THE STOOD HIS GROUND.

The Military Officer Was Punished and Won the War.

There recently visited in Detroit a military man whose beautiful wife was an invalid. He came with all those who had the pleasure of meeting her. She was tall, erect, graceful, with a positive wealth of health and color. The romance of her courtship was entirely gone. She had a hand on her forehead and a look of suffering. She suddenly became ill through the discovery of cancer in her breast. She died after a few days of suffering. He was a widower with one daughter, and nothing was left behind that money would do for her. He was a man of high intelligence and a man of high character. He was a man of high intelligence and a man of high character. He was a man of high intelligence and a man of high character.

CURED BY
Botanic Blood Balm (B.B.B.)
THE GREATEST BLOOD REMEDY.

Cause of the disease and words of praise from those who were cured.

Scrofula is inherited usually from one or both parents having blood poison. This proves that the cause of the disease is inherited from a poisoned condition of the blood.

Colored glands and abscesses, rickets, white swelling and sore ears, very frequently accompany the disease. To cure scrofula and its symptoms requires a blood remedy that is tried and true, and which effects an entire cure. I know of several cases of blood disease cured speedily by the use of B.B.B.

North Carolina, Superior Court. Craven County, In the case of R. A. Snyer, Administrator of R. A. Snyer, deceased, vs. Mary E. Snyer and others.

Pursuant to a license of the Superior Court of Craven county in the above entitled proceedings in which I was directed to sell the heretofore described real estate to make assets to pay the debts of the intestate above named, I will offer for sale and sell at the court house door of Craven county to the highest bidder for cash at public auction on Monday, May 18, 1899, at the hour of 12 o'clock in the noon, all the following real estate to wit:

A SMALL SPOT OF THE GREAT CANCER.

MOST VIOLENT CASES HAVE APPEARED AT FIRST AS MERE PIMPLES.

The greatest cure should be given to any little sore, pimple or scratch which shows no disposition to heal under ordinary treatment. No one can tell how soon these will develop into Cancer of the worst type. So many people die from Cancer simply because they do not know just what the disease is. They naturally turn themselves over to the doctors, and are forced to submit to a cruel and dangerous operation—the only treatment which the doctors know for Cancer. The disease promptly returns, however, and is even more violent and destructive than before. Cancer is a deadly poison to the blood, and an operation, plaster, or other external treatment can have no effect whatever upon it. The cure must come from within—the best of poisons must be eradicated.

Mr. Wm. Walpole, of Washinton, S. D., says: "A little blotch about the size of a pea came under my left eye, gradually growing larger, from which shooting pains at intervals ran in all directions. I became greatly distressed and consulted a good doctor, who pronounced it Cancer, and advised that it be cut out, but this I could not consent to. I read in my local paper of a cure effected by S. S. S., and decided to try it. It acted like a charm, the Cancer becoming at first a small scab, which I scratched very freely. This gradually grew less and the scab disappeared altogether, leaving a small scab which soon dropped off and now only a healthy little scar remains where what threatened to destroy my life once held full sway." Positively the only cure for Cancer is Swift's Specific.

S. S. S. FOR THE BLOOD

—because it is the only remedy which can go deep enough to reach the root of the disease and force it out of the system permanently. A surgical operation does not reach the root of the disease because the blood can not be cut away. Insist upon S. S. S.; nothing else will do.

S. S. S. cures also any case of Scrofula, Eczema, Rheumatism, Contagious Blood Poison, Ulcers, Sores, or any other form of blood disease. Valuable books on Cancer and Blood Disease will be mailed free to any address by Swift Specific Company, Atlanta, Georgia.

At the Capital.

I am in my seventy third year, and for fifty years I have been a great sufferer from indigestion, constipation and biliousness. I have tried all the remedies advertised for these diseases, and got no permanent relief. About one year ago, the disease assuming a more severe and dangerous form, I became very weak, and lost flesh rapidly. I commenced using Dr. Mozley's Lemon Elixir. I gained twelve pounds in three months. My strength and health, my appetite and my digestion were perfectly restored, and now I feel as young and vigorous as I ever did in my life.
