## EVIL NEWS.

Fifteen Hundred Foreigners Reported Massacred in Tien Tsin.

Nothing Definite From Peking. Foreign Powers Seeking Troops Forward. Meeting of the British Cabinet Called.

Special to Journal.  
London, June 23.—A special by way of Chefoo, says that the Chinese are incessantly bombarding the foreign settlement in Tien Tsin with large guns.

From Shanghai comes news from Japanese sources that fifteen hundred foreigners were massacred in Tien Tsin.

A special from Hong-kong says that nearly all the buildings on the foreign concessions in Tien Tsin have been burned and that the American consulate has been leveled to the ground.

The railway is open only half way from Taku to Tien Tsin. The Russian troops occupy a railway station but are harassed by the Chinese and reinforcements are urgently needed. The casualties are very heavy.

It is reported in Brussels that Admiral Seymour's international force and the Russian troops entered Peking simultaneously, that the legations were then intact.

War vessels have arrived at Shanghai to protect the foreigners from attack there by outlying Chinese forces.

England is sending fourteen transport ships from Calcutta with troops from India for service in China. The Japanese fleet is assembled ready to sail for China, according to a Yokohama dispatch.

Three vessels were injured in the attack on the Taku forts by the allied fleet. The captain of one of the German vessels has also died from his wounds. A merchant vessel was sunk by the fire from the forts, and her English captain was killed.

The British cabinet met today to consider the Chinese situation. Big results are expected.

WASHINGTON, June 21.—Minister Wu was seen today after his visit to the State Department.

Minister Wu said he would reply to the royal lie and repeat Secretary Hay's assurance that no foreign troops or more specifically, no United States forces, would invade his territory so long as peace and order are preserved therein.

The minister was much incensed at a suggestion published this morning that he be held as a hostage by the Government for the safety of Minister Coe and the legation at Peking. He characterized the writer as a narrow-minded man, and a person wholly incompetent to speak upon international affairs. "If a state of war existed in China," the minister said, "I should ask for my passports or they would be handed me."

That, with emphasis, "is the only course that would be followed if such were the case." The minister reiterated his former statements, reciting the very suggestion of a state of war between China and the United States.

New York, June 21.—The American Bible Society has received a letter from Rev. John R. Hykes, dated Shanghai, May 17. He has just returned from a trip to Peking. Dr. Hykes says:

"The Boxer movement was first organized with the object of driving the Germans out of Shanghai, and it was encouraged by the Central Government and the Governor of Shanghai in the hope that it would succeed in accomplishing this patriotic purpose. They practiced incantations, and they were armed with the rude implements which they could obtain in country places. After committing many acts of lawlessness, including the murder of the Rev. Mr. Brooks, they gradually spread north, and are now to be found in a large part of the Province of Chihli."

"The long continued drought in the north has been favorable to their recruiting. It has not rained for more than nine months, and the country is as dry and parched as a desert. The farmers have had nothing to do for many months, and they naturally drifted away from their homes and joined the Boxers."

"It is the general opinion in the north that the Government is afraid to do anything to suppress the movement for fear it may become anti-dynastic."

Unless food is digested quickly it will ferment and irritate the stomach. After each meal take a teaspoonful of **Castor's Dyspepsia Cure**. It digests what you eat and will allow you to eat all you want of what you like. It never fails to cure the worst cases of dyspepsia. It is pleasant to take. F. B. Duff.

## RALEIGH.

The New Soil Survey is Now Being Made.

It Will be Valuable and Complete. State Experiments at Red Springs, Farmers Alliance Meeting. An Old Map.

Special to Journal.  
RALEIGH, June 23.—The North Carolina Society of the Cincinnati accepts an invitation from the Guilford Battle Ground Association to hold its annual meeting there July 4, instead of at Hillsboro.

The annual meeting of the Farmers State Alliance will hardly be held at Hillsboro early in August, but will be postponed so as not to conflict with the State election. Arrangements for postponement until at least the middle of August are now being made.

The State today received maps of North Carolina for the year 1898. These show Tennessee as it then was, namely four counties of North Carolina. The maps will be part of the 18th volume of the State Records. It is understood that there will be two more volumes of these records.

The State charters the Carolina manufacturing company of High Point. Its capital is \$10,000 and it will make cotton goods. W. H. Ragan and others are the stockholders.

State chemist Kilgore returned today from Red Springs, where he inspected the agricultural departments' soil test farm. The special lines of work there are tests of the best varieties of cotton and corn, also tests of the best fertilizers for these crops—that is of fertilizer constituents and the best paying quantities.

The soil survey which W. G. Smith, of the soil division of the United States Department of Agriculture, is now making is to be very thorough. He is coming from Raleigh eastward to Morehead City, and is now as far as Princeton Johnston county. With a soil auger he goes into the ground to a depth of 40 inches. The various soils will be shown in the map by colors. The map die will be 1 1/2 inches to the mile. After going to Morehead City he will return here and go west to the Tennessee line.

Small in size and great in results are DeWitt's Little Early Risers, the famous little pills that cleanse the liver and bowels. They do not gripe. F. B. Duff.

## For July McClure's.

In the July McClure's appears a sketch of Bryan, by the well known Kansas journalist, William Allen White author of "Boyville Stories". This is the first of a series of pen portraits of political celebrities by a writer particularly well qualified to write of both their public and private life. The article contains a shrewd estimate of Bryan's political career and throws much light on the causes of his popularity.

Try poisoning, poison wounds and all other accidental injuries may be quickly cured by using DeWitt's Witch Hazel Salve. It is also a certain cure for piles and skin diseases. Take no other. F. B. Duff.

## Gratitude.

If you've been a lamby boy,  
You've gotten into no work;  
If you're a boy blind,  
You needn't sing an' never shirk;  
If you're a quaker,  
You needn't hop 'em trees to tree;  
If you're a lawyer,  
You needn't lead;  
If you're a preacher,  
You needn't lead;  
If you're a farmer,  
You needn't lead;  
If you're a soldier,  
You needn't lead;  
If you're a sailor,  
You needn't lead;  
If you're a doctor,  
You needn't lead;  
If you're a man,  
You needn't lead.

The Old-time song "If you're blind" is a good one to sing. It is a good one to sing. It is a good one to sing. It is a good one to sing.

## PEACE MAY COME.

Important Conference in Philadelphia. McArthur Accepts.

MANILA, June 21.—Two hundred Filipinos met this morning in Manila to determine an honorable and decorous method for securing peace.

The results were submitted this evening to General MacArthur, who accepted them.

The leaders of the movement will use their influence to induce Aguinaldo to accept the arrangement. If they are successful, as they hope to be, they hope Aguinaldo will issue orders in conjunction with the American authorities for the cessation of hostilities.

The meeting, which was the first of the kind since the days of the Filipino Congress, was composed of the distinctly revolutionary element, the "Americanists" being lacking. Thirty political prisoners were released from jail this morning in order to attend.

All who suffer from piles will be glad to learn that DeWitt's Witch Hazel Salve will give them instant relief. It will cure oozing and all skin disease Beware of counterfeits. F. B. Duff.
