The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and 'that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fra-ternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken in ternally, acting directly upon the blood and mocus surfaces of the system, thereby destroying the foundation of the discase, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One hundred Dollars for any case that it falls to cure. Send for list of testimonials. Address, F. J. A Wonderful Appetite.

A Wenderful Appetite.

The digestive power of the heron is remarkable, as well as its capacity and ability to swallow large fish, mays Forest and Stream. The neck seems to expand as if made of india rubber—the fish slips down, and the bird is resdy for another. In enting beef, large bones are swallowed intact. On one or two occasions after feeding beef this way, great alarm was felt, as the birds showed signs of great distress, but the uneasiness was soon caimed when the bird threw up a large bone, clean and white, the meat having been thoroughly digested.

In esting catfish they instinctively pierce it with their strong beaks, until there is no question in their simple minds but that it is harmles. If in their hurry to swallow their food, it goes down the throat covered with sand or trash, they immediately eject it, carry it to the water and, having rinsed it well, swallow it again.

Hence it cures the disease, while other remedies only shut the poison in where it lurks forever, constantly undermining the constitution. WINE OF CARDU

A LITTLE DOES MUCH.

Boone, lowa, Dec. 14.

No tempus can tell what I have endured in the past ten years with my monthly sickness. While suffering untold arony, a friend called and recommended Wine of Cardni. I sent for a bottle, and On! what relief. After the first does I sepan to feel better and have had no pain since.

Wine of Cardui not only cures but it acts AT ONCE. Here is a case of ten years' standing, and yet one single dose made the sufferer teel better, and stopped the pain. The Wine goes straight to the seat of the trouble. It acts directly upon the menstrual and gental organs. Its action is not violent, and it does not force a result. It simply gives Nature that little assistance that the sufferer's system lacks. A single disorder in the feminine organs apreads many disorders all over the body, and when the Wine cures the source, all the other ills vanish as a matter of course. A woman can be her own physician and cure herself at home. Local examinations are largely things of the past—the obsoaclous castom is no one of the cure of "female troubles".
