## Are You Going to Spend the Summer at Home?

If so, why not make your Hall, Dining Room—yes, and Sitting Rooms too—comfortable by using the Cool, Bright PRAIRIE GRASS RUGS, instead of other floor covering. Lots of them have been sold, but we still have some left.

Have been rushing our Belt and Collar Clasp, also Violet Beauty Pins. Are you needing anything in that line?

Such a pretty all Linen Damask Towel for 50c pair. Either Fringed or Hemstitched border.

Today our beautiful figured Organdies marked down from 25c and 35c to 15c per yard.

Another line of Persian Lawns and India Linens in this week, and Black Lace Insertions too, which are so stylish.

Take a peep at, or see a Figue shirt, trimmed with the Empress Fold which come in different colors. It does make a nobby shirt for the summer girl who aims at quiet inexpensive elegance in her wardrobe.

We still have Shoes for all and in various Grades and Makes. Call and you will find us anxious to please and wait upon you.

### Cases At Rocky Mount Resist Removal

#### These Penitentiary Warrants Opinion On Fusion Boards Education Notice 40 Corporations By Auditor. A. & M. College's Good Work.

RALEIGH, N. C., June 24.—At Rocky Mount two new cases of small pox were discovered and orders were given to have them removed to the pest house. Both patients are negroes. Two hundred of their friends, well armed, assembled around their homes and swore they should not allow the negroes to be taken to the pest house. The whites hurried out, heavily armed with rifles and shot-guns, and attacked the mob. In dispersing it seven or eight negroes were severely clubbed with guns. One negro's skull was crushed and he is expected to die. The authorities removed the patients to the pest house under a heavy guard.

Citizens of Stokesdale, Guilford county employed counsel to prosecute two brothers named Meadows and Dr. White of Rockingham county, for inhuman cruelty. The Meadows brothers had apprenticed to them two boys, 13 years old who ran away a few days ago. Both the Meadows and White, it is charged, pursued and captured the boys after a long chase and, returning to Meadows' home, made them run or dragged them nine miles in an hour and 10 minutes, lashing them all the while with horse whips. Both boys have completely collapsed from the tort. and exhaustion and one is dying. The Meadows brothers and White have been arrested.

General William H. Cox is here and says that not in many years has he seen the crops so fine and clean in the Edgecombe section. He said in reference to politics that he heard very little talk about it now.

The State granted a charter to the Buncombe County Medical Society, of which Dr. James A. Burroughs and others are members. The charter is for 30 years.

In an opinion which the Attorney General has given the fusion board of education of Forsyth county (which hold over), he says that where old boards hold over they are the de facto incumbents and are entitled to the custody of all the property of the board. The State Superintendent of Public Instruction does not recognize this opinion as of any value, because in the Sampson case (the only one before the courts thus far) the decision applies to that county alone. If the Supreme Court had passed on the matter the effect would of course be general as to the ten or twelve counties in which the fusionists hold over.

Mr. W. J. Jordan, of the Benbow Hotel of Greensboro, which was burned last week, has taken charge of the Carolina Hotel here.

Captain Joseph B. Batchelor, United States army, who has been stationed at Fort Spokane, Washington, leaves that station under orders to go at once to the Philippines. Captain Batchelor is the son of one of Raleigh's best citizens, Mr. J. B. Batchelor.

Chairman Travis, of the executive board of the penitentiary, is here. There are no new developments in the compl-

### THE OLD WAY.

#### Of Treating Dyspepsia and Indigestion by Dieting a Dangerous and Useless One.

Weak the old way, but really it is a very common one at the present time and many dyspeptics and physicians as well consider the first step to take in attempting to cure indigestion is to diet, either by selecting certain foods and rejecting others or to greatly diminish the quantity usually taken, in other words the starvation plan is supposed by many to be the first essential.

The almost certain failure of the starvation cure has been proven time and again, but still the moment dyspepsia makes its appearance a course of dieting is at once advised.

All this is radically wrong. It is foolish and unscientific to recommend dieting to a man suffering from dyspepsia, because indigestion itself starves every organ, every fibre in the body.

What the dyspeptic wants is abundant nutrition, which means plenty of good, wholesome well cooked food, and something to assist the weak stomach to digest it. This is exactly the purpose for which Sturdt's Dyspepsia Tablets are adapted and this is the method by which they cure the worst cases of dyspepsia, in other words the patient eats plenty of wholesome food and Sturdt's Dyspepsia Tablets digest it for him. In this way the system is nourished and the over-worked stomach rested, because the tablets will digest the food whether the stomach works or not. One of these tablets will digest 3,000 grains of meat or eggs.

Your druggist will tell you that Sturdt's Tablets is the purest and safest remedy for stomach troubles and every trial makes one more friend for this excellent preparation. Sold at 50 cents for full sized package at all drug stores.

A little book on cases and cure of stomach diseases mailed free by addressing P. & Sturdt Co., Marshall, Wis.
