been compelled to fail back on Pleter maritsburg, leaving his wounded behind Probably such rumors have their origin n the recollection of the ominous sience which preceded the evacuation of the British guns now seem more than equal to the artillery of the Boers, thus enhancing the difficulty of any assault on the British lines.

Around Ladysmith. LONDON, Nov. 8 .- The daily Tele-

can war news is as follows: "Communication has not been restored with Ladyemith. In a message sent through Pletermaritzburg Wednesday night the Daily Telegraph war correspondent states that women, children New York, November 4 Jeffries say and noncombatants were being sent that he is willing to fight Sharkey again south by train, as the Roers threaten to Sharkey declares that he will post \$5,000 to attack the town in force Wednesday for another fight in air weeks Jeffries

formation with the assurance that although the situation was disagreeable, although the situation was disagreeable, it was not regarded as critical. Every, thing confirms the inference that the Boars were in their utmost strength at Ladysmith, preparing for investment of the camp. It was to check or delay this Duffy.

"I wouldn't be without DeWitt's Witch the ovement that General White under-

took the action of Monday, which has so considerably reduced the forces.

"The naval brigade will in a large measure make up the loss. In the opinion of the Telegraph's correspondent, an earlier arrival of the naval contingent would have altered Our markly absences cariler arrival of the naval contingent would have altered the entire character of Monday's fight. As it was, the callors certainly checked the determined advance of the Boers, who seemed to think the time had arrived, with a complete union of their three great columns, to strike a final blow at General White's forces, so much inferior in numbers to disces immediate results in coughs, call croup, bronchitts, pacumonia and three transfers.

Closing the last dispatch which got through from Pietermaritzburg, the and long troubles. It will prevent can amption. P B Duffy.

Telegraph's correspondent asys defending a works were then in course of consistenction upon the hills near Ladyamith and it was expected that the big navel guns would be mounted at once Ladyamith, he also says, is sprovinced for two months.

"All acceptants course is abowing that Jonbort's force has suffered severely from artillery five.

Only Because of the Illustrious Dead Mrs. Jackson Accepts Ald.

Pather Worth Proposes to Sue Concord Cotton Mill. Insurance Section 105. Temperature In October. Too Much Alcohol.

RALEIGH, Nov. 4 - The report having one abroad ever the country that Mrs. newall Jackson, widow of the dislutely penniless, in want and hopelessly these statements are very much exag-

It is true, she says that she not in affluent circumstances, but she has a competency and has always been above and she is not blind, though still suffering from a painfull disease, facial neuralgia. Appeals having been made all over the South for her relief, Mrs. willing to accept any donations except those offered as testimontals of love and dmiration for her late busband.

Major W. A. Guthrie, late populis andidate for Governor, and now at torney for the Southern rallway, is con fined to his home in Durham, with a severe case of erysipelas.
State Treasurer Worth says be will

bring quite a novel suit against the American Banknote Company. The latter has a contract to engrave, the bonds to pay the penitentlary debt and to pay for the penitentiary farms, and gave the State Treasurer a personal promise to have the work quickly done, saying it was well advanced. Now the company dmits it deceived the treasurer and that it had done no werk on the bonds. The

"I will sue the company for breach of contract and force it to pay the interest on the purchase money for the farms. 1 am now paying not only the interest the bonds but that on the farms and the latter would have stopped, of course, if it had had the bonds, so I could turn them over to the purchasers and get the

Nothing but Coffee,

and that the highest grade of excellence. This is a practical day and generation. Public patronage rests upon positive merit. For this reason

Chase & Sanborn's Coffees

are consumed daily in more than a million homes. They have been proven the full standard of coffee goodness. The fragrant aroma is appetizing; there's enjoyment

and health in every cupful. It is not possible to get better coffee; it is not probable as good can be had under any other brand

for any price.

Quality is the foundation of value—in the unrivaled quality of Chase & Sanborn's Coffees rests their merit for public confidence. We never have to coax the second order.

Imitations and counterfeits are common. A few cents more profit often induces the dealer to urge some inferior brand, therefore we say, see that the seal of Chase & Sanborn is on every package you buy. Then disappointment is impossible.

JOHN DUNN, Sole Agent.
