NEWS SCANT.

Boers Reported Resisting. Nothing From
Roberts. Where is Kruger?

Special to Journal.
London, June 2.—General French is in
front of Pretoria, but his advance is op-
posed by Boers.

The Daily Chronicle says, "we may
see some hard fighting before the British
flag flies over Pretoria, for even if the
Boers hold only the three forts standing
close together on the hills south of the
town they will be in a position to stand
a siege."

A dispatch says that Dr. Heyman,
President Kruger's physician, and Frichis
Eloff, Mr. Kruger's son-in-law, have ar-
rived at Lorenzo Marques. A belated
dispatch from Kroonstad, dated May 29,
reports that Mr. Kruger is ill and that
the station master at Kroonstad says the
President is dead.

The demand by the British is that Oom
Paul shall not stay in the Transvaal.

The Times has the following from Lo-
renzo Marques:

"Reports of the most conflicting char-
acter are current here, due to the activi-
ty of the Boer agents. While one sec-
tion declares that President Kruger has
returned to Pretoria for the purpose of
arranging terms of surrender, another
states that the British have been re-
pulsed outside of Pretoria. Nothing
authentic is known here regarding Mr.
Kruger's whereabouts or the situation
in the Transvaal.

In reply to an inquiry the United
States consul at Pretoria, Adelbert S.
Hay, has cabled to the United States
Embassy here that Lord Roslyn was
liberated Wednesday, but was allowed
to remain in Pretoria. Lord Cecil Man-
ners, he says, was also liberated. They
were both acting as newspaper corres-
pondents. Although Consul-General
Hay's cablegram does not mention the
condition prevailing at Pretoria, there is
a disposition here to regard it in some
measure as a kind of semi-official in-
dorsement of the statements made in
Lord Roslyn's dispatch to the Daily
Mail, of London, announcing the im-
minent surrender of Pretoria to the British.

IS AGUINALDO DEAD?

Said To Have Been Shot By Major March's
Troops.

New York, June 1.—A dispatch from
Manila to the Sun says:
"Major Peyton O. March, of the Third
Volunteer Infantry, who has been suc-
cessfully pursuing Aguinaldo, has suc-
cessfully crossed the mountains of North
Luzon and is now at Aparri. He reports
coming up with the supposed bodyguard
of Aguinaldo north of the Cagayan val-
ley.

"During the fight which followed it
was seen that an insurgent officer was
shot and that he fell from his horse.
He was rescued by his comrades, but the
horse and saddlebags were captured.

"The saddlebags contained Aguinaldo's
personal papers. The next day an out-
post of the Forty-ninth Volunteer In-
fantry (colored) reported that a raft con-
taining a body with two soldiers guard-
ing it had floated down the Cagayan
river, but that the swift current prevent-
ed its capture. It is thought possible that
the officer shot was Aguinaldo, and that
it was his body which the soldiers were
guarding."

VICTORY FOR DEMOCRATS.

Anti-Trust Resolution Defeated in the
House.

WASHINGTON, June 1.—The House
of Representatives today defeated the joint
resolution proposing a constitutional
amendment empowering Congress to
regulate trusts. The vote stood—Ayes,
154; Nays, 131; 33 short of the requisite
two-thirds—192.

To Act in China.

SHANGHAI, China, June 1.—The detach-
ment of over 300 marines, representing the
United States, France, Great Britain,
Russia, Germany, Italy and Japan, has
arrived at Peking to protect the foreign
legations there.

Twenty-three warships are now at
Taku, near the river entrance to Peking—
three Russian, three British, three Ger-
man, three French, two American, two
Japanese and one Italian.

In addition to their crews the Rus-
sians have on board their warships
11,000 troops from Port Arthur, with
field equipment. Fourteen thousand
more Russian troops are held in readi-
ness at Port Arthur.

Middle-of-the-Road Populist Accepts.

PHILADELPHIA, June 1.—Wharton Bar-
ter, of Philadelphia, nominee of the
Middle-of-the-Road Populists for Presi-
dent of the United States, has written a
formal letter of acceptance.

Mr. Barter discusses direct legislation
as "the first of reforms," sets out some
 dangers that beset the Republic, and de-
fines his position on railways, money,
transit, land, taxation and trade expan-
sion. He declares for compulsory arbi-
tration of labor disputes and in favor of
Philippine independence. Pan-American
cooperation and "an American foreign
policy" are advocated.

Order of the Day.

Seaboard Air Line Gives Breakfast
to 800 Guests. Aycock Doing
Grand Work. Local
Politics are
Lively.

Special to Journal.
RALEIGH, June 2.—On Monday June
4th, the commencement exercises of the
Baptist Female University of Raleigh
will begin.

At Chapel Hill the State University
commencement begins on Monday
June 4th, and it will be the signal for
the usual representative gathering of
the state's "best and brightest and most
beautiful." There will though be a
tinge of sadness pervading the cere-
monies when the thought comes that
the present efficient president of the Uni-
versity is to sever his connection with
not only the University, but the State.

Hon. Chas. B. Aycock is retiring in
his canvass of the State. Others are
doing much for the Democratic party,
but C. B. Aycock at the head and leader
of the State ticket is winning laurels
for himself and votes for the
party.

The board of aldermen at its regular
monthly meeting last night transacted
routine business. The only item of gen-
eral importance was the statement of
city attorney Watson that the Water
Company, under law, was liable to tax-
ation and should be required to list and
pay taxes just as any other corporation
is required to do.

There is a bitter fight on against Mr.
Julius Lewis, president of board of
county commissioners, and Mr. Gaston
Howell one of the members of the legis-
lature from this county on account of
their antagonism to organized labor.

The Seaboard special from Tampa to
Raleigh reached here on schedule time
7:30 a. m., and was met by a repre-
sentative body of Raleigh citizens at the depot
from where they went to the Yarb-
rough where cars were laid for 3:30
p. m. A. A. Thompson, ex-president cham-
ber of commerce president. He was toast
master and introduced Governor Russell
as the first speaker. The governor said
the State and its entire people were
proud of the success which had crowned
the construction and organization of the
"Greater Seaboard Air Line System."

President John Skelton Williams was
given a grand ovation when he rose to
reply. He expressed his appreciation of
what Raleigh had done for the system
and that the system was grateful for the
fact that here in Raleigh a just and up-
right judge (U. S. Judge Parnell) had
saved it from disintegration and destruc-
tion. Mr. W. N. Jones of the Raleigh
Chamber of Commerce bade the visitors
a welcome to the city as the Governor
had to the State. President St. John
made a spirited reply and introduced
Judge Parnell who suggested "testing was
more in order than speaking at present."

"On to Richmond from Tampa" was
the cry as the train pulled out of the
station at 10:15 a. m.

Bryan and the Envoys.

CHICAGO, June 1.—A dispatch to the
Record from Lincoln, Neb., says Gov-
ernor Poynter has received a message
from Washington stating that the Boer
envoys will visit Lincoln on their West-
ern trip. As soon as the expected ar-
rival was made known a citizens' com-
mittee set to work on arrangements for
receiving the envoys. It is understood
that the Boers are coming to Lincoln
solely for the purpose of holding a per-
sonal interview with Hon. W. J. Bryan
in regard to Boer national affairs. They
wish to ascertain from Mr. Bryan what
the national policy toward the burghers
would be should he be elected President.
Mr. Bryan refuses to discuss the expect-
ed visit and conference.

No Pictures With Cigarettes.

WASHINGTON, June 1.—House of Con-
gress passed in March, 1897, providing
that no pictures or other indulgences
be placed in packages of tobacco
except chewing tobacco, smoking tobacco, cig-
arettes and pipe cigars, and that no
other work be done.

The reason for the embargo on pic-
tures on cigarettes, pipes and cigars
has been the fact that the latter
articles were used for the purpose
of smuggling opium.

Special to Journal.
London, June 2.—The ravages of
cholera in Bombay is terrific. Six per
cent of the population in one district
has died from the disease.

"Boxers" Killing Foreigners.

Special to Journal.
Hong Kow, June 2.—The French
consulate at Tien Tsin is notified that
thirty foreigners, including six women
and one child were attacked by Boxers
Of these four were killed and four were
wounded. The fate of the others is un-
known.

THE WHOLE SYSTEM May Become Invaded by Catarrh— General Lewis' Case.

Hon. James Lewis, Surveyor General of Louisiana.

Pe-ru-na Drug Mfg Co., Columbus, O.:
"Gentlemen—I have used Pe-ru-na for
a short time and can cheerfully recom-
mend it as being all you represent and
wish every man who is suffering with
catarrh could know of its great value.
Should I at any future time have occa-
sion to recommend a treatment of your
kind, rest assured that yours will be the
one, James Lewis."

Wherever the catarrh is, there is sure
to be a waste of mucus. The mucus is
as precious as blood. It is blood, in fact.
It is blood plasma—blood with the cor-
puscles removed. To stop this waste,
you must stop this catarrh. A course of
treatment with Pe-ru-na never fails to
do this.

Send for free catarrh book. Address
