## AN APOLOGY.

There is an old story of a punctiliously polite Greek, who while performing the funeral of an infant daughter, felt bound to make his excuses to the spectators for "bringing out such a small corpse to so large a crowd."

We apologize for bringing out such a small advertisement to so large a crowd of readers, but hope the very Low Prices will make the necessary amends.

Our show window on Pollock street, exhibits Great Bargains. Trimmed Straw Hats, in all shades at 50c, were early in the season \$2.00.

Black and White Sailors at 50c, sold fast at \$1.00. Men's Black and Colored Vici Kid, Ba's, and Congress Shoes from \$1.00 to \$1.50. Could not be bought from manufacturer at that price. Lucky is the customer who secures any of these.

## THREATEN WAR.

Chinese Viceroy's Make Strong Demands Of The Powers.

Uncertain As Ever Regarding Peking. Li Says All Safe. Allies Have Large Force At Tien Tsin.

Survivors Said to Be Leaving.

Special to Journal.

WASHINGTON, July 28.—Chinese Viceroy on the Yangtze Kelang river have issued an ultimatum to the powers that there will be war declared unless the powers promise to hold the person of Empress Dowager sacred and agree not to partition China.

These viceroys have until now professed friendship for foreigners.

The reported massacre of the missionaries at Pao Yin Fu has been confirmed.

The city of Canton has been placated with appeals to murder foreigners but still remains quiet.

The New York Tribune publishes a special cablegram from Li Hung Chang, dated Shanghai July 27th, saying: "Peking reports that the ministers are alive and their safety is assured. The entrance of the allies into Peking is unnecessary."

This message is in response to an inquiry made of Viceroy Li three days ago.

A cablegram to a London paper from a Shanghai correspondent says that all the foreign ministers, except of Germany, are alive and that some of the European survivors are leaving Peking.

Minister Wu Ting Fang informs the State Department that the Ministers are alive and are being fed. The Chinese Minister at London claims that he has direct information and that the Peking ministers will be escorted to Pien Tsin.

On the other hand a cablegram to a London paper confirms the massacre of all the foreigners in Peking. A letter from New Chang says that a messenger arrived from Peking and says that all are massacred. Sir Robert Hart committed suicide at the last moment to save himself from torture, and as the Chinese swarmed into the legations the foreigners shot their families to save them from worse than death.

The failure of the Chinese to open communication with the foreign Ministers and their governments, while every evidence exists that Peking is in close communication with coast officials lends suspicion to the latest offer, tending to cause even Secretary Hay to regard conditions as far less favorable now than ever. It places strong evidences of doubt upon the famous Conger messages and others purporting to have come as late as July 18 from foreigners in Peking.

Admiral Remy says that on Monday there were 28,000 troops at Tientsin available for an advance on Peking. At that time the commanders of the international forces believed they were strong enough to begin the march on the Chinese capital. The commanders had agreed that on the arrival of General Chaffee a final vote should be taken on the selection of the supreme commander of the international forces.

London, July 28.—The Shanghai correspondent of the Daily Express, writing yesterday, says:

"It is reported here that a large section of the Boxers has revolted against Prince Tuan, alleging that he is making tools of them for his own ends. A desperate conflict took place outside of Peking Sunday. Prince Tuan personally led his followers, two of his generals having deserted him."

"The battle lasted several hours and Prince Tuan was defeated and killed."

## OUT IN FORCE.

Red Shirts Meet at Burgaw. Aycock Speaks in Sampson County.

WILMINGTON, N. C., July 27.—The Red Shirts of this section rendezvoused today at Burgaw, Pender county, where Aycock and other prominent campaigners spoke. Aycock was met by a procession more than half a mile long, including 500 Red Shirts on horseback and several hundred others on foot. There were a number of floats, on which young ladies rode, the floats being emblematic of various campaign issues, "White Supremacy" dominating.

Aycock was tendered a tremendous ovation when he was introduced, but he had not spoken more than ten minutes before a heavy rain and electric storm forced him to stop and brought the demonstration and speaking to a close.

The only unpleasant incident of the day was a severe thrashing given a white man (opponent of the amendment) by a company of Red Shirts.

It seems that he was making stirring remarks about the Red Shirts, saying among other things, that they were poor white devils spending all their money for the red shirts they wore. The thrashing administered to him caused a complete retraction and apology.

The biggest Red-Shirt demonstration of the week is to be at Clinton, Sampson county (the home of United States Senator Butler), today. A large crowd from Wilmington will attend, including a cannon and gun crew, to fire a Governor's salute in honor of Hon. C. P. Aycock, who will be in attendance as the speaker of the occasion.

It was reported here tonight that a movement is on foot among anti-amendment Populists and Republicans and negroes to prevent Aycock from speaking. If such an attempt is made there will certainly be serious results, as fully eight hundred or one thousand red shirts will certainly be on hand well armed to see that there is no interference.

## Charlotte Defeats Durham.

DURHAM, July 28.—Charlotte defeated Durham today by a score of 3 to 0. The batteries were Laffner and Duddy, Donahomer and Logrand.

## Daniel and Bryan.

LINCOLN, Neb., July 27.—Senator John W. Daniel, of Virginia, accompanied by his son Edward, visited Colonel Bryan this morning. The Senator went to California immediately after the Kansas City Convention and has since been on the Pacific coast.

Mr. Bryan took his visitors to the farm and then spent the morning there. When asked about the political situation Senator Daniel said:

"I really haven't given a minute's thought to politics since the Kansas City Convention. I have seen no Eastern papers while in the West. I will begin my political work immediately on my arrival home."

Senator Daniel left for the South at 1:35 o'clock.

## Towne Has Prospects.

MINNEAPOLIS, Minn., July 27.—The Journal says:

"Charles A. Towne will be withdrawn as Vice-Presidential candidate from the Populist national ticket about August 15. At that time the Populist National Committee will accept his resignation and replace him with Adlai E. Stevenson as the nominee of the Populist party for Vice President. The source from which the announcement is received is such as to make it impossible to question its accuracy."

"During the campaign Mr. Towne is to be utilized as a campaign orator, to whom will be assigned the most desirable tours. He will speak only in large cities and in close districts. A Cabinet position is assured to him in the event of Bryan's election."

## Desperado Finally Killed.

NEW ORLEANS, July 27.—After a desperate battle, lasting for several hours, in which he succeeded in killing Sergeant Gabriel Porteous, Andy Van Kuren, keeper of the police jail, and Alfred J. Bloomfield, a young boy, fatally wounding Corporal John F. Lally, John Hanville, ex-Policeman Frank H. Evans, A. B. Declere, one of the leading confederates of the city, and more or less seriously shooting several citizens, the negro desperado, Robert Charles, who killed Captain Day and Patrolman Lamb and badly wounded Officer More, was smoked out of his hiding place in the heart of the residence section of the city and literally shot to pieces.

## THEY ADMIT IT.

Cy Thompson Thinks Amendment May Be Carried.

But Fusionists Hope to Get the Legislature. Anything to avert Butler. Look Out For Eleventh Hour Lies.

Special to Journal.

RALEIGH, July 28.—The fusionists have now an immense campaign fund and are spending it freely. They are devoting themselves entirely to the work of securing a majority of the legislature. They will buy votes. As Dr. Cy Thompson, who was the Populist nominee for Governor, but who was taken down in favor of Adams, the Republican nominee, says in his letter, the Constitutional Amendment may be ratified by 20,000 majority and yet the fusionists may get a majority of the legislature. Here is where the danger lies.

Thompson goes on to say that if the fusionists can only get control of the legislature they will repeal the present election law and will have an amendment to the constitution which will prohibit the negro from holding office. The Populists introduced such a measure at their State convention and at the June session of the legislature. But the Republicans have never taken any step in that direction, nor will they ever take it.

The Democrats very properly said that the way to remove the ignorant negro from politics was by disfranchising him, in other words to lay the axe to the root of the tree. The Populist professions and promises are no more than the air and the Republicans let the Populist talk to their hearts content.

Dr. Thompson's letter is really an excellent campaign document for the Democrats. It is a confession that the people will ratify the franchise amendment. It is all inspired by Senator Butler, whose one wish and hope is to secure reelection.

The fusionists are putting in circulation a large number of lies, at the last moment. It is learned that one of them here said a few days ago that he had prepared a falsification to be put in circulation next Tuesday so as not to give time for its denial. He said further that the fusion leaders were greatly pleased with it.

One Minute Cough Cure is the only harmless remedy that produces immediate results. Try it. F. S. Duffy.
