t Would be For the National D fense. Mothuen Entrenched. Buller's Destruction of

> the Colenzo Bridge. Volunteers are Ready.

LORDON, December 28.— The latest re-port received from General White at Ladyamith, by hellograph message to General Buller's camp, says that the field feedlying done by the British would now thetand any organized attack likely to delivered by the enemy, and that foot offs sufficient for two months was or

that the toers are appreciative or high sorties and constantly open heavy fusilades on account of imaginary attacks.

The health of the troops continue good, considering the season. Officer and men in Ladysmith are in excel-

unt of themselves in any probable

General White hellographed to the olonel of the Royal Welsh Fusileers in esponse to Christmas greetings:

mitalion. We reciprocate very sincer y your wish for an early meeting." Among the Boer prisoners and British deserters at Cape Town is Sergean Green who instructed the Buers in trenching. He says that the Boer had 25,000 men at the battle of Magersion tein and all but two shousand of thes were engaged in the fight. He declare hat the Boers would have yielded had

that the Boers would have yielded had the British pressed the attack.

General Methuen reports that the enemy's force has increased and is engaged in intreaching three and a balf miles from his outlying pickets. He reconnolited with two squadrons of mounted infantry for two miles along the line and drew the fire of four guns and two Vickers machine guns.

Filipino loss was large, resulting from a seavy infantry and artillery fire for three hours into the trenches.

It is supposed that the Filipinos were those who were driven out of San Mateo on the day General Lawton was killed. They unmhered probably 1,000, mounted infantry for two miles along the line and drew the fire of four guns and two Vickers machine guns.

ad two Vickers machine guns.
London, Dec. 28.—It is stated regard stion, that the Premier did actually (the death of his wife) had caused him movement is on foot to apply acrews to lose heart, and that the war crisis demanded a younger and more active man dollar.

tide in South Africa a government for national defense would probably be formed, with the Duke of Pevonahire as formed, with the Duke of Devonshire as Premier, Lord Roseberry as Foreign Secretary, Asquita as Colonial Secretary dia, Lord Curzon of Kedleston, telegrobe and Fowler as War Secretary. The last two are Imperialist. The Liberals are pledged to the prosecution of the war to pledged to the prosecution of the war to

LONDON, December \$7.—The destroc-tion by General Buller's naval guns of the sole remaining bridge over the Tugo-fa alver at Colenzo has thoughtlessly

In olver at Coleman has thoughtless been accepted here as a British gain.

The destruction of the bridge is reall a confraction of Buller's weakness. He primary object is to railiere Ladysmitt and in order to get there he must fore the passage of the Tugela.

If he felt really strong enough to sweep the Boars out of his path is well try to preserve the means of crossing the strong. By destroying the bridge on the stream. By destroying the bridge has shown that he is at present monations to prevent the Bears from eros og to him than to keep the means open
