Teachers Assembly Expected To Be A Great Success.

Vanco Statue Base and Pedestal Increase Cotton Acreage 20 Per Cent. Negro Kept In back ground By Great

Efforta RALETON, May 8-O. H. Mebane, Su atendent of Public Instruct ne in from the western part of th State. He is very busy working up the North Carolina Teachers' Assembly to meet at Morehead City, and reports the prospects for a great meeting this year yery encouraging. Teachers wishing to attend the commencement at the State Normal and Industrial College can stop over on their return from the Assembly top over privileges are allowed for hapel Hill and Raleigh, also for the suefit of those wishing to attend the immer schools at Chapel Hill and Wake orest. He received a letter from Dr Forest. He received a letter from Dr. J. L. M. Curry, general agent of the Peabody fund, yesterday, stating that he would be at the Assembly. The premise of Dr. Curry was conditional at first, but now he has promised to come definitely. Superintendent Mebane has lost none of his interest in the public school work, as he will speak on this subject Saturday to the Teachers' Association of Durham county.

TWENTY AMERICANS KILLED.

lipinos Attack a Garrison. Thirty Men

MARITA, May 2-The American gard inting of 30 men belonging to the Forty hird Regiment, has been attacked by chels. Twenty of the Americans were rilled. The remainder were rescued. The pericans were quartered in the l'atuig church, which the enemy, number-ig several hundred men, surrounded, of florcely attacked.

The Americans fought for two days nd then the rebels inneaged to igniti away and finally fell upon those inside.

The walls remained intact, however, and,
were used as a shelter by the bosieged
Americans for 'hree days longer, the
memy attacking the building on all des at once. The Americans fired from rindows and doors of the church and lld great execution among the Filipinos were killed, many dead bodies being re noved from the scene of the fighting.

After five days' resistance by the Americans a lieutenant and eight men arrived from Laoan and engaged the calegers, who thereupon retired. The oriunate arrival of these re-enforce ments prevented the annihilation of the American force entrenched in the church, who had repeatedly declined to surrender when ordered to do so by the

and little ammunition and were physically exhausted when relieved. This light has encouraged the Finipinos, who are now acting in an actively aggressive namer and threatening that section of the coast, particularly the town of latarina, whence the garrison probably will be withdrawn to Laon.

"After suffering from piles for fifteen years I was cured by using two boxes of he Witt's Witch Hazel Salve," writes W

CASTORIA The Kind You Have Always Bough

WARRINGTON, May 2-The House to day at the conclusion of the most stormy debate of the present session, passed the Nicaragoan Canal Bill by the overwhelming vote of 225 to 33. All attempts to retain in the bill the Janguage of the original bill for the forti-lication of the canal and to still further strengthen the language on that line were balked, and the victory of Mr.

CANAL BILL PASSED

ing Day in the House.

Patterson Would Accept.

CHICAGO, Lil., May 1 .- Robert E. Pa son, ex-Governor of Pennaylvania, a lay delegate to the Methodist General at 107 Middle street, New Bern, N. C. ference, arrived here today.

"I am not here in the furtherance my candidacy for the Vice Presidency." said Mr. Pattison. "I am interested deeply in the work of the church and am here solely for the purpose of par ticipating in the deliberations of the

"I am a delegate to the National Con vantion and shall go to Kansas City. If the convention sees fit to nominate me for the Vice Presidency I shall esteem it an honor and shall-accept it accordingly. I am not seeking votes or the support of any State. If they come to me of their own volition or my friends are success ful in their advocacy of my interests, shall be glad to receive the nomination The Laming of Mr. Bryan for the Presidency will not cause me to decline th second place"

The Spider and the Tuning Fork. A gentleman was recently watching ome spiders, when it occurred to him ing fork would have upon them. He suspected that they would take it for the buzzing of a fly. He selected a large, ugly spider that had been feasting on files for about two months. The spider was at one edge of its web. Sounding the fork, the man touched a thread at the other side and watched

Mr. Spider and the bushing sound conveyed to bim over his telephone wires, but how was he to know on which particular wire it was travel-ing? He-ran to the center of the web-very quickly and felt around until he fouched the thread against the other end of which the fork was sounding: then, taking another thread along, just as a man would take an extra piece of rope, he ran out to the fork and sprang to see sweeten wareness treetens upon it. Then he retreated a little way and looked at the fork. He was pursled. He had expected to find a br ing fly. Then, strange to say, he go on the fork again and danced with de light. Evidently the sound was must
