His Party Leaders.

Patronage Controlled By Pritchard Election Board Holds a Meeting. Railroad Cases. State Museum

Enlarged. RALETON. May 5—Here is the con ent of Loge Harris on the Republica envention: "If the brains of the entioth close to Governor Russell, He reck? When asked if the Governor vas sore about this shub Loge replied: He has supreme contempt for that

For two years Senator Pritchard and he wast majority of the Republicans are given the Governor the clammy hand and the icy heart, Life for him has been one long snub. Quite frequently Carl Duncau has gone to see him, but hear were diplomatic visits. The Govave disgusted his party with him. One was his jumping on an element in the State which had done a vast deal for Mr McKinley in 1896 and which was looked upon as worthy of the highest esteem. The next thing he did was to listen only to l'opulist counsel. The third was to aw that the constitutional amendment ould not be defeated and that the policy of the Republicans in attempting to de-

against it was suicidal. Richmond Pearson had a vast desire to Republican convention Charles Mc Miles several weeks ugo called the de-Namee and the great Vanderblit backwas in fact considered of nominating Mu from General Wilson denying that the Names for Lieutenant Governor, but Cl u time Dockery, who has a large finan by foreign governments in the fortificacial backing, was put up Ma Namce has tions plana big influence in the ninth district, the

erdsy elected a member of the Sea e ction board, vice R. D. Gilmer re-

until 5 o'clock yesterday morning, and had another short session at 9. It met to fill vacancies which had occurred good values in white goods lawn P. K.'s since its last meeting, April 12, in the etc, something new in tucked P. K. for county boards which it then elected. In several counties some members of the board had failed to qualify. The board put all the election machinery in proper order. One of the cases thus settled was in New tianover. The nominees of the complete line of optical goods under the Demogratic primaries suggested some management of Dr. Theodor C. Johnson, names. Then the new county chairman practical optician. Eyes examined free suggested others. All was satisfactorily at 107 Middle street, New Bern, N. C.

James H. Young, the negro leader, who is now a clerk in the revenue collector's office, was naked how the negroes relished the the treatment they got at the Republican convention, your corres-pondent remarking, "they were certainly pondent remarking, "they were certainly wall trained." To this Young replied by taking another question, "Did it ever occur to you that they might not take much interest in politica?" Our can answer this by saying that the negroes obey their white managers now about as well as they did in 1570.

Many people today took a look at the pudental of the Vanca statue. On the east side of the base is the one word 'Vanca."

Many Millions Saved.

WARRINGTON. May 4 - Rep tive Breelus, of Pennsylvants, chairman of the House Committee on Bankin and Currency, to day made a state official in charreter and based on infor-mation carefully proposed by the Treas-ury Department, on the workings of the recently enacted floancial law. The statement says in part:

"The refunding provisions of the law are working out an achievment in finance without a parralel in the history of the world. The statement I submit is official and shows the amount of bonds of each kind exchanged since the law went into operation, March 14 to May 1, 1900, together with the saving in interest, the premium paid and the net

The statement shows the following

Amount refunded, \$260,020,750. Saving in interest \$89.699,235. Premium paid, \$26,084,771. Net saving, \$6, 564, 454.

Miles on Disappearing Guns.

WASHINGTON, May 4-General Miles as again addressed a strong letter to the Secretary of War entering his official protest against the policy of using disappearing gun carriages in the system of coust defenses, a subject which has pre-cipliated considerable discussion recently among ordnance officers and be one of the delegates to the national those of the artillery arm. Genera partment's attention to the subject, ng had the lead, however. The matter which draw forth last week a lett r

General Miles has now replied, in Rep blicans say, and employs many which he states that he has personally received from the highest foreign ord-nance officers reports that this type of carriage is not in use. In his communiall of course at Senator Princhard's cation General Miles begins by stating disposal, and say it aggregates now that he wishes to go on record and to enter his official protest and warning against the policy of using one type o ount to the virtual exclusion of all
