Het Wave Record In Raleigh. The Tax Amenament Case, Bad Bow By Dranken Negross. Episcopal Convention.

Ranston, May 17 .- As soon as the State Chairman Marion Butler challeng-ed the Democrats to a joint debate on the franchise amondment. The Demo-cratic chairman declined on the ground that the Populist had declared that there was no issue with them. Ten days ago the Democratic State chairman challengwon back to him. In short, the convention did the thing that was necessary to be done to insure the election of Mr. Styst no reply has been received. It is accertained that the Popullat chairman also sent a challenge to the Republicans for a joint debate. It is conjectured that this is a plan to force a joint debate of the Democrats with the Popullate or else have none at all. So the Republicans and Popullate are working together.

chalrman of the national committee of the People's party, was asked today if it was true, as has been reported, that both Mr. Bryan and Mr. Townshal expressed a preferance that the People's party national convention should not nominate a Vice-Presidential candidate. He replied:

"I have been told that it is true, but it was the judgment of the convention that the best way to elect both of them was o nominate. It must be remembered that neither Mr. Bryan nor Mr. Towns is intimately acqualated with the present situation as to the Populist vote of the country. Mr. Bryan could not be elected by disbanding, or appearing to ilsound, the organization of the Popule's party. To have done so would have lost him 10 Populists votes for every Gold Democratic, vote that he would have won back to him. In short, the conven-
