NO REALLY SERIOUS WORK.

The State Democratic Convention which is to meet, tomorrow, in Raleigh, has no really serious work before it, to embarrass its actions.

The rivalry of candidates for the several nominations is friendly, and upon an amicable basis.

The candidates are all citizens of high personal character, honored throughout the State by the people, generally, regardless of political inclinations.

Therefore the nominations are certain to be received by the voters of the Democratic party most favorably, and the entire ticket an enthusiastic support at the poll in August.

So far as the party division is concerned, there is no platform among Democrats over its provisions, and it will be heartily endorsed.

The great State issue, White Supremacy and the passage of the Constitutional Amendment will have the entire support of the party, without a dissenting voice.

Altogether the Convention is likely to be a memorable one, for its record of party unity.

Deafness Cannot Be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness, (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Our Keep-Olds.

The one secret a woman can keep is her age.

Pneumonia is one of the most dangerous and fatal diseases. It always results from a cold. Chamberlain's Cough Remedy will quickly cure a cold and perhaps prevent an attack of pneumonia. It is in fact made especially for that ailment and has become famous for its cures over a large part of the civilized world. It counteracts any tendency of a cold toward pneumonia. Can you afford to neglect your cold when so reliable a remedy can be had for a trifle? For sale by F. B. Duffy & Co.

Lessons.

A man may reach the pinnacle of fame, but he will probably find it pretty lonely up there.

The Best in the World.

We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisements in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was more than half used. It is the best medicine out for colds and coughs.—The Herald, Andersonville, Ind. For sale by F. B. Duffy & Co.

As He Remembered It.

Stack O'Hell—What kind of a floor has the new cellar? Kuba Wrens—It is made out of powdered stone. Stack O'Hell—Oh, I see! The ground floor.

Kidney

Dyspepsia—Cure Digest what you eat.

Physically diseased and debilitated persons are strengthened and cured by Chamberlain's Dyspepsia Cure. It is the only medicine that can be taken in any form of dyspepsia, indigestion, heartburn, flatulence, acid eructations, constipation, and all other ailments of the stomach and bowels.

With Eyes Opened.

Blue—You said to call me an idiot. Ha—Yes, I remember I called you "my angel without wings." Blue—That you never do any more. Ha—No, I've begun to believe that you have wings, after all. It's no easy feat for you to fly into a passion.—Catharine Standard and Times.

The bacilli are found in the sputa, and it is settled by repeated researches that tubercular is spread nearly exclusively by dried sputum.

Are Told by Teeth.

"Men's ages can be told by their teeth as accurately as horses," said a Frankfurt bookkeeper over his luncheon. "I have found this out by my intercourse with salesmen. They come into the office, stand at the little counter, and when the proprietor is not in they entertain me a warty while with accounts of their business skill and merited success. Having nothing to do, I watch their mouths—their mouths that cannot be stationary.

"Up to the age of 25, I have learned, a man's mouth closes and opens like a child's, and what teeth are displayed are the upper ones. At 30 the lower lip becomes looser, and the lower teeth are as much shown as the upper teeth. At 35 the top or edges of the lower teeth are blunt, but they are still white. At 40 the upper teeth don't show at all. The lower ones' edges then are a pale brown.

"And so on, as the years go by, the lower lip droops more and more, and the lower teeth become shorter, and their edges grow blunter, thicker and darker. I have often wondered why it is that the lower teeth wear down in this way, while the upper ones don't do it, and why only the upper front teeth decay."—Philadelphia Record.

At the Capitol.

I am in my seventy-third year, and for fifty years I have been a great sufferer from indigestion, constipation and biliousness. I have tried all the remedies advertised for these diseases, and got no permanent relief. About one year ago, the disease assuming a more severe and dangerous form, I became very weak, and lost flesh rapidly. I commenced using Dr. Mozley's Lemon Elixir. I gained twelve pounds in three months. My strength and health, my appetite and my digestion were perfectly restored, and now I feel as young and vigorous as I ever did in my life. L. J. ALDRICH, Doorkeeper Ga., State Senate, State Capitol, Atlanta, Ga.

Remarkable Cure of Rheumatism. KERRA, Jackson Co., W. Va. About three years ago my wife had an attack of rheumatism which confined her to bed for over a month and rendered her unable to walk a step without assistance, but limbs being swollen to double their normal size. Mr. S. M. Madox induced us to try Chamberlain's Pain Balm. I purchased a fifty cent bottle and used it according to the directions and the next morning she was able to walk without assistance in any manner, and she has not had a similar attack since.—A. R. PAINCOX. For sale by F. B. Duffy & Co.

W. W. Mayhew, Merion, W. Va. My wife has been suffering from Rheumatism of the legs, and if not promptly relieved, she would have been confined to bed for months. I purchased Chamberlain's Pain Balm and used it according to the directions and she was able to walk in a few days. I have since purchased several more bottles and used them on other persons who were suffering from Rheumatism, and they were all cured. I can recommend this medicine to all who are suffering from Rheumatism of the legs, and it is the only medicine that can be taken in any form of Rheumatism, and it is the only medicine that can be taken in any form of Rheumatism.

Rheumatism Cured in 24 Hours.

T. J. Blackmore, of Haller & Blackmore, Pittsburgh, Pa., says: "A short time since I procured a bottle of Myotic Cure. It got me out of the house in 24 hours. I took to my bed with Rheumatism nine months ago and the Myotic Cure is the only medicine that did me any good. I had five of the best physicians in the city, but I received very little relief from them. I know the Myotic Cure to be what it is represented, and take pleasure in recommending it to other poor sufferers." Sold by T. A. Henry, druggist, New Bern.

We Are Cleaned Today.

With regard to all the refinements of toilet, cleanliness and facility of locomotion, the small shopkeeper, the mechanic, the very peasant of today, is better off than were princes and noblemen 70 or 80 years ago. That little bathroom of poor Queen Marie Antoinette at the Tuileries must have been almost as much an object of curiosity for its singularity in her day as it is now for its simplicity, and certain it is that in all those vast piles of buildings at Versailles, with all their gorgeous magnificence, bathrooms were an unknown quantity.

According to some authorities, Louis XIV never washed, a little cold cream applied with a cambric handkerchief serving instead. This let us hope was a calamity, but in St. Simon's minute and detailed account of the monarch's day, from the handling in of his perfumery through the closed lock and into the morning until several dukes and marquises had handed the royal night chamber to each other, the highest in rank placing it on the royal shoulders, and his chaplain, kneeling at a prie-dieu at the foot of the bed, had said his night prayers for him, no mention is made of any ablutions, except that he was shaved every other day.—Cornhill Magazine.

CONTAGIOUS BLOOD POISON

Contagious Blood Poison is the most degrading and destructive of all diseases, as it vitiates and corrupts the entire system. The first sore or ulcer is followed by little red pimples on the body, mouth and throat become sore, the glands enlarge and inflame, copper-colored spots appear, and hair and eyebrows fall out. These are some of the milder symptoms; they increase in severity, finally attacking the vital organs; the body is tortured with rheumatic pains and covered with offensive sores.

CURE YOURSELF AT HOME. Send for our Home Treatment book, which gives a history of the disease in all stages, and is the result of many years of close study of blood poison and actual experience in treating it. You can cure yourself perfectly and permanently at home, and your secret is your own. Should you need any information or medical advice at any time, write to our physicians. They have made a life study of blood diseases, and will give your letter prompt and careful attention. Consult them as often as you please; we make no charge whatever for this service. All correspondence is conducted in the strictest confidence.
