AN APPEAL DEMANDING PUBLIC ATTENTION.

Secretary General in behalf of the North Carolina Board of Public Charities has issued an Appeal to the people of this State for their aid in behalf of the insane who are now without hospital care in North Carolina.

The accommodations now provided through State aid are inadequate for the care of whites and blacks, many more applications being received by the State Hospital than they can provide room for.

The figures in regard to the insane new in the State institutions, and the necessary increased room to meet the requirements which are pressing, have already been published.

It is a sad reading, this Appeal of the Board of Public Charities, yet it is one which every citizen should read, and give earnest thought to.

There are many unfortunate sufferers demanding protection and care, and the duty of providing for the State's insane is upon the people.

That the unfortunate insane should receive considerable care and treatment, every one will admit, for it is through such means that many may be reclaimed from their insanity.

The matter as presented by the Board, is one demanding immediate attention, and every effort should be made so that public action may be taken, looking to an increase of room in the State's institutions or elsewhere, so that the unfortunate insane shall not be left without consideration care.

The Board of Public Charities had a sad duty to perform in detailing the conditions of the insane and their numbers in this State, but it was a necessary duty.

Now let the people of North Carolina recognize the Board's appeal and give such aid as may be demanded for the State's unfortunates.

Never Tried. Guzzler—Did you ever try to pass a counterfeit coin in a saloon?

De Fango—No, I never even tried to pass a saloon.

Indomitable Rheumatism Cured in 3 Days. Morton L. Hill of Lebanon, Ind. says: "My wife had inflammatory Rheumatism in every muscle and joint; her suffering was terrible and her body and face were swollen almost beyond recognition; had been in bed for six weeks and had eight physicians, but received no benefit until she tried the Myrtle Cure for Rheumatism."

The Good Not Favored. Fortune doesn't always favor the good, says the Manyunk Philosopher. The baddest is not usually the one that is the most broke.

Relief in Six Hours. A. R. De Flagat, editor of the Journal, Doylestown, Ohio, suffered for a number of years from rheumatism in his right shoulder and side. He says: "My right arm at times was entirely useless. I tried Chamberlain's Pain Balm, and was surprised to receive relief almost immediately. The Pain Balm has been a constant companion of mine ever since and it never fails." For sale by F. S. Duffy & Co.

One Sure Cure. The soil of the city may not be as fertile as that of the country, but it is better adapted to the sowing of wild oats.

Distressing Kidney and Bladder Disease relieved in six hours by "New Great South American Kidney Cure." It is a great surprise on account of the exceeding promptness in relieving pain in bladder, kidneys and back, in male or female. Relieves retention of water almost immediately. If you want quick relief and cure this is the remedy. Sold by C. D. Bradham, druggist, New Bern, N. C.

Mr. Duggins—I thought you were going to cut Mrs. Wigwag. The very first time you meet her you stop and talk.

My mother suffered with chronic diarrhoea for several months. She was attended by two physicians who at last pronounced her case hopeless. She had procured one 30 cent bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and five doses gave her permanent relief.

Mr. Grogan—Oh, have had luck this morning for a blunderer's fool. Whim! Oh, got me suit as friends' clothes the other day. Oh, went 'round an' let her see me in it.

QUESTION ANSWERED. Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mother and grandmother's never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of August Flower, etc. They said August Flower to clean out the system and stop fermentation of digested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only used a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by F. S. Duffy.

ALL MEN AGREE.

A druggist in Mecon, Ga. says: "I have sold a large quantity of Mother's Friend, and have never known an instance where it has failed to produce the good results claimed for it. All women agree that it makes labor shorter and less painful."

Mother's Friend. It is not a chance remedy. Its good effects are readily experienced by all expectant mothers who use it.

QUEEN MARRIAGE CUSTOMS.

There are few places within the limits of civilization that boast of more interesting marriage customs than Bulgaria. Every young person, whether male or female, is bound to be married before the age of 25.

Reduced to Ashes. "Yes, madam," sighed the man, "I have seen better days. I was once an ice man, but I was fired."

Mr. Calvin Zimmerman, Milesburg, Pa. says, "As a speedy cure for coughs, colds, croup and sore throat One Minute Cough Cure is unequalled. It is pleasant for children to take. I heartily recommend it to mothers."

He Was Very Humble. The Detroit Free Press tells of a disappointed bride who had been deceived by a man who had promised her a fortune.

Rev. W. E. Stitzer, W. Canton, N. Y. writes: "I had dyspepsia over twenty years, and tried doctors and medicines without benefit. I was persuaded to use Kodol Dyspepsia Cure and it helped me from the start. I believe it to be a panacea for all forms of indigestion."
