THE OUTSIDE ADVERTISER AND COUNTRY NEWSPAPER.

At a meeting of the North Carolina Press Association a few years ago, a resolution was passed, in effect, that every member of the Association who had an advertiser who did not meet his just obligations and settlements, his name and particulars of his case were to be sent to the secretary of the Association, the latter to inform the members of the Association of the delinquent advertiser and thus warn the rest of the press against the advertiser, who should be in a measure black listed.

How far this measure has been carried out, the JOURNAL is unable to state, it has never received a warning from the Secretary, sent by some unfortunate newspaper that it had been "stuck," although this paper has furnished the Secretary with several names of dead-beat advertisers, or those who would only pay upon compulsion.

The trouble with the majority of the country weekly newspapers and the dailies of the smaller towns and cities, is that they will submit and be bulldozed by the outside advertiser, when once an account is due, rather than take legal action and force the would be stealer of newspaper space to settle what is due.

There are but few advertising agents who are prompt pay, that is within thirty days after the advertising contract has expired.

And the advertising house which does not declare failure in carrying out of contract on part of the newspaper, when bill is sent, and demand extra insertions before bill is paid, is the exception and not the rule.

This space stealing by outside advertisers upon the newspapers of this State, will amount to a large sum in the aggregate, yearly.

That the newspapers of North Carolina should suffer these losses, is wholly a matter for themselves to decide.

The outside advertiser will pay cash for his notices in the magazine or metropolitan newspaper, while in the smaller towns and cities, the contract will be in quarterly, semi-annual or yearly payments, thus placing the country or smaller newspaper in a position where the outside advertiser can extract extra time for his advertising, claiming non-fulfillment of contract on the part of the newspaper, and the latter, generally too poor to contest, submits and thus loses time and space.

No greater evil exists than this among the country newspapers, and co-operation and exposure of these fraudulent advertisers is demanded, until they shall recognize that the small newspaper demands honest dealing, and will fight dishonest practices, no matter what may be the standing of the advertiser, commercially or otherwise.

The Bill Cannot Grind with Water That's Past.

This is what a fagged out, tearful little woman said in telling her cares and weaknesses. Her friend encouraged by telling of a relative who had just such troubles and was cured by Hood's Sarsaparilla.

The little woman now has beads of joy for she took Hood's, which put her blood in prime order, and she lives on the strength of the present instead of worrying about that of the past.

Neighbors told me to use Hood's Sarsaparilla; it cured me perfectly. Mrs. F. B. DUFFY, New Bern, N. C.

Inflammatory Rheumatism Cured in 3 Days.

Morton L. Hill of Lebanon, Ind., says: "My wife had Inflammatory Rheumatism in every muscle and joint her suffering was terrible and her body and face were swollen almost beyond recognition; had been in bed for six weeks and had eight physicians, but received no benefit until she tried the Myolectric Cure for Rheumatism. It gave immediate relief and she was able to walk about in three days. I am sure it saved her life." Sold by F. A. Henry, Druggist, New Bern.

Cure for children. I always laugh at an old joke. Why?

It pleases me to discover that my memory is all right.

A friend in need is a friend indeed. That is exactly what Chamberlain's Cough Remedy is. It is the mother's help when she is suddenly awakened in the night by the ominous, husky cough, and labored breathing, of her babe. It is the safe resort of the youth or adult when he has "caught cold," and there is coughing and irritation of the mucous membrane of the throat. It allays the irritation and cures the cold. For sale by F. S. DUFFY & Co.

True in His Case. Mrs. McFridget—Who wrote his song, "There's only one girl in the world for me?" Mr. McFridget—Adam, I guess.

FREE OF CHARGE. Any adult suffering from a cold settled on the breast, bronchitis, throat or long troubles of any nature, who will call at F. S. DUFFY & Co's, will be presented with a sample bottle of Boschee's German Syrup, free of charge. Only one bottle given to one person, and none to children without order from parents.

No throat or lung remedy ever had such a sale as Boschee's German Syrup in all parts of the civilized world. Twenty years ago millions of bottles were given away, and your druggists will tell you its success was marvellous. It is really your only Throat and Lung Remedy generally endorsed by physicians. One 75 cent bottle will cure or prove its value. Sold by dealers in all civilized countries.

Contesting. Tom—So you loved and lost, did you? Jack—Or the contrary; I came out winner.

Tom—Why, how's that? Didn't you just tell me she married another? Jack—Yes, but she returned all my presents and accidentally put in some of the other fellow's.
