Relief For India.

The amount contributed to date for the relief of the people of India, suffer-ing from famine, is \$18 95. The money will be forwarded to the Christian Herald of New York, Saturday. Probably there are others who would like to give something to the fund, if so they will please leave the money with H. M. Groves at the Citizens Bank and it will

be properly forwarded.

The famine is an unprecedented—cal
amity, even for India. Millions of people are being kept alive by charity and the entire world is called upon for aid.

I have no hesitation in admitting that I have repeatedly said that a sale of this road or its removal from politics was the only method of destroying the political factions of my county and I say so now. It has been so ever since I entered upon menhood, and will so continue I presume as a heritage to the coming resume as a heritage to the coming constation. But if the people of this county desire factional politics, then I must submit to the situation.

Now as to my position, I have stated, and do state, that if the State interest in this Road is sold, its sale should be treated as any other commercial trans-action, and not through political channels; that in order that such a condition could be mot, and conservatively con-ducted, that the power to sell should be conferred upon that corporate body into whose hands the interest of the State has been intrusted since the construction of the road, the Board of Internal improvements as constituted since the act of incorporation of the Rail road and that Body should be clothed with sufficient authority with proper safe grounds for the private interest along the line of the road, to ent stalu, accept or reject all proposals and thus eliminate the Legislature as a political body from the necessity of dealing with subjects which should be removed from political
