sugar, which we are selling at Retailers Prices.

Our Print Butter at 25c cannot be excelled and as for the old reliable "Oriole" Coffee, of which brand we retained 5800 lbs during the year ending December 31st, '98. It can never be surpassed in "Quality for the Money", 12c lb. Our Leggett's Blend of Mocha and Java in 2 lb tins and Epicure Blend in 1 lb tins are still on the top round.

A full line of Fancy Groceries, Canned Goods, &c., always in stock at Hackburns

The Senator Who Opposes Expansion

Wouldn't burst his buttons off in emphasizing his argument if his tailor was an adept in his art. We fit large men in such a manner as to make their outlines graceful, and at the same time give them comfort and thorough satisfaction. Our work is elegant, our fabrics choice and our fit superb. Try us once on a suit and you will never lose us.

F. M. Chadwick, Middlesex, NEW BERN, N. C.

GRAVEN COMMISSIONERS BILL.

To Add Four County Commissioners, Penitentiary in Charge of Executive Committee.

Special in Journal. RALEIGH, January 25.—The bill giving the State penitentiary into the charge of an executive committee of three, passed both Houses.

The Craven county bill adding four county commissioners, a bill providing for their election by Justices of the Peace, as formerly, same to be amended later, passed the House.

A resolution was introduced requiring the State Treasurer to give the details as to the funds paid out by him, so a full accounting of his office could be made. A. R. S.

DANGER IN CALCIUM CARBIDE

Notice Concerning Its Sale in New York. Liquefied Acetylene Gas Prohibited.

Superintendent Murray of the Bureau of Combustibles, has made regulations governing the transportation, storage and sale of calcium carbide, which the firemen declare to be a source of danger in a burning building, because when water reaches it acetylene gas is given off. A number of stores keep it for use in bicycle lamps. Hereafter, in transit or on storage, it must be inclosed in hermetically sealed iron receptacles marked "Dangerous if not kept dry." No package may contain more than 100 pounds. It must be stored in isolated buildings that are fireproof and waterproof. No artificial light or heat will be permitted in the building where it is stored. Not more than twenty pounds, in bulk or in cartriges, may be kept in any store or factory, and this must be in a fireproof safe or vault above the street grade and it must be kept six inches above the floor.

The manufacture, transportation, storage, sale or use of liquefied acetylene is absolutely prohibited within the limits of this city.—N. Y. Sun.

To insure a happy new year, keep the liver clear and the body vigorous by using Dr. Witt's Little Early Risers, the famous little pills for constipation and liver troubles. F. S. Duffy.

These are dangerous times for the health. Croup, colds and throat troubles lead rapidly to Consumption. A bottle of One Minute Cough Cure used at the right time will preserve life, health and a large amount of money. Pleasant to take; children like it. F. S. Duffy.

Important to Mothers.

The manufacturers of Castoria have been compelled to spend hundreds of thousands of dollars to familiarize the public with the signature of Chas. H. Fletcher. This has been necessitated by reason of pirates counterfeiting the Castoria trade mark. This counterfeiting is a crime not only against the proprietors of Castoria, but against the growing generation. All persons should be careful to see that Castoria bears the signature of Chas. H. Fletcher, if they would guard the health of their children. Parents and mothers, in particular, ought to carefully examine the Castoria advertisements which have been appearing in this paper, and to remember that the wrapper of every bottle of genuine Castoria bears the fac-simile signature of Chas. H. Fletcher, under whose supervision it has been manufactured continuously for over thirty years.—Phila. Bulletin.

Mr. F. M. Chadwick, the tailor says: "Carolina Cough Cure is the best remedy for coughs that I have ever tried. I have been using it to my family for several years, always with benefit, in fact it cures." Carolina Cough Cure is manufactured and sold by Bradham's Pharmacy, price 25c per bottle.

THE LEGISLATURE.

Careful Consideration Given a Bill Introduced.

The Dispensary Law. Department of Insurance. Foreign Corporations. Tax-lic School at Raleigh. Capt. Day Must Go.

JOURNAL BUREAU. Raleigh, N. C., January 25. The committee on counties, cities and towns in the House had the Craven county bill for increasing the number of commissioners under consideration and their report was favorable, but with an amendment, to-wit: that the present board of commissioners shall not meet before the first Monday in February. The effect of this amendment will be that the old board will be unable to hold a meeting until the new law providing for the new members shall go into effect.

By unanimous consent, in the House the bill regulating the dispensary at Fayetteville and submitting the question of a dispensary to a vote of the people was taken up. An unfavorable report accompanied the bill. After much discussion the bill as amended was passed. As amended the bill does not submit the question to a vote of the people, so that the dispensary law remains in force virtually as passed by the last legislature.

Mr. Willard, of New Hanover, introduced a bill regulating the insurance business in the State. The bill creates the Department of Insurance, and provides for the office of Superintendent of Insurance. All insurance moneys must be paid into the State treasury.

Mr. Boushall introduced a bill providing for the election of the State Librarian by a board of trustees to be composed of a member of the faculty of the University of Wake Forest College, Trinity and Davidson Colleges and the A. and M. College.

Mr. Craige's bill making foreign corporations become domestic corporations under the laws of the State and requiring all such corporations to take license and file their papers of incorporation with the Secretary of State was made a special order of business. Mr. Craige addressed the House in support of the bill, which he stated he had introduced in accordance with a provision of the Democratic State platform. Every corporation doing business in the State should become a legal corporation in this State. Mr. Craige contended, they should be treated with exact justice, just as all the State.

An inquiry was made by Mr. Willard, who wanted to know what would be done of the Federal courts, if every State in the Union adopted such a measure. Mr. Craige said that he reckoned they would be relegated to their old duties of trying whiskey cases.

Mr. Craige was asked by Mr. Boushall if the bill would reach corporations doing an inter-State business. Mr. Craige declared that the bill had been investigated by a number of leading lawyers in the State and they declared that it would reach all corporations. Mr. Boushall said he thought the bill would impose hardships on some of the smaller corporations, and at the same time fail to reach those for which it is intended.

The bill passed a second reading by a vote of 90 to 4. On the third reading there was no negative vote cast.

The bill repealing the charter of the town of Stone-wall, Hockingham county, was taken up. It developed that the repeal of the charter would carry with it the repudiation of a bonded indebtedness. When this was stated the bill was referred back to the committee in short order. One of the speakers said that the repudiation business had gone far enough in this State.

A bill was introduced for the establishment of the textile school and providing for its location at the Agricultural Mechanical College in Raleigh. The bill carries with it an appropriation of \$10,000 for the next year and a similar amount for the year following.

Sixteen new bills were introduced in the Senate yesterday, of these two were introduced by Senator Bryka and related to the protection of crops in certain localities in Craven county and to amend the law passed in 1897 in respect to fishing in the Neuse river. The calendar bills were taken up a number passed to a final reading.

The Democratic joint caucus last night took up the question of the penitentiary. A bill will be introduced in conformity with agreement of the caucus. This is to add twelve to the nine directors now existing, making a total of 21 directors. These will choose an executive board of three who will have absolute charge of the institution and its affairs. The office of superintendent is abolished and this undoubtedly will end the career of Capt. W. H. Day so far as this institution is concerned. His recently appointed clerk and manager will go down with the rest. The city is well filled by the Confederate veterans. Their meeting this afternoon.

Dr. Bull's Cough Syrup. Cures croup and whooping cough. It is a wonderfully effective remedy for all coughs, colds, and bronchitis. It is sold by all druggists.

ROYAL BAKING POWDER. ABSOLUTELY PURE. Makes the food more delicious and wholesome.

noon in House of Representatives is presided over by Julian S. Carr. Tonight they will give a reception by the ladies at the Confederate Bazaar and a glad time is promised for the old warriors.

The Confederate Bazaar is in full blast. The hall presents a brilliant appearance and is a mass of flags, bunting and decorations and pretty girls very much in evidence. Only electricity is used on account of danger from fire from lighting the hall. There is no admission fee but it costs much to get out.

Congressman-elect C. R. Thomas is in the city and visiting at the Capitol. He leaves for New Bern today.

La Grippe is again epidemic. Every precaution should be taken to avoid it. Its specific cure is One Minute Cough Cure. A. J. Shepard, Publisher Agricultural Journal and Advertiser, Eden, Mo., says: "No one will be disappointed in using One Minute Cough Cure for La Grippe." Pleasant to take, quick to act. F. S. Duffy.
