THEY RIDICULE IT. MANY PEOPLE RIMCOLE THE IDEA OF AN ABSOLUTE CURE FOR DYSPEPSIA AND STOMACH TROUBLES.

Ridicule, however, is not argument and Facts are Stubborn Things.

Stomach troubles are so common and in most cases so obstinate to cure that people are apt to look with suspicion on any remedy claiming to be a radical, permanent cure for dyspepsia and indigestion.

This fear of being humbugged can be carried too far, so far in fact, that many people suffer for years with weak digestion rather than risk a little time and money in faithfully testing the claims made of a preparation so reliable and universally used as Stuart's Dyspepsia Tablets.

Now Stuart's Dyspepsia Tablets are vastly different in one important respect from ordinary proprietary medicines for the reason that they are not a secret medicine.

Cathartic pills never have and never can cure indigestion and stomach troubles because they act entirely on the bowels, whereas the whole trouble is really in the stomach.

Stuart's Dyspepsia Tablets taken after meals digest the food. That is all there is to it. Food not digested or half digested is poison as it creates gases, acidity, headache, palpitation of the heart, loss of flesh and appetite and many other troubles which are often called by some other name.

They are sold by druggists everywhere at 50 cents per package. Address F. A. Stuart Co., Marshall, Mich., for full book on stomach disease, sent free.

ROYAL BAKING POWDER ABSOLUTELY PURE. Makes the food more delicious and wholesome.

During the night the insurgents made a hot attack on the town, killing three British sailors. A British marine was shot in the leg by a sentry of his own party; another was shot in the foot, and an American sentry was killed at his post.
