Democratic Ratification Meetings Booming. Every Thing Favorable. Large Reward For Wire Cutters. Middle Of Road Populists.

RALEIGH, April 19.—At a late hour last night the Populist convention finished up the nominations for the State ticket. Cyrus Thompson for Governor, A. O. Shuford Lieut-Governor, J. B. Schulken, Secretary of State, H. W. Ayer, Auditor, W. H. Worth, Treasurer, H. F. Seawell, Attorney General, S. O. English, Superintendent of Public Instruction, J. G. Hamrick, Labor Commissioner, A. D. Merritt.

The new State executive committee which includes the Central Committee was chosen as follows:

Central Committee, Marlon Butler, chairman; Hal W. Ayer, vice-chairman; J. F. Mitchell, J. F. Click, A. S. Peace, J. B. Lloyd, J. T. Garrett, 1st, District; W. J. Leary, 2nd, R. B. Kinsey, 3rd, E. M. Marlon Butler, Cyrus Thompson and S. A. Lawrence were elected members of the Populist National Executive Committee from this State.

Fourteen delegates at large, were elected to the National Populist Convention at Sioux City May 9th; besides the district delegates.

Thus ends the Populist here, May 2nd, the Republican State Convention will create some little stir here.

There is great pleasure and satisfaction at the success of the Democratic ratification meetings now in progress in the Piedmont section. General Thomas F. Toon, the nominee for superintendent of public instruction, arrived here, having by reason of pressing business been forced to go home for a day or two. He said of the meetings: "The interest is intense. The people want to hear the great question of the hour—the amendment—discussed dispassionately. Great crowds attend the meetings. All of us speak. I am greatly pleased with the outlook, and very greatly impressed with the patience and interest of our auditors. If I am any judge the people are ready to settle for ever this great question of the amendment and end a trouble which has for these many years recurred annually."

He was asked to give his views regarding state aid to higher education and said in reply: "I am in favor of it. I favor anything the legislature may do in that direction. I know the position I am to occupy is no place for a narrow minded man, nor for one who has prejudices, I thank God my life has been above the low plane of prejudice."

The state democratic committee will meet here again this month, it is understood, to arrange some important details of the campaign.

The North Carolina Methodist Episcopal conference sends as delegates to the Ecumenical council at Washington next week Revs. F. D. Swindell and F. M. Bampass and Joseph F. Brown.

The Union and the Crown Life Insurance companies apply to the insurance commissioner for permission to do business in this state.

The governor last week decided to honor the requisition of the governor of Tennessee for Baxter Shenwell, the Asheville man charged with swindling a Knoxville bank out of \$4,000. Shenwell is fighting to keep from going to Tennessee.

The Southern railway offers \$500 reward for information leading to the detection of the wire-cutters on this division. The evidence of all line-men who have made reports is that the cutting was done by expert line-men, and they say the strikers have several such with them.

J. A. Parker, of Kentucky, secretary of the middle-of-the-road populists was here, to watch Senator Butler and the father's North Carolina outfit. He says the middle-of-the-roads will get some North Carolina delegates. He recalls Senator Butler to an excellent language.

Taylor at Washington.

WASHINGTON, April 18.—Mr. Taylor, the Republican claimant to the Governorship of Kentucky, was at the Capitol today and held an impromptu reception in the Republican cloak rooms of the Senate and of the House.

When Mr. Taylor first reached the Capitol, in company with some friends, he was invited to the floor of the House by some of the Republican members, under the rule which gives Government of State the right to the floor. He was at first reluctant to accept the invitation, fearing that some Democratic might object to his presence on the ground that he was not the Governor of Kentucky. The Republicans assured him that if any objection should be raised, the Democratic would make a move to call and would have the Democratic speech. He then accepted the invitation.

SOUTH AFRICA.

Siege of Wepener Continues. Ambulance Corps Become Soldiers.

LONDON, April 18.—The Daily Mail has received the following dispatch from South Africa:

Lorenzo Marques, April 18.—The Boers are extremely anxious about Wepener. The Standard and the English News of yesterday says the British there are hourly expected to surrender. Waterbach, the Boer commandant at Kestel Pool, said a telegram arrived today announcing that the garrison had surrendered.

Nearly half the members of the Chicago ambulance corps, which has arrived at Pretoria, tore off their Red Cross badges when offered Mafers. Consul Hay has notified the Transvaal Government it will be necessary for him to report this to Washington.

Maseru, Basutoland, April 17.—Colonel Dalgety's losses since he has been besieged at Wepener have been 20 killed and 100 wounded. The Boer losses are reported to have been considerably heavier.

After the night attack on April 12 the dead were left on the field, where they still lie unburied. There is a conflict of opinion among the Boer leaders. Some want to attack again, while others refuse to do so. Desultory cannon firing and sharpshooting continue.

The Caledon is rising, which alarms the Boers, who are now on both sides of the river and might be cut off if the stream were to become flooded. Five Boer guns are believed to be disabled.

"No family can afford to be without One Minute Cough Cure. It will stop a cough and cure a cold quicker than any other medicine," writes G. W. Williams, Sterling Run, Pa. It cures croup, bronchitis and all throat and lung troubles and prevents consumption. Pleasant and harmless. F. S. Duffy.
