mater Shoppard of the matter of the i Western Union Triegraph Company for taration at \$1,000,000 In North Carolina, have raturned. The Telegraph company showed that it had only poles, wires and instruments, and "good will" The State showed that it had only poles, wires and instruments, and "good will" The State showed that it had only poles, wires and instruments, and "good will" The State showed that it had paid taxes on \$600, 000 valuation, then on \$750,000 and claim that the company would not have offered the \$1,000,000 assessment 1f the railways bad not taken their increased assessment into the foderal courts. The State contended that the way to get at the true value of the property in this State was to decide the \$97,000,000 of capital upon a basis of mileage; that this made the value in this State some-thing over \$1,500,000. A curious state of affairs was ascertained to exist. For the past 15 years the company has paid 5 pur cent annual dividends on its cap ital atork and has carried to its aurplu-account more than \$5,000,000, yet its A frier dly rivalry was for the honor of first entering the city. The American and British soldiers passed the walland drillah soldiers passed the wall-drat and were peck and neck.
