POTTER ON THE PHILIPPINES.

Episcopal Bishop Says Most Filipinos Are Our Friends.

New York, March 19.—"We shall keep the Philippine Islands now," today said Bishop Potter who on Saturday returned from an extended trip in the Orient, "because there is no way to get rid of them. Conditions have changed—we can't do now what it might have been desirable to do two days after the battle of Manila Bay."

"Granting that the islands are ours and must remain in our possession, I believe that a military government is for a while the only feasible form of government. It is no sense to talk of the native Filipinos having the ability to organize a government of their own. It is only in rare cases that any of them show a real governing power."

"I was much pleased with the conditions in the islands. The war is practically over. The majority of the Filipinos are friendly to us, have every confidence in our soldiers and are ready to come under our government. This friendly feeling is shown everywhere by the children, who are devoted to the soldiers."

"Several friends of Aguinaldo," continued the Bishop, "called upon me in Hongkong, and they told me that they were satisfied that there could be no success for his undertaking. The better class of Filipinos are satisfied that American occupation means increased prosperity."

"I am glad to be able to speak in praise of the American army in the Philippines. Their morale is very high they are fine-appearing, healthy and splendidly disciplined men, well educated. Especially noticeable for their appearance are the Western regiments. Of General Otis not too much can be said in praise."

"On the whole, I think I have considerably changed my views as to the right and duty of a superior nation to govern a weaker. I think that inevitable. Everywhere throughout the East the problem is the same—to bring these peoples to see and recognize the superiority of what we know as civilization and give them the opportunity to adopt it."

Big Meeting at San Juan.

SAN JUAN, PUEBLO, N. C., March 19.—A gathering of 10,000 people, headed by the San Juan Chamber of Commerce, assembled at the palace of the Governor General today to submit a petition with reference to the needs of the island. The deputation selected to present it was received, in the absence of General Davis, who was indisposed, by Lieutenant-Colonel Hall, adjutant-general.

On behalf of General Davis, Lieutenant-Colonel Hall expressed pleasure at seeing so many people interested in a question of government and assured them that Puerto Rico would receive justice.

An account of today's proceedings will be transmitted to Washington. The crowd was orderly and dispersed without confusion amid "Vivas" for the United States and the Governor-General.

Wm. Orr, Newark, O., says, "We never feel safe without One Minute Cough Cure in the house. It saved my little boy's life when he had the pneumonia. We think it is the best medicine made." It cures coughs and all lung diseases. Pleasant to take, harmless and gives immediate results. F. S. Duffy.

A. B. Stowick, a well-known Confederate veteran, says he feels sure there will be a greater gathering here July 4th, than there was at the unveiling of the Confederate monument here some years ago. An officer of the State Guard said an earnest effort would be made to have the entire Guard here.

The Agricultural Department is to inspect the work on the new annex to the State Museum Thursday. Some complaint against the quality of the work is made.

Very fine specimens of copper ore from the mines at Blue Wing have been received at the State Museum. The ore is rich, the specimen being 78 per cent. pure.

Mrs. D. H. Hill tells the Confederate veterans she will give them a deed to land near Hendersonville if they will occupy it for encampment purposes. This kind offer is to be acted upon by the veterans.

Representative Small has introduced a bill in Congress authorizing the Secretary of the Treasury to pay Zaddock Meadows, Carteret county, \$1,000, the same being for supplies destroyed by Federal troops during the civil war.

Senator Pritchard also introduced bills of relief authorizing the Secretary of the Treasury to pay to the estate of Vast Smith, Wake county, \$1,100; Eli Smith, Richmond county, \$3,000; Thos. M. Bride, Robeson county, \$200; Jesse Flyth, Northampton county, \$1,000; Samuel Thain, Johnston county, \$2,270 and W. Dallas Haywood, Raleigh, \$2,000, all being for material and supplies destroyed by Federal troops.

A delegation of Greensboro citizens will be at the capital in Washington, on Friday next to appear before the committee on public buildings in the interest of the public building at Greensboro.

Mention was also made the other day of the return of a Populist farmer named Penny, who had abandoned his family and gone away with a young school teacher, the daughter of another Populist; of their four months' absence in Mexico of their return and of the efforts to restore peace in the family. Penny has now gone again. His family and neighbors made it so lively for him he had to go.

The date of the first meeting of the new State election board is April 2. This board was created by the Legislature at its last session. It was this meeting which, as given out some time ago, the Republicans intended to seek to prevent by means of an injunction obtained through a fusion judge. Walter H. Neal is chairman of the board.

Bishop Galway, wanted \$1,400 here for the Methodist twentieth century movement.

The State Agricultural Department has prepared an excellent stock law map of the State, compiled from data furnished by registers of deeds. State Veterinarian Cooper Curcio is the compiler.

Mrs. Louisa Virginia Holden, relict of the late Governor Holden, died at her home here this morning, very suddenly, of heart disease. She was nearly 70 years of age and was a sister of the late Major W. H. Harrison, of Raleigh, who was in the Mexican war and who commanded a Raleigh company in the Confederate service.

BOERS RETREATING.

Destroy Bridges Behind Them. Free Sisters Quiet.

London, March 20.—The Daily Mail has received the following dispatch from South Africa:

Bloemfontein, March 19.—The railway bridges over the Vet river at Winburg and miles west of Springfontein are found destroyed by the Transvaalers. A reconnaissance toward Philippolis, 25 over the Valshe river at Kroonstad found farmhouses all flying white flags. The British troops were cordially received.

It is reported that President Steyn is trying to rally the Boers, but that the latter say they have had enough.

London, March 20.—The blowing up of the bridges in the Free State shows that the Boers intend to hamper Lord Roberts' advance as much as possible. Meanwhile supplies are being accumulated and Bloemfontein is being converted into a great base for the next advance.

A Rhodesian field force, 5,000 strong, is to be commanded by Sir Frederick Carrington, whose mission will be to prevent any Boer trek from the Transvaal into the British territories north of the Limpopo river.

Our Fellow Citizens.

WASHINGTON, March 20.—Discussion of the Puerto Rico Government and Tariff bill was resumed in the Senate today, Mr. Morgan, of Alabama, presenting a speech dealing with some of the constitutional phases of the measure. He maintained that as the treaty of Paris was the supreme law of the land it was impossible for the United States to abandon either Puerto Rico or the Philipines. He held also that the Constitution extended to a certain extent, at least, over the acquired territory, and that the inhabitants of Puerto Rico were citizens of the United States.

BRYAN AND SULZER.

On a Plank to Down Great Britain Added to Chicago Platform.

WASHINGTON, March 20.—Resolved, That the Democrats of the District Columbia, in mass-meeting assembled, do hereby declare that we favor the reaffirmation of the Chicago platform, with strong additional plank against trusts, militarism and imperialism.

"That we condemn and denounce any alliance with Great Britain."

"That we sympathize with the Boers and demand that this Republic take the initiative to preserve their republic and bring about an honorable peace."

"That we favor the renomination of William Jennings Bryan, of Nebraska, for President, the nomination of William Sulzer, of New York, for Vice-President, and that the delegates from this District be instructed to vote accordingly."

The foregoing resolutions were adopted tonight by about 1,000 District Democrats assembled at the quarters of the East Washington Democratic Club on Capitol Hill and indicate at once the spirit and the results of a mass meeting called for tonight by that organization. They were passed without dissent and amid cheers for Mr. Sulzer that seemed to make Mr. Bryan a subordinate issue.
