CRAVEN DEMOCRACY MEETING. The mesting of the Craven County

is in this city, yesterday, was ir probably never before DS-R-C INTI

As a distinguished speaker at the meet it was a washing of dirty " and as such it was the

whe Democracy of Craven feels better that an opportunity as given it to give full expression to te pent up feelings, and now it is over an may get together, feeling that it was merely a family affair. As an exhibition of the revelation of party secrets, it would ordinarily have been regarded as most dangeroue, per the Democrats feel so sure of party

decens, of the carrying of that most important issue, the Amendment, that they fear nothing. It might not be a strict Democratic

meeting, surely not so in the full accep-tance of the word; Democracy, if any nember of the meeting had been deited the privilege of personal express-

That such a privilege was not denied any one, those who attended Saturday's convention will bear testimony. That a public convention, with other business before it, gives way for the before mentioned "wash" of politica

n to make the political exhibit,

was displayed amid applause

Ignorant man at that, his instructions to him being "to soak the plaster in not water whenever is got cold and put it on again." By the way, every physi-clan who has had the annoyance and trouble of being compelled to heave the all important matter of poulticing to an ignorant person will appreciate a way that will allow no loophole for mistakes and failures. Philodeinhis Bacard ease telloved in six hours by "New Great arded by those who think For in gestion, sick and nervous South American Kidney Cure."
