PEACEFUL VICTORY!

A Vast Majority of 60,000 Rolled Up for White Government.

IT IS GOVERNOR AYCOCK

The Official Count May Roll Up Still Greater.

No Interest Shown by the Negroes Some Remarkable Results. The East Did Its Self Proud.

Special to Journal.

RALPHIGH, Aug. 2.—The day here was the quietest election day ever known. It was like Sunday. No disorder and no arrests. All the registered negroes in this city voted except fifty. Fifteen negroes voted for the Amendment and the straight Democratic ticket.

There was no news of disturbances anywhere in the State. The troops will be kept on duty until tomorrow.

Fair weather prevailed throughout the State. Populists and Republicans concede the election of the entire Democratic ticket and the carrying of the Constitutional Amendment. In many of their strongholds, not only the Populists but negroes voted the Democratic ticket.

The indications are that the largest majority ever given in North Carolina will be recorded today. The Democracy is resting on its oars and only waiting to see how great the victory will be.

At midnight the official and semi-official returns from 34 counties give a majority for the Democratic State ticket and the Amendment of thirty-six thousand.

The estimated majority in the entire State is 60,000.

The Counties.

Franklin county will give 700 to 1,000 Democratic majority.

Vance county gives a Democratic majority of 400 to 500.

Chowan county reports entire Democratic ticket elected.

Indications from precincts heard from in Anson county indicate ticket and Amendment safe by 1,400 majority, a gain of 900 over last election.

Halifax county reports everything safe from Constable to Governor, with 808 for the Amendments.

Beaufort county, with returns from 19 out of 31 precincts, indicates Democratic majority all around of 1,600.

Bertie county is conceded by the Republicans by 900 majority.

Pasquotank is reported safe for the Amendment by 400 majority.

Richmond county reports 1,500 majority for the entire Democratic ticket.

The complete returns from New Hanover county show a Democratic majority of 2,900 for the State ticket and the same for the Amendment, with only two votes cast against the latter and only two negro votes were cast in today's election.

In Davidson county both sides claim to have won. Northampton reports election entire Democratic ticket. Oxford township gives 800 majority. It went fusion two years ago. Brunswick county about evenly divided, for the Amendment and against the State ticket.

The following counties report Republican majorities, Ashe, 300, Watauga, 200, Wilkes by a small majority.

Durham reports the largest vote in history of the county with majority for Amendment 500 to 700. Alleghany, Democratic by 200 majority. Pamlico 100 Democratic majority. Carteret 800 Democratic majority. Jones county safely Democratic.

The following counties at midnight give estimated Democratic majorities as follows: Rowan county 1900, Cumberland county 1000, Tyrrell county 100, Iredell 900, Granville 600, Greenville 600, Greene 500, Edgecombe 500, Perquimans 250, Albemarle 200, Forsyth 200, McDowell 200, Cumberland 1900, Johnson county 2000, Catawba 800, Rowan 1500, Person 400, Orange 200, Wayne 200.

FREE CUBA.

Election of Delegates for a Constitutional Convention.

WASHINGTON, August 1.—The War Department today promulgated the following order fixing the time of holding the Cuban elections for the selection of delegates to the Constitutional Convention: Whereas, the Congress of the United States, by its joint resolution of April 30, 1898, declared:

That the people of the Island of Cuba are, and of right ought to be, free and independent.

That the United States hereby disclaims any disposition or intention to exercise sovereignty, jurisdiction, or control over said island except for the pacification thereof, and asserts its determination, when that is accomplished, to leave the government and control of the island to its people.

"And, whereas, the people of Cuba have established municipal governments deriving their authority from the suffrages of the people given under just and equal laws, and are now ready, in like manner, to proceed to the establishment of a general government which shall assume and exercise sovereignty, jurisdiction, and control over the island.

"Therefore, it is ordered that a general election be held in the Island of Cuba on the third Saturday of September, in the year 1900, to elect delegates to a convention to meet in the City of Havana at 12 o'clock noon on the first Monday of November, in the year 1900, to frame and adopt a Constitution for the people of Cuba, and as a part thereof to provide and agree with the Government of the United States upon the relations to exist between that Government and the Government of Cuba, and to provide for the election by the people of officers under such Constitution and the transfer of government to the officers so elected.

"The election will be held in the several voting precincts of the island under and pursuant to the provisions of the electoral law of April 18, 1900, and the amendments thereof.

"The people of the several provinces will elect delegates in number proportioned to their populations as determined by the census."

THE ITALIAN ASSASSIN.

Penalty is Death by Shooting. King and Queen in Rome.

New York, Aug. 1.—Gastano Bresci will be tried for treason, according to well-informed Italian lawyers of this city, and undoubtedly will be shot.

Under the Italian law the penalty for murder is life imprisonment, but for an act of treason the death penalty is provided. It is optional with the Government whether the proceeding against Bresci be for treason or for murder, and from what is known of Victor Emanuel III it is predicted that he will demand the extreme penalty for his father's assassin.

The only death penalty in Italy is a military execution. The prisoner is blindfolded and shot from behind.

Captain Usher, of the Hoboken police, said today that Mrs. Bresci, wife of the assassin of King Umberto, was in such a nervous condition that she had gone to the house of a friend for rest. The woman is destitute. She still tries to hope that the man arrested in Italy is not her husband, but she admits that there is little reason for her hope. She will be kept under police surveillance pending developments in her husband's case.

Monza, Italy, Aug. 1.—King Victor Emmanuel and Queen Helena arrived here this evening. In the midst of a demonstration of welcome to them, two strangers cried "Viva Anarchia." The strangers were arrested and narrowly escaped lynching at the hands of the furious crowd.

The quicker you stop a cough or cold the less danger there will be of fatal lung trouble. One Minute Cough Cure is the only harmless remedy that gives immediate results. You will like it. P. S. Daffy.

The Boer Way.

Pretoria, July 31.—Mrs. Botha was the guest of Lord Roberts at dinner yesterday evening. The Boer solemnly to President Kruger grows sparer. The fact that his officials are persuading the people that South African Republic paper money is as good as the Bank of England notes, because it is based on insatiable State securities, even though the State should be conquered. The wires and children of the poorer Boers are almost starving.

General Botha's force is kept together by extraordinary incentives. This correspondent has seen an official circular asserting that Lord Roberts was forced to retreat south of the Vaal and that Lady Roberts escaped in a balloon.

It will surprise you to experience the benefits obtained by using the safety and pleasant little pill known as Daffy's Little Early Cure. P. S. Daffy.

WAR IN CHINA.

Battle Raging Between the Allies and the Chinese Army.

Allies Number 27,000 Men. Li Advises Against Advance. McDonald's Last Letter. Li's Repressive Measures.

Special to Journal.

WASHINGTON, Aug. 2.—A big battle is reported between the Pekin relief force and twenty thousand Chinese, eighteen miles north of Tien Tsin.

The allied army is 27,000 strong with 170 cannons.

Li Hung Chang is still at Shanghai and says that it would be best for the allies not to advance on Pekin at present.

The Viceroy says that the ministers were safe in Pekin July 30th, and that he had told the Emperor that he could not be a peace maker unless the Boxers were suppressed.

The Chinese General Lin has raised the standard of revolt on the northern border of Fukien.

LONDON, Aug. 1.—Another letter has been received at Tientsin from the British Minister, Sir Claude MacDonald dated July 24.

"We are surrounded by Imperial troops," he writes, "who are firing on us continuously. The enemy is enterprising, but cowardly. We have provisions for about a fortnight and are eating our rations."

"The Chinese Government, if there be one, has done nothing whatever to help us. If the Chinese do not press the attack we can hold out for, say, ten days. So no time should be lost if a terrible massacre is to be avoided."

It transpires that when the Chinese determined to rush the British legation during the most serious part of the siege, Capt. Myers, of the American Marines, was conspicuous for bravery. Under a heavy fire he made a sortie, drove the enemy back and captured several hundred rifles and ammunition from the same. He was wounded. Dr. Lippitt, of the American forces was severely wounded.

LONDON, Aug. 1.—A letter from Hongkong, dated July 2, which was received here today, represents that Li Hung Chang, while at Canton recently, was preserving order by a virtual reign of terror, rendering him hated by the disorderly elements.

He had ruthlessly prevented anything in the nature of a public meeting and thus effectually prevented any of the groups animated by hatred of foreigners from coming together to plan a rising. During one week he executed by strangling or beheading 70 persons, and it is said that during his viceroyalty no fewer than 3,000 have been executed.

All suspects, innocent and guilty alike, are said to have been thrown into prisons which, in a majority of cases was tantamount to execution.

Anarchists Are Active.

Special to Journal. LONDON, August 2.—An attempt was made today to kill the Shah of Persia at Paris today but it was a failure.

The assassin Bresci has become wild and excited in his actions. He declares that the next attempt by anarchists will be against the Czar of Russia.

The Income Tax.

LEXINGTON, Neb., August 1.—W. J. Bryan announced today that he will not discuss the income tax in his notification speech at Indianapolis, but will deal with the subject in his letter of acceptance. Mr. Bryan said the reaffirmation of the Chicago platform, according to his idea, is an endorsement of the income tax principle.
