wam about the loon several times, attempting to dash in and selse him by the neck, but the wary bird ancceeded in folling each effort by continually facing him and imaging out with his

powerful neck. The Indian then swam up to within a few feet of the bird and, diving under him with considerable skill, caught .S.S. The Blood him by the legs. He carried him under, and, although the bird struggled flercely, managed to retain his hold. But when they both rose to the surface again a battle royal began, the Indian seeking to carry his prize ashore and the bird attempting to re-guin his freedom. The bird, however,

the Indian had covered a yard on his shore bound course disabled him with FOR HOME USE vicious blow from his beak full on The effort of the blow was almost in-
